## SPRING IN THE ATTIC.

(Harper's Weekly.)  
Treasured in the old cedar chest,  
Faint perfumes hung about it,  
With India shawl and satin vest,  
In paper wrapped we found it.  
The roses palled turned from pink,  
The ribbons frail and yellow,  
A bit of gauze, of lace, a link  
Grown fine and mellow.

O relic of a bygone day,  
A vintage past, forgotten,  
When girls wore bonnets made this  
way  
And danced in gowns of cotton,  
Why were you left to linger here,  
To pine alone in tissue?  
Did she, perhaps, decide you queer  
And never miss you?

Where is she now, that winsome girl  
Who one glad springtime wore  
you?  
Did she set dandies' head awlirl  
And hearts aflutter o'er you?  
And was the face beneath the brim  
Proud, pouting, shy, or simple?  
Tell us, O rosebud pinky dim,  
Was there a dimple.

Go back, O hat of other days,  
To shelter where we found you,  
Safe from our coldly modern gaze,  
Your spicy scents around you,  
For with some gallant, ardent swain,  
When midnight chimes emphatic,  
Your sweet old ghost may come  
again  
To walk the attic.  
—Kate Masterson.

## TWENTIETH CENTURY CLUB

Beautiful Meeting With Mrs. Her-  
bert E. Norris.  
It was an ideal meeting that the  
Twentieth Century Book Club had  
with Mrs. Herbert E. Norris, yester-  
day afternoon, at her beautiful home  
just north of the city. An ideal  
day, an ideal home and charming  
hospitality contributed toward mak-  
ing the meeting one of the most de-  
lightful enjoyed by the club. This  
season.

A perfect bower of roses, and  
beautiful purple, white and yellow  
iris met the guests as they were  
ushered in. Mrs. Norris also had a  
number of specially invited guests  
besides the club members.

The two southern writers dis-  
cussed at this meeting were Samuel Win-  
ton Peck, by Mrs. R. S. McGeachy,  
and Irwin Russell, by Mrs. H. J.  
Stockard. Mrs. V. C. Royster in her  
own humorous fashion discussed  
some topics, while Mrs. E. C. Dun-  
can charmingly gave the toast to the  
hostess.

A pretty compliment was offered  
to Mrs. W. W. Kitchin by the club  
in electing her an honorary member.  
The club received with pride and  
enthusiasm the announcement that  
their president, Mrs. E. C. Dunsan,  
had been elected the delegate from  
the state to the biennial Federation  
of Women's Clubs in San Francisco,  
in June. The club is indeed proud  
of the honor that has been conferred  
upon it.

## ASCENSION DAY SERVICES.

Feast of the Ascension of Christ to  
Be Observed Tomorrow in Churches.

Tomorrow is Ascension Day, a  
very high festival of the church,  
ranking hardly secondary in impor-  
tance with the great festivals of  
Christmas, Easter and Whitsun day.  
There will be services commemora-  
tive of Christ's ascension into  
heaven in several Raleigh churches.  
The day is especially emphasized  
in Episcopal and Roman Catholic  
churches.

## Mr. Bolt Leaves.

Mr. J. P. Bolt, cashier of the local  
branch of the Southern Bell Tele-  
phone Company, has been transfer-  
red to the Charlotte office in the  
material department, and Mr. G. C.  
Ashmore, of Greenville, S. C., has  
succeeded Mr. Bolt.

—There was no police court yester-  
day. The prospects for a large  
court today are rather small.

## Milady's Toilet Table

By Mme. D'MILLE

"The easiest way to preserve and  
restore youthful complexion is to  
lightly massage the face, neck and  
arms with a solution made by dis-  
solving an original package of may-  
tane in eight ounces of witch hazel.  
No powder is necessary, for may-  
tane prevents that 'shiny' look and  
keeps the skin soft, satiny and al-  
together lovely.

"The hair can be kept light and  
fluffy, and beautifully lustrous, by  
dry shampooing. Mix four ounces  
of powdered orris root with an  
original package of therox, sprinkle  
a little and liberally wash thro-  
ughly through the hair. If any-  
thing will make the hair grow,  
therox will.

"Nothing is more humiliating to  
a woman than hair on her face. Wild  
hairs can be quickly and safely re-  
moved by applying delatone paste.  
Mix enough powdered delatone with  
water to cover the hairs; leave on  
for two minutes, then wipe off, wash  
the skin and the hairs will be gone.

"Many suffer now from tired,  
sore, swollen or aching feet. No-  
thing will give quicker relief than  
Mother's Salve. It is easy to use,  
quick to act, and relieves pain in any  
part of the body—headache, back-  
ache or sore muscles."

## HORSE FAILS TO ENTER STORE

Suffering from some delusion un-  
known to the human mind, a hand-  
some black horse became frightened  
at a street car this afternoon at 2  
o'clock and deliberately walked into  
the plate glass window of the Peo-  
ples & Edwards shoe store, demol-  
ishing the window and cutting him-  
self in several places.

