Late one of the Judges of the Supreme Court
of North-Carolina.

COEUR DE LION.

PEDIGREE.

HE was got by Highflyer, his dam,
Dido by Eclipse, Grandam by Spectator,
Great Grandam by Blank, great, great grand-
dam Lord Legge’s Diana, by Second, great,
Great Great Grandam by Stanyan’s Arabian;
Great Great Great Grandam by King
William’s Black Barb; Great Great Great
Great Grandam by Makelefs, out of a
Royal Mare. JOHN HUOMES.

Eclipse is reputed to have been the best
Horse ever raised in England. Highflyer
was the favourite Crofs for Eclipse Mares;
and when Dido, who was considered to be the
best Mare of her Day, was put to him, nothing
inferior to an excellent Colt could have been
expected. Coeur de Lion equals Expectation;
and had it not been for the Accident which
ruined his Leg, he would not probably have
ever seen America. He, however, left Colts
behind him to support his Credit. See the
Racing Calendar of 1800, July, the hand-
some Performance of Mr. Vernon’s Filly, at
three Mile Heats, and September, the power-
ful Running of Mr. Sanders’ Filly, at four
Mile Heats. If, in addition to the distance,
it be considered that these Fillies were three
Years old, that the Colts of the same Age
were beaten and disgraced, and that an aged
Horse prevailed only by Reputation, these
performances will reflect Honor on Coeur de
Lion. His oldest Colts in Virginia are also
on the Turf. I have a letter from a respecta-
ble Gentleman of Culpepper county, which
mentions, that on the 11th November last, a
Purse, free for all Ages, four Mile Heats,
was run for, and that Col. Jones’s Colt Mar-
cellus, though three Years old only, decided
the Race by distancing six others the first Heat.
The next Day Mr. George Allen’s Filly won
a Sweepstake for three Years old, beating
four others with great Ease. If his Colts be
considered not as Objects of Amusement only,
but as Animals for Service, as Carriage or
Saddle Horses, or as Horses for the Troop,
they will be found excellently fitted by their
Size, Figure, Colour, and Spirit.

Since the first of January, Coeur de Lion
has enjoyed every Advantage arising from a
clean Stable, Variety of Grain, an excellent
Wheat Lot, and moderate Exercise. He is
now ready to cover Mares at my Stable, two
and a half Miles East from Louisburg, for
twenty Dollars the Season, with chargeable
with sixteen and a Half the 20th February,
1804; thirty an Insurance; ten, ready Mo-
ney, a Leap, and a Quarter to the Groom.
Any Mare put by the Leap, may have the
Remainder of the Season for twelve Dollars,
which may be discharged at the time above
mentioned, by Payment of ten Dollars.

Corn at Market Price—Servants’ Board
gratis. Good Pasturage well secured, proper
Attention to Mares, but no Liability for Ac-
cidents or Escapes.

DESCRIPTION.

Coeur de Lion is a beautiful Bay, with
black Mane, Tail, Legs, and Hoofs, and has
a Star on his Forehead. He is fully sixteen
Hands high, and proportionably long and
large; has an unusual Share of Power and
Majesty; a fine Temper, and a flowing Spirit.

London, in the Ship Ridon, which arrived
at Norfolk the latter End of December last,
now in high Health and Vigour, will stand
the ensuing Season at my Stables in Warren-
ton, and will be let to Mares at Five Guineas
the Season, which may be discharged by the
Payment of Four, on or before the first of Jan-
uary next, or seventeen Dollars if paid
within the Season; Two Guineas the Leap,
paid when the Mares are covered: Insurance
double the Price of the Season, same Terms
and Times of Payment. Should the Property
of any Mare be changed, the Insurance will
be demanded in every Instance. Should a
Mare insured not prove with Foal, the Mo-
ney will be returned.

The Season will commence on the 10th of
March, and end the 10th of August next.
Good and extensive Pasturage, well inclosed,
at my Plantation within a Mile of Warren-
ton; and Servants sent with Mares boarded
gratis. No Liability for Accidents or Escapes;
but the greatest Care shall be taken to prevent
either. Mares fed well, if required, at 20
Cents per Day.

Mar. 1, 1803. M. DUKE JOHNSON.

Magic is nine years old, a horse of elegant
form and great powers, full fifteen and a half
hands high, and as well bred a horse as any
in England. He was got by Volunteer, one
of the best sons of Old Eclipse, and sire of
Spread Eagle, Eagle, Stirling, Triumph,
Recruit, Commodore, &c. &c. out of Mar-
cella. Marcella was got by Mambrino, her
dam Medea by Sweetbriar, out of Angelica.
Angelica by Snap—Regulus—Bartley’s Chil-
ders—Honeywood’s Arabian—Dam of the
Two True Blues.

