Valuable Medicines.

The Public are respectfully informed, that LEE & Co. and the Agents of their Appointment, will in future keep a constant supply of the following Medicines, which are in high esteem, and general use throughout the United States, many of them being sold cheaper than the Drugs of which they are compounded, could be purchased at a Retail Store.

HAMILTON'S

Genuine Essence and Extract of MUSTARD.

A safe and effectual Remedy for acute and chronic Rheumatism, Gout, Rheumatic Gout, Palsy, Lumbago, Numbness, white Swellings, Chilblains, Sprains, Bruises, Pains in the Face and Neck, &c.

This valuable remedy is prepared both in a fluid state and in pills, and thus excellently adapted both for external and internal use.

The Pills operate mildly by urine, and by insensible perspiration, expelling the superfluous and morbid humours; they are highly cordial to the stomach, create appetite and digestion, remove flying pains, and cold or windy complaints in the stomach and bowels.

The Essence is a wonderful Tonic to the Pills, in Rheumatism, Gout, Lumbago and Palsy; and by its peculiar penetrating and dispersing quality, removes the most violent Sprains, bruises, numbness, stiffness of the neck, joints, &c. Swelled faces, headache, unadvised breaths, white swellings, frozen limbs, &c. and will infallibly prevent the ill effects of wet or damp in the feet.

Some may be surprised that his medicine should be prescribed with equal success in such a variety of cases, but this miracle will cease when it is recollected that all these complaints result from the same cause—allowance in the circulation of the lymph, or obstruction in the lymphatic vessels.

From Dr. Weatherburn, Wythe County, Virginia.

Gentlemen,

I purchase at your shop the preparation you call Hamilton's Essence or Extract of Mustard, which I believe has perfectly removed a Chronic Rheumatism (of that kind named Sciatica, or of the hip joint) under which I had laboured for a long time, and which had baffled every article in the Materia Medica, and every mode of treatment received into practice for the cure of this obstinate disease. If you think this letter useful, you are at liberty to make it public.

Yours, &c. P. WEATHERBURN.

John Hoover, ripe maker, South Second-street, between May and Christian-streets, Philadelphia, voluntarily maketh oath as follows, namely—that his wife, Mary Hoover, was so severely afflicted with violent Rheumatism, very dangerously situated, the consequence of a fever cold after lying in, as to be confined to her bed for several weeks, and was at length reduced to the melancholy apprehension of remaining cripple for life, notwithstanding the most respectable medical advice was followed, and every probable remedy attempted, when seeing several cures of cures performed by Hamilton's essence and Extract of Mustard, they were procured from Mr. Birch, No. 17, South Second-street. The first application enabled her to walk across the room, and the use of one bottle restored her to her usual state of health and strength.

JOHN HOOVER.

A dose never fails to remove a cold if taken on its first appearance—they are celebrated for removing habitual constiveness; sickness at the stomach and severe head-ache; and ought to be taken by all persons on a change of climate.

They have been found remarkably efficacious in preventing and curing disorders attendant on long voyages, and should be procured, and carefully preserved for use by every seaman.

VENEREAL DISEASE:

Those whom this unfortunately may concern, are informed that a fresh supply has now been received of

The Patent Indian-Vegetable Specific, Prepared by Dr. LAROUS.

The experience of several thousands who have been cured by this medicine (a great proportion of them, after the skill of eminent physicians had proved ineffectual) demonstrate its efficacy in expelling the Venereal Poisons, however deeply rooted in the constitution, and in counteracting these dreadful effects which often result from the improper use of mercury.

The mildness of the Vegetable Specific is equal to its surprising efficacy, its operation is so gentle that it is given to Venereal patients in a state of pregnancy, with the utmost safety, and performs a cure without disturbing the system, or producing any of those disagreeable effects inseparable from the common remedies.

With the medicine is given, a description of the symptoms which obtain in every stage of the disease, with copious directions for their treatment, so as to accomplish a perfect cure in the shortest time, and with the least inconvenience possible.