The horse belongs to Mr. C. O. Poole,  
and was hitched to a Southern Dairy  
wagon and was left standing in  
front of the store. The car passed  
and the horse made a break and  
broke things up. He was standing  
with his fore feet in the window and  
vainly striving to get his other feet  
in too when he was rescued. The  
window was shattered into a thou-  
sand pieces and the wonderful part  
was that the horse was only slight-  
ly cut. The whole distance of his  
run from start to finish was only  
fifty or twenty feet. The damage  
to the window will amount to about  
\$75.00.

## RICHESON IN DEATH HOUSE

Passed First Night Tossing On His  
Cot—All Alienists Have Not Re-  
ported.

Boston, May 15.—Clarence V. T.  
Richeson, confessed poisoner of Avis  
Linnell, passed his first night in the  
state prison death house at Charle-  
ston tossing on a cot. Breakfast from  
prison kitchen was served the morn-  
ing. He ate little. Rev. Herbert  
Johnson, a Baptist minister, visited  
Richeson. Many persons, morbidly  
inclined, vainly sought permission to  
inspect the death house, evidently in  
the hope that they might get a  
glimpse of Richeson. The warden  
has suspended all visiting privileges  
for three weeks. Governor Foss has  
not received the reports of Drs. Ste-  
dman, Tuttle and Frost, alienists ap-  
pointed to examine Richeson as to  
his sanity. As it is not expected  
Richeson will be summoned to the  
death chair before Tuesday morn-  
ing May 21, there is time for the  
executive council action that may re-  
sult in commutation of the sentence.

## AFTER CONVENTION

Charlotte Representatives Here for  
Next Convention.

Charlotte, May 15.—A committee  
of prominent Charlotte business and  
professional men appointed by the  
president of the Greater Charlotte  
Club is in Raleigh today, in the in-  
terest of the Queen City's bids for  
the second convention of the state  
republican party, which will name  
the state ticket. This committee is  
composed of A. J. Draper, chairman,  
S. S. McNinch, E. M. Bell, J. F.  
Newell, Dr. Warren Vine Hall, and  
Judge J. E. Little, will remind the  
convention of the promise of the  
state republican executive commit-  
tee made at its recent Raleigh meet-  
ing to have the second convention at  
Charlotte.

Besides the committee the dele-  
gates to the convention and a num-  
ber of interested, unofficial citizens  
have gone from here to be in at-  
tendance on the convention.

## THE OFFICERS BUSY

All Reduced to Rank and  
Studying Tactics

Camp Leinster Makes All Serve as  
Privates, Irrespective of Rank—  
Report Good Work Done by Men—  
—To Close Saturday.

Camp Leinster presents the scene  
of a regular war camp now, and all  
is bustle and work with the regu-  
larity of clock work. Over 150 of-  
ficers of the North Carolina National  
Guard have gathered on the old  
camp grounds of the North Caro-  
lina soldiers during the Spanish war  
for the "Guard School."

A visit to the camp early this  
morning showed the majors, colo-  
nels, and high officers in the line,  
acting as sergeants and corporals.  
Every officer in camp has only the  
rank and privileges of the "back-  
private" in the army. The school is  
under the direct supervision of Gen-  
eral Leinster, for whom the camp is  
named, and five regular army of-  
ficers, who are putting the men  
through the war tactics and drills  
with regular army equipment. Each  
morning the school goes out for the  
10-mile hike and the different man-  
oeuvres are gone through with and  
studied. The whole plan of battle is  
carefully gone over and explained,  
and afterwards the officers are given  
a verbal examination. The rank-  
ing officers report great progress of  
the men and say that the school will  
be of great help to the state, for it  
teaches the officers the practical  
working order of the manual. The  
school closes Saturday.

## ADMITS BEATING WRONG BOY

Chaplain Gives 48 Lashes on 11-  
year-old's Bare Back.

Concord, N. H., May 15.—"I made  
a mistake" was the admission today  
of the Rev. John Knox Tibbets,  
chaplain and superintendent in Mill-  
ville Orphan's Home, in regard to  
the 48 lashes he gave 11-year-old  
Arthur Watson on the bare back.  
"It was an error of judgment,"  
said Mr. Tibbets, who thinks too  
much has been said about the inci-  
dent for the general good. He said  
he thought that when he was dis-  
charged in Concord municipal court  
on a charge of aggravated assault  
on the Watson boy the matter was  
ended. The boy was struck with a  
3-foot stick for stealing 35 cents and  
some shoe-strings.

## MAY HAVE PARIS BANDIT

Berlin Police Arrest Man Suspected  
of Being Garnier.

Berlin, May 15.—The police here  
are detaining a man suspected of  
being the Paris Motor Bandit  
Garnier. He was arrested as he was  
entering the Cinematograph theatre  
R Postdamstrasse in the company  
of two French women. The arrest  
was effected on the strength of in-  
structions from Paris. The man is  
amazingly like photographs of  
Garnier. He came to Berlin last  
week and protests that he is a Ger-  
man who had lived in France for the  
last three years. He was carrying a  
loaded automatic pistol when cap-  
tured.

