### NEW BOOKS.

**J. GALES**, gratefully impressed with a sense of the Panopage he has already received, respectfully offers a Catalogue of Books now on sale at his Store, to his Friends and the Public. He flatters himself it will be found worthy of attention, as the Books are, in general, handsomely printed and bound, and will be sold for a moderate profit.

Gentlemen of the Bar will especially find the list of Law Books worthy of their attention, as all the new publications in that department, are received immediately from the Publishers, and sold at their prices. Law Libraries furnished to Gentlemen commencing practice, on a liberal credit. Orders from a distance will be attended to, and Books carefully packed and sent to any part of the State.
