JONES-BAILEY  
SENATE RACE?

Believed That These Political Antagonists Will Head Ticket in Primary This Spring

## BOTH ARE FIGHTERS

Friends of Mr. Armistead Jones think his turning over actual leadership to less experienced hands responsible for reverses sustained by faction in recent years—Mr. J. W. Bailey to enter contest if either Mr. Armistead or W. B. Jones makes race—Would be spirited contest.

Decidedly the most interesting political gossip going the rounds these days is the talk of Mr. Armistead Jones and Mr. J. W. Bailey as opponents for the state senate. This is not merely gossip either, but is based on declarations made by these gentlemen to their friends.

As was stated yesterday, Mr. Jones may decide to head the ticket of his faction in the county. Some of his friends say that as long as he maintained the actual leadership of his faction he always won, but that in recent years he turned the management over to less experienced hands with results not altogether satisfactory to enthusiastic Jones men. With Mr. Jones aggressively in the fight, they think, he will win a great victory for his faction. And that is the phase of the matter that he is said to have under consideration.

Should Mr. Jones become a candidate in the primary—which is to be held the first Saturday in June—he will surely be opposed by Mr. Bailey. This gentleman has told some of his friends that if either Mr. Armistead Jones or Mr. W. B. Jones aspires to the nomination, he will find Mr. Bailey opposing him. Mr. Bailey led the good government faction two years ago and, like Mr. Jones, can put up a good fight.

Political Enemies.

With these men opposing each other, all former campaigns in Wake county would look like a debate between two Sunday school classes. If the truth must be said, Mr. Bailey does not love Mr. Jones, and Mr. Jones does not love Mr. Bailey.

In the meantime both factions are said to be considering the best material possible for the other legislative candidates.

Big Guns to Fight It Out.

Men in both factions are hoping that compromise candidates can be agreed upon so that the county will not experience another warm campaign this political year, but it seems now that the people are to get the worth of their money and that the final battle will be fought by the big guns.

Mr. Bailey on Situation.

When Mr. Bailey was seen this afternoon and asked with regard to the report, he said: "You can say for me that there is no authority for the statement that I am to run for the senate." He added that he hoped there would be a harmony

He left a long note in his pocket stating that this act was on account of a girl with whom he was in love but the young lady's name has not been learned. Young Koonce was a brother of Mrs. W. F. Nunn, of this city, and had other relatives in Kinston.

## LIVELY FIGHT YESTERDAY.

Officer Wiggs and Wiley Strong Have Encounter—Pistol Drawn, But no Damage Done.

There was a lively fist encounter yesterday afternoon when Mr. J. A. Wiggs, special officer of the city, engaged in a fight with Mr. Wiley Strong. From Mr. Wiggs' statements it seems as if he was on his way from dinner, when Mr. Strong accosted him and accused him of being a certain kind of a liar. After a few words, the first lick was struck by Mr. Strong, who was accompanied by four friends, so claims Mr. Wiggs. After the fight had progressed, Mr. Wiggs thought the time had come to draw his pistol, which he did. Later he returned to his pocket and the fight was renewed. The case will be heard this afternoon before a magistrate.

DOGS AGAIN  
PUT ON TRAIL

Second Attempt to Run Allen and Edwards Down With Bloodhounds

Hillsville, Va., April 2. The second attempt to run down Shina Allen and Wesley Edwards with bloodhounds began today when the dogs were carried to a new trail in the Fancy Gap section of the Blue Ridge, near Floyd Allen's home. Positive information that the outlaws were seen in that section yesterday was brought to the detectives by Clyde Gray and Alexander McGraw, residents of the neighborhood. The two dogs being used in the search are the prize trophies of the state farm's park. It is reported on certain that they will lead the detectives to the outlaws within a given half a chance. According to the latest theory, the fugitives have been moving slowly back and forth between two bases of supplies, one being the home of a relative, Hubbard Easter, near where they were seen yesterday, and the other ten miles away through the mountains. Every available man was summoned to join the posse in the mountains. It was believed Shina Allen and Wesley Edwards had been located at Volunteer Gap, thirteen miles away. Sergeant White and Corporal Hartman, of the state militia, whose chief duties heretofore had been to guard Hillsville, left hurriedly to join in the search.

Today's report confirms a view that the Allens were moving eastward. It is assumed all available men have been gathered from Mr. Atry, N. C., and that bloodhounds are proceeding the detectives and pointing out the way.

Information reached here about noon that the posse had located two men and closely surrounded them. The posse is not able to approach close enough to learn their identity. They may be escaped criminals who have been prowling in the mountains, confusing the tracks of Allen. The detectives admit they have never before been so close to the fugitives as today, though the heavy fog may give the latter an opportunity to escape.

## Southern Settlement Appropriation.

Annapolis, Md., April 2. A bill appropriating twenty thousand dollars for the work of the southern settlement and development organization passed the legislature last night. The organization, whose purpose is to induce desirable immigration to the south, will be maintained by state appropriation and contributions from transportation companies and private individuals.

## Opponents of Smith

Bill Heard Today

Washington, April 2.—Opponents of the bill introduced by Senator Smith, of South Carolina, to regulate the selling of cotton futures, were heard by the senate committee on agriculture and forestry. C. B. Howard, of Atlanta, secretary of the Southeastern Cotton Buyers' Association, declared a great portion of the cotton crop in some years, especially the present year, could not be standardized as proposed by the bill. It would be unfair, according to several speakers, to make it a misdemeanor to sell cotton other than by the proposed standard.

George W. Neville, of New York; Lewis Brooks, of Augusta, Ga., and W. C. Lawson, of Waco, Tex., were among the speakers.

It might be well to remember that every man you deal with is looking for the best of it.
