CHOICE LANDS
FOR SALE.
A Division of the famous Saura
Town Lands having taken place be-
tween the Heirs of James Parke Farley,
Esq. dec. and Colonel John S. Farley, and
his Sister Mrs. Elizabeth Morson, the said
members Robert Taylor, of North, and
Charles Duncan, at Roslin, near Peterburg,
are fully empowered by the said Col. Farley
and Mrs. Morson, to dispose of their prop-
erty, containing 12832 Acres, which are
surveyed and divided into eight lots,
containing from 500 to 2800 acres, agree-
ably to parts in the possession of the said
Duncan. The four largest lots are of ex-
cellent quality, each containing a consider-
able proportion of the rich stow grounds,
which produce Tobacco of the very first
quality, as has been experienced by one of
the Subscribers, who shipped it for a num-
ber of years.
These lands lie on Dan and Smith's Ri-
vers in Rockingham County, on the Borders
of North-Carolina, about 170 miles from
Peterburg and Richmond. As there is
seldom such Lands for Sale, they must be
an object to those who want to purchase
such as will produce fine Tobacco, Hemp
and small Grain. One third of the Price
must be paid in ready Money, one third
in twelve months, and the other third
in two years, the Purchaser giving Bond
with unexceptionable Security, bearing In-
terest from the date if not punctually paid.
Those that wish to purchase, will be
shewn the Lands by Dr. John C. Cox, liv-
ing at Leesville, near Rockingham Court-
House; and the Terms by
ROBERT TAYLOR,
CHARLES DUNCAN,
Peterburg, Nov. 15 84.

Latest from Europe.
By the ship Union, Captain Johnson, ar-
rived at New-York, in 34 days from
Liverpool, London papers were received
to the 5th of April, from which the fol-
lowing are extracts.
GOTTENBURG, MARCH 14.
Letters received from Lubeck to-
day, confirm the accounts brought
by the last post, that French troops
occupy all the villages round that
city, and not a waggon or cart with
goods is permitted to come out of
it. The object of this, it is said,
is to stop all English commodities.
Great fears are entertained, that it
is not the only one, but contribu-
tions will also be demanded.
MARCH 29.
The Boulogne flotilla have again
began to venture into the outer
roads. The day before yesterday
about 130 of their gun boats and
large praams made their appearance
in the outer roads, where they
practiced some manœuvres, but
took especial care to keep under
the protection of their batteries.
There appear to be 2000 vessels of
different sizes in Boulogne harbour.

LONDON, APRIL 5.
Bonaparte has been chosen King
of Italy. The decrees of govern-
ment are now issued in the name of
"Napoleon, by the grace of God,
and the constitutions, Emperor of
the French, and King of Italy."
Piombino has been erected into
a principality, and his sister Eliza-
princess Borghese, has been invest-
ed with the sovereignty of it, but
as a fief of France. The ostensible
motive for the erection of this new
power in the heart of Italy, is to
succour the French garrison in the
island of Elba, and to provision it
when necessary.
We have received Paris Journals
to the 21st. The Paris Gazette
mentions the death of admiral Bruix
and the approaching christening of
the infant Napoleon Louis, by the
hands of the holy father. The so-
vereign Pontiff, it is said will be al-
lowed to cross the Alps, after this
ceremony.

Intelligence is hourly expected
respecting the Brest Fleet, as by the
latest accounts there was a proba-
bility of a partial action at least be-
ing brought on between it and our
Channel Fleet.
The accounts received do not a-
gree in every particular, as our read-
ers will see by comparing the sub-
joined letters. They both bring
down the intelligence to the same
date, but the first says our vessels
had been drawn off; while the other
states, that when the accounts left
the fleet, the Windsor Castle, of 95
guns, the van ship, was then actu-
ally engaged with the enemy.
We cannot reconcile these ac-
counts but by supposing, that the
letter left the fleet at a later hour
(though on the same day) than the
former. We ought to add, that our
Plymouth letter is from a gentleman
who has the best means of being
well informed, and whose commu-
nications we have generally found
to be perfectly correct.
Extract of a letter from an Officer on board
one of our frigates, dated the 30th ult. off
Brest.
I dare say the papers have by
this time given an account of the
Brest fleet attempting to come out;
the manner I will tell you. On
Sunday morning last, a convoy was
observed under the land, apparently
bound to Brest, which, after being
attacked by two of our brigs, took
shelter under the battery of St.
Matthew. Tuesday, at day-break
three sail were seen coming out of
the harbour, as if to protect them in,
when we immediately chased, and
with our small squadron, viz. three
frigates and two brigs, made them
all take shelter under the batteries,
of which we informed the Admiral by
a cutter, who sent us two line of
battle ships, the Colossus and Belle-
rophon, when we all got under
weigh, and stood right in, with in-
tent to cut them out, when the
whole Brest fleet viz. twenty-one
sail of the line, six frigates and a
brig, immediately got under weigh,
and stood out. A grander sight you
can, hardly imagine. The cutter
was again dispatched to our fleet,
and at half past four, eighteen sail
joined us, and every one expected,
and indeed longed to begin, when
the Admiral made a signal to haul
off. The enemy were at anchor
nearly within gun shot of us. They
have all returned into port."

CAUTION.
Whereas my Wife JEMIMA has
left my Bed and Board without just
Provocation, I therefore forwarn all Per-
sons from trusting her on my account, or
harbouring her at their Peril, as I am deter-
mined to put the Law in force against those
who incur its Penalties.
Wm. HOOMES.
