Edgecombe County, N. C., May 3d, 1867. DR. J. J. LAWRENCE-Dear Sir :- Please send me immediately per Express to Tarboro', two dozen more bottles of your Rosadalis. I have carefully examined its Formula, and have used it in my practice in a number of cases. I am well pleased with it. I think it, beyond doubt, the best Alterative I ever used. I have tried it in several cases of Scrofula and Scrofulous affecions, &c., with much satisfaction to myself and patients. I have also used it in Secondary and Tertiary Syphilis, [one a terrible case of eight years' standing,] in which it acted with surprising and satisfactory effect-making a quick and thorough cure. I have, therefore, no hesitation in recommending it to Physicians and others, as the most reliable Alterative now known.

HOME CERTIFICATE. I hereby certify that last September I was at acked with White Swelling of the left kneeand also with an enlargement of the glands of the neck—[one tumor reached a large size.] The swelling of the knee was enormous, and was attended with the most excruciating pains. I was so reduced that I was confined to my room over three months. My leg was so completely drawn up that I could not bend it all. I tried various remedies, and they failed to give me any relief. I was in this condition when I commenced taking Dr. Lawrence's Rosadalis. The swelling in the knee and neck began to subside before I took all of the first bottle. By the time I took the second bottle, the swelling of the neck entirely disap-peared, and that of the knee nearly so. After taking three bottles I found myself completely

well—able to walk as well as ever, &c.