Magic has covered in England the three
last years. His Produce are considered large
and promising.

PERFORMANCES.

See the Racing Calendar for 1797. He
received from Mr. Bowes’ colt Sadler, fifty
guineas at Newmarket. He won a sweep-
stake against Whip, Mother Shipton’s others
at Lewes; and a match at Newmarket with
Louis; and also a match against Mr. Con-
cannon’s Knighted. In 1798, he won the
Petworth Stakes at Brighton, beating Wrangle-
ler, Johnny, Bennington, Play or Pay, and
two others. At Lewes, he won a sweepstake
against Whip and two more. He walked

over for the King’s plate at Canterbury, and
won the city plate. In 1799, he won one
hundred and twenty guineas, at Richfield,
beating Robt. Redbreast, Conon and four
others; and a plate at Leicester.

M. D. JOHNSON

CHARIOT.

Bred by John Clifton, Esq. who kept a
run him until October, 1796, when he was
purchased by Sir Wm. Gerard, Baronet. He
was got by the celebrated Horse Highflyer,
his Dam Potosi by Old Eclipse, a Mare of as
great Fame as any in England.

Chariot is a fine bay, stands nearly sixteen
Hands high, and for bone, Sinew, Symmetry
and Action, is scarcely to be equalled. His
Running entitles him to be ranked amongst
the first Horses in this Country. His Ex-
cellence has been distinguished in four-mile
Heats, and in no Instance where the contett
was great, but he proved successful, having
frequently run four Heats to decide the Race.

Chariot now exhibits the greatest Health
and Vigour, and will stand the ensuing Sea-
son at

JAMES LYNE’S HOUSE,

Within one Mile of the Subscribers’ Store, at
Nantwich, Granville County, North-Carolina,
Nine Miles from Hawkins’ Ferry, six Miles
from Williamsborough, and sixteen from
Warrenton;

And will be let to Mares at Ten Dollars
the Leap, paid at the Stable Door: Twenty
Dollars the Season, payable the first Day of
October next; and Forty Dollars to insure
a Foal: And in every Instance, Half a Dollar
to the Groom at the Stable Door.

The Season may be discharged by the Pay-
ment of sixteen Dollars, if paid within the
Season, which commenced the first Day of
March, and will end the tenth Day of Au-
gust. In cases of Insurance, the Money will
be returned if the Mares do not prove with
Foal, provided the Property is in no Instance
changed.

Chariot is a sure Foal-getter, as appears
from certificates sent with him. The Gen-
tleman who imported him, purchased him in
England himself, and had an opportunity of
seeing his Colts; they being large, gay, ele-
gant and sprightly, was his Inducement to
purchase him: His Colts in this country are
equal, if not superior, to those of any Horse
on the continent.

Good, extensive, and well inclosed Pastu-
rage, with one hundred Acres laid down in
Wheat, Rye, red and white Clover, gratis;
and every care and attention paid to prevent
Accidents or Escapes, but will not be liable
for any that may happen. Notes of Hand
will be expected with the Mares put to him,
either by the Season or Insurance.

Chariot being the sole Property of the Sub-
scribers, they have it in their Power to pledge
themselves for pointed attention being paid to
such Mares as may be sent to him.

JAMES & HENRY LYNE.

Those Gentlemen who wish their
Mares fed with Grain, may be furnished with
Corn at two Dollars and a half a Barrel. Those
bringing Mares boarded gratis.

rod, son of Tartar, son of Partner, out of

bian; great great grandam by Godolph Arab-

I have about thirty Acres of Land well in-
closed, or good Clover, and a great part of it
fine Meadow Land. Pasturage gratis. Mares
if required, fed at a reasonable Price. I will
not be accountable for Accidents, but great
care will be taken of Mares left with the
Horse.

BURRAMPOOTER

Is rising four Years old, a fine bay, about six-
teen hands high, elegantly formed, lengthy,
strong-boned, and said by the best of judges,
to be as fine a Colt as his Sire Dare-Devil is
a Horse, being like him in every Part, Shape
and Size. His Pedigree will show him
to be as fine a blooded Colt as any in America.

Burrampooter was got by the imported
Horse Dare-Devil, his dam by Wildair, his
grandam by Fearnought, imported by Col.
Baylor of Virginia; his great grandam by Go-
dolphin, who was got by Fearnought out of a
full blooded Mare; his great grandam by the
imported Horse Hob Nob; his great, great,
great grandam by the imported Horse Jolly
Roger, his great, great, great, great grandam,

was got by the old imported Jolly Roger, out
of a full-bred Hob Nob Mare.

Demagorus is a sure Foal-getter, and his
Colts are large and likely. He is in great