## Robbers Get Away With Stolen Loot

(Continued From Page One.)

he determined. The sum stolen is  
variously estimated between fifty  
thousand and a hundred and fifty  
thousand. The latter is probably  
correct. Sheriff Bennett and a posse  
are in pursuit of the escaped band-  
its. Bloodhounds are leading the  
way. It is believed the two bandits  
fled on horses in charge of a third  
robber, in the nearby woods. None  
of the passengers were molested.  
When the train reached Hattiesburg,  
the express messengers inspected the  
rifle car. They found scattered on  
the car floor about three hundred  
silver dollars. In the car it is said  
there was one package of money  
representing the pay roll of the Ala-  
bama and Vicksburg Railroad at  
Meridian and twenty-five packages  
of cash representing remittances of  
express agents, besides several sacks  
of silver, packages of currency, pack-  
ages of jewelry, stock certificates  
and bonds.

## King Dies In Streets

(Continued From Page One.)

with loud cheers from the enormous  
crowd. Throughout the day church  
bells have been tolling. At the  
palace many telegrams of condolence  
from rulers arrived, including one  
from President Taft.

## FIVE ACRES STOCK YARD PENS BURNED

Kansas City, May 15.—Fire swept  
over five acres of cattle pens in the  
stock yard and nearly two thousand  
head of cattle were burned. The  
loss is a hundred thousand dollars.  
The government tuberculosis testing  
station was destroyed.

## Atlanta Pressmen in a Fight.

Atlanta, May 15.—The first vio-  
lence in connection with the press-  
men's strike on Hearst's Atlanta-  
Georgian occurred last night. Strike-  
breakers and union men from the  
Journal engaged in a fight. Three  
union men, including F. B. Brigman,  
president of the Atlanta local, are  
in a hospital, badly beaten.

## NOMINATES JAKE NEWELL

Ninth District Names Him to Succeed  
Morehead—Other News.

Hickory, May 15.—The republican  
convention of the ninth congression-  
al district was held in the Academy  
of Music yesterday. The convention  
assembled at 9 o'clock and adjourned  
at 12. The session was continu-  
ous and important business soon  
disposed of.

Hon. J. Yates Killian was made  
permanent chairman of the conven-  
tion. Messrs. S. S. McNinch, of  
Charlotte, and Chas. E. Green, were  
elected delegates to the national  
convention in Chicago. A resolution  
indorsing Colonel Roosevelt was  
passed by an overwhelming major-  
ity. The delegates being strong  
Roosevelt men, it was deemed un-  
necessary to instruct them.

Hon. Jake F. Newell, of Charlotte,  
was endorsed to succeed John M.  
Morehead as chairman of the state  
executive committee. Hon. J. Yates  
Killian, former member of the leg-  
islature from Catawba, was indorsed  
as a member of the state executive  
committee from this district.

Many prominent republicans from  
over the district were in attendance.  
At a meeting of the board of  
advisers Monday night, Attorney  
M. H. Yount was elected recorder to  
succeed D. L. Russell, who served  
for the past two years. There was  
quite a little opposition to Russell  
on account of the suspension from  
the police force of Stacy Newton,  
two weeks ago for what was con-  
sidered a minor offense. The sym-  
pathy of the citizens of the city was  
with Newton. At the meeting Mon-  
day night the new board reappoint-  
ed him. Chief Shell was also re-  
appointed.

## DRESSING UP

Beginning to Decorate for Twentieth  
May Celebration—Games Changed

(Special to The Times.)

Charlotte, May 15.—Charlotte is  
already beginning ten days in ad-  
vance, to put on a part of its gala  
attire in which it will appear the  
week of May Twentieth on the oc-  
casion of the Sigmor's Celebration  
and the Manufacturers' Exposition.  
Three carloads of bright colored  
flags rented or loaned by the United  
States government have just ar-  
rived and are being placed by a  
decorative firm secured especially for  
the work.

The scheme of decorations is not  
confined to flags by any means, as-  
serts the committee which has the  
affair in charge. Thousands of in-  
candescent lamps will light the  
street at night, making the scene  
one of unusual brilliancy. Merchants  
are voluntarily planning to decorate  
their stores inside and out on an  
elaborate scale.

One of the most interesting an-  
nouncements made in connection  
with the week's celebration is that  
the Charlotte-Spartanburg games  
which were to have been played at  
Spartanburg May 20-21-22 will be  
transferred to this city for the sake  
of the interest which the occasion  
centers in them.

## Porto Rico's New Wonder.

From far away Porto Rico come  
reports of a wonderful new dis-  
covery that is believed will vastly  
benefit the people. Ramon T. Mar-  
cham, of Barcelona, writes "Dr.  
King's New Discovery is doing splen-  
did work here. It cured me about  
five times of terrible coughs and  
colds, also my brother of a severe  
cold in his chest and more than 20  
others, who used it on my advice.  
We hope this great medicine will yet  
be sold in every drug store in Porto  
Rico." For throat and lung troubles  
it has no equal. A trial will con-  
vince you of its merit. 50c and  
\$1.00. Trial bottle free. Guaranteed  
by King-Crowell Drug Co.
