CELEBRATED MEDICINES

THE following celebrated Patent and Family Medicines, have been in use throughout the United States, for upwards of eight years past, during which time they have probably cured more persons than all the Medicines heretofore made public in America. Many of them (independent of their superior efficacy) are sold for less than the Drugs of which they are compounded could be purchased at a Retail Store.

HAMILTON'S WORM-DESTROYING LOZENGES, the only mild, safe and infallible Remedy hitherto discovered, it may be used by the most delicate Females and the youngest Infants, with perfect safety.

Hamilton's Worm Destroying Lozenges there is reason to believe, have within 7 years past cured upwards of Two Hundred Thousand Persons, of both sexes, every age, and in every situation, of various dangerous complaints arising from Worms and from obstructions or foulness in the stomach and bowels, bears no analogy whatever to others of a similar title, so commonly complained of as operating with violence, on the contrary, a particular excellence of this remedy is its being suited to every age and constitution. It contains nothing but what is perfectly innocent, and is so mild in its operation, that it cannot injure the most delicate pregnant lady, or the tenderest infant of a week old, should no worms exist in the body, but will without pain or griping, cleanse the stomach and bowels of whatever is foul or offensive, and thereby prevent the production of worms and many fatal disorders. The

Lozenges are particularly efficacious in carrying off all gross humours and eruptions, feverish and bilious complaints, and are the safest and mildest purgative that can be used on any occasion. A dose of this medicine given occasionally during the warm season, will effectually prevent "vomiting and purging of children," a dreadful disorder, which annually destroys thousands of the infant part of our citizens. It is likewise the mildest and most certain remedy known, and has restored to health and strength a great number when in an advanced age, of the fatal complaint. Particular and plain instructions are given for every part of the necessary treatment in such cases.

Children generally take this medicine with eagerness: having a pleasing appearance, and an agreeable taste.

The proprietor is so confident of this vegetable ointment being an infallible remedy, that all the vendors of Lee's celebrated patent and family medicines are authorized to return the purchase money, should any person certify its having failed, to perform the promised cure.
