CHARIOT.

BRED by John Clifton, Esq. who kept and ran him until October, 1796, when he was purchased by Sir William Gerard, Baronet. He was got by the celebrated Horse Highflyer, his Dam Potofi by Old Eclipse, a Mare of as great Fame as any in England.

CHARIOT is a fine dark Bay, stands nearly 16 Hands high, and for Bone, Slew, symmetry and Action, is scarcely to be equalled. His Running enables him to ranked amongst the first Horses in this Country. His Excellence has been distinguished in four Mile Races, and in no Instance where the Contest was great, but he proved successful, having generally run four Heats to secure the Race.

CHARIOT now exhibits the greatest Health and Vigour. Will stand this ensuing Fall Season at the Subscribers Store on North-buff, Granville County, State of North Carolina, 9 Miles from Halkins's Ferry, 6 Miles from Williamborough, and 16 from Waverton; and will be let to Mares at Ten Dollars the Leap, paid at the Stable Door; Twenty Dollars the season, payable the first Day of January next; and Forty Dollars to insure a Foal, and in every Instance Half a Dollar paid to the Groom at the Stable Door. The Season may be discharged by the Payment of Sixty Dollars, if paid by the 1st Day of November next. The Fall Season will commence the 15th Day of August, and will end the 15th Day of October. In Cases of Insurance, the Money will be returned if the Mare does not prove with Foal, provided the Property is in no Instance changed.

CHARIOT is a fine Foal-getter, as appears from Certificates sent with him. The Gentleman who imported him, purchased him in England himself, and had an Opportunity of seeing his Coats, they being large, gay, elegant and brightly, was his Innocent to purchase him.

Good, extensive and well inclosed Pasture, gratis, and every Care and Attention paid to prevent Accidents or Escapes, but will not be liable for any that may happen.
