Soon after Gen. To the Freemen of North-Carolina :

A number of the citizens of Cabarrus county, having met at Concord, with a view of consulting on the most practicable method of vention met in Washington City on the forming a ticket, with the express view of promoting the election of JOHN Q. ADAMS to the Presidency of the United States-believing, as we do, that the prosperity and happiness of the People of these United Statesnay, not only that, but the very existence of our government, in its present happy form, depends in a great degree on the moral character of our rulers-we cannot refrain from expressing the deep solicitude we feel in the passing scene. We believe the interest of J. Q. Adams is daily increasing in this sec tion of the State ; and we hope, that at the day of election, if a ticket can be formed, he will have a decided majority over either of the other candidates. We believe, further that in point of talents, experience, and mor-al character, he stands first on the list ; and that his claims to the Presidency are supevite those of our fellow-citizens throughout the state, who are friendly to the election of Calhoun as Vice President, to nominate an Elector in their respective districts, and forwird the names of their Electors to Benj. S. King, Esq. of Raleigh, with a request that he will have the same published in the Raleigh Newspapers.

Indications of the same kind are seen in other parts of the State. Jackson for the to the n Presidency, the People's Ticket was reprobated in the strongest terms by a vote of 60 to 8. In the Edenton District, from a belief that the gentleman named as Elector is favorable to Mr. Adams, another Elector has been named, who, if elected, will vote for Gen. Jackson. The same course is spoken of in two or three other districts. Inidea of Gen. Jackson being either President or Vice-President. It was but the other day that the Buston Sentinel (a paper devoted to the interest of Mr. Adams) declared, "that the friends of Mr. Adams would suffer their right arms to wither, sooner than vote for Andrew Jackson."

The four most prominent, active and popular men in resisting the tyrannical measures of the Federal party in the year 1798, and in producing the subsequent triumph of Democracy, were Thomas Jefferson, James Madison, Nathaniel Macon, and Albert Gallatin. MINOR CLINTON. July 31. 77 10w \$100 REWARD.

UN AWAY, or was stolen from the subscriber on the night of the eighth instant, a bright matto woman (slave) and her menced among the Baptists, more than child, a girl of about four years old. This woman ran away from the subscriber, executor of John Hunt, dec'd, in the summer of 1808, and passed as a free woman by the name of Patsy Young, until about the first of June last, when she was apprehended as at Union, Johnston county, since the 1st of June; also, in the Cashie Church, Bertie, 80 in one month, a short time past. In the last number of the Columbian Star, the fullowing statement is made er part of the time she was run away, (sav about sixteen years,) in the neighbourhood of and in the town of Halifax; one or two summers at Rock-Landing, where I am informed she cooked for the hands employed on the Canal. She has also spent some of her time in Plymouth, her occupation while there not known. At the above places she has many nequaintances. She is a tall spare woman, thin face and lips, long sharp nose, and fore-teeth somewhat decayed. She is an excellent seamstress, can make ladies and gentlemens dresses, is a good cook and weaver, and I am informed is a good cake-baker and beer-brewer, &c. by which occupations she principally gained her living. Some time during last summer she married a free man of colour named Achrael Johnson, who had been living in and about Plymouth, and followed boating on the Roznoke. Since his marriage, he leased a farm of Mr. James Cot-ton of Scotland-Neck, Halifax county, where he was living together with this woman, at the time she was taken up as a runaway slave in June last. I have but little doubt; that Johnson has contrived to police or steal her and child out of my possession, and will attempt to get them out of the State and pass as free persons. Should this be the case, I will give sixty-five dollars for his detection and conviction before the proper triburnal, in any part of this State. I will give for the apprehension of the woman and child, on their delivery to me, or so secured in jail or otherwise that I get them, thirtyfive dollars; or, I will give twenty-five dol lars for the woman alone, and ten dollars for the child slone. The proper name of the woman is PIETT, but she will no doubt change it as she did before. I forwarn all owners of boats, captains and owners of vessels, fron taking on board their vessels, or carrying away this woman and her child Eliza, under the penalty of the law. NAT. HUNT.
