Ours are the plans of fair delightful peace. Unwarp'd by party rage, to live like brothers,

MONDAY, JUNE 25, 1804.

No. 246

By Authority.

VOL. V.

LAWS OF THE UNITED STATES.

AN ACT

Supplementary to the act, entitled " An act providing for a naval peace establishment and for other purposes.

BE it enacted by the Senate and House of Representatives of the United States of America, in Congress assembled, That the President of the United States be, and he is hereby authorised to attach to the navy yard at Washington, and to the frigates and other vessels laid up in ordinary in the Eastern Branch, a captain of the navy, who shall have the general care and superintendance of the same; and shall perform the dnties of agent to the navy department, and shall be entitled to receive for his services, the pay and emoluments of a captain commanding a squadron on separate service. And the President of the United States is hereby further authorized to attach permanently to the said navy yard and vessels, one other commissioned officer of the navy, who shall receive for his services, the pay and emoluments of a captain commanding a twenty gun ship, one surgeon and one surgeon's mate of the navy, who shall be severally allowed for their services, the same pay, rations and emoluments as are allowed to a surgeon and to a surgeon's mate in the army of the United States; one sailing master, one head carpenter, one plumber, one head-blockmaker, one head cooper, two boatswains, two gunners, one sail-maker, one store-keeper, one purser, one clerk of the yard, and also, such seamen and marines, as in the opinion of the President shall be deemed necessary; Provided, That the number of seamen or marines, shall not at any time be greater than what is at present authorised by the act to which this is a supplement. Sec. 2. Be be it further enacted, That,

that part of the act to which this is a supplement, which attaches to each frigate laid up in ordinary, one sailing master, one poatswain, one gunner, one carpenter, one cook, one sergeant or corporal of marines, and to the large frigate twelve, and to the small frigates ten seamen, and which declares that the sailing master shall have the care of the ship, and shall execute such duties of a purser as may be necessary, shall be, and hereby is repealed.

NATHL MACON, Speaker of the House of Representatives JESSE FRANKLIN,

President of the Senate pro-tempore Approved, March 27, 1804. TH: JEFFERSON.

AN ACT

Further to protect the commerce and seamen of the United States, against the

Barbary powers.

BE it enacted by the Senate and House of Re presentatives of the United States of America, in Congress assembled, That for the purpose of detraying the expences of equipping, officering, manning and employing such of the armed vessels of the United States, as may be deemed requisite by the President of the United States, for protecting the com merce and seamen thereof, and for carrying on warlike operations against the regency of Tripoli, or any other of the Barbary powers, which may commit hostilities egainst the United States, and for the purpose also of defraying any other expences meidental to the intercourse with the Barbary powers, or which are authorised by this act: A duty of two and a half per centum ad valorem, in addition to the duties now imposed by law, shall be laid, levied and collected upon all goods, wares and merchandize, paying a duty ad valorem, which shall after the thirtieth day of June next, be imported into the United States from any foreign port or place: And an addition of ten per centum shall be made to the said additional duty in respect to all goods, wares and merchandize imported in ships or vessels not of the United States: and the duties imposed by this act shall be levied. and collected in the same manner, and under the same regulations and allowances as to drawbacks, mede of security and time of proment respectively, as are already prescribed by law in relation to the duties now in force on the articles on which the said additional duty is laid by this act.

Sec. 2. And be it further enacted, That a distinct account shall be kept of the duties imposed by this act, and the proceeds thereof shall constitute a fund, to be denominated "The Mediterranean Fund," and shall be applied solely to the purposes designated by this act : And the said additional duty shall cease and be discontinued at the expi ration of three months after the ratification by the I resident of the United States of a treaty of peacewith the regency of Tripoli; unless the United States should then be at war with any other of the Barbary powers, in which ease the said additional duty shall cease and be discontinued at the expiration of three months after the ratification by the President of the United States of a treaty of peace with such power; Provided bowever, That the aid additional duty shall be collected on all ach goods, wares and merchandize, liable to by the same, as shall have been imported previous to the day on which the said duty and useful accomplishments. sto cease.

deem it necessary, shall be, and is hereby achorized to cause to be purchased or built, officered, manned and equipped, two vesets of war, to carry not more than sixteen fun each, and likewise to hire or accept on

oan in the Mediterranean sea, as many gun boats as he may think proper.

Sec. 5. And be it further enacted, That a sum not exceeding one million of dollars, to be paid out of any money in the treasury not otherwise appropriated, shall be, and the same is hereby appropriated (in addition to the sum heretofore appropriated for the same objects) for the purpose of defraying any of the expences authorized by this act, which may be incurred during the present year; Or if necessary the President of the United States is hereby authorised to borrow the said sum, or such part thereof as he may think proper, at a rate of interest not exceeding six per centum per annum, from the bank of the United States, which is hereby empowered to lend the same, or from any other body or bodies politic or corporate, or from any other person persons; and so much of the proceeds of the duties laid by this act, as may be necessary, shall be and is hereby, pledged for replacing in the treasury, the said sum of one million of dollars, or so much thercof as shall have been thus ex pended, and for paying the principal and interest of the said sum, or so much thereof as may be borrowed, pursuant to the authority given in this Section; And an account of the several expenditures made under this act shall be laid before Congress during their next session,

NATHL. MACON, Speaker of the House of Representatives. JESSE FRANKLIN, President of the Senate pro-tempore: Approved, March 25, 1804. TH: JEFFERSON.

THOMAS HADLEY. May 18, 1804.

MEDITERRANEAN PASSPORTS.

TOTICE is hereby given, that it has been deemed expedient to change sueform of the Mediterranean - Passport isfrod to vessels of the United States; that them the eighth Day of July next, those of H new form will be issued at the Custom-

ouses to every Vessel, for which application may be made on a compliance with the terms prescribed by law, and surrendering the former passport of which she may be possessed, if any, in which latter case no ices will be required for the exchange: and that by an arrangement agreed upon by the Barbary Powers, with whom we are at peace, either the old or the new form of passport will be sufficient to protect the vessels of the United States from capture, until the 1st of July 1805, after which the old form of passport will be unavailable and the new one alone in user Department of State, 7

May 23d, 1804. The Printers of the Laws of the United States are requeseed to insert the above in their Gazettes twice a weik for the space of six months, and the Collectors of the Customs to keep Copies of it posted up in their offices.

UNIVERSITY OF NORTH-CAROLINA

THE annual Examination of the Students belonging to this Institution will commence on the 4th of July next, and the following persons constitute the Committee of Visitation, whose duty it is to attend the Examination and to report to the Board of Trustees the progress of the Students in the several Classes, viz:

David Stone, John Moore, William Gaston, Nat. Alexander, Richard Bennehan, Benjamin Smith, Duncan Cameron. Wm. Hawkins, The inattention which has been too often

shewn to the duties of the Committee of Visitation has produced no small injury to the interests of the University; and when it is recollected of how much importance it is,that the persons appointed to attend the annual Examination should fulfil the object of their appointment, the Board of Trustees flatter themselves that this consideration will insure the punctual attendance of the

Members abovementioned. A general meeting of the Trustees will be held during the Examination, and it is hoped, that as many of them will attend as can-

make it convenient. GAVIN ALVES, Secretary ... Hillsborough, May 1st, 1804.
