DEBATE
On the Address to the President, day. Nor. 26
Col. Beutos said he did not rise enter inte a ciscussion of the subject be
fore the Senate; but merely to give
such information ugen it is came such information upen larm of invasion, reac fice rim, he issued orders to the se: the Xpptaizs under his
 received news that Copt. Bryan, then received news that a coaran, of U.
Fort-Hampton, w:t
Iotantry, bad received murcbirg ord: $r$ A Paraufort, and yreparations order for their march. But Cipt. B yan,
wrote that if the Miitio came there, they thust bring provisions with them Col. B. then applied to the Coniracior to know what step he shouid take. He that if he (the Colinel) would be responhim with whatever he wanted. Upon reffr clion, the Colonet declined this re-
aponsibility. After the Governor arri ved, he obtained the necessary proviIn a few days Capt. Bryanmarched them In a few days capt. bew merched br to take bare of what was left behind This the Col. said, wis what he kne of this pert of the business.
The yeas'\& nays were called for and
agreed to be taiken. Mr. SLADK was aware that the S nate had become somewhat impatien
from the time wbich had been occupi din the itvestigation of this question and were he to make sreply to all that Edgrcomb, he should not expect the aention of the bousr. He should there only.
It was on'y necessary, Mr. S. said ocome to a correct knowledge of th subject aow under consideration, to en quire into bree propositions. Is th General Government
protection to this Siate? Ane it he
firn
rep
re
No person will pretend to deny the
first propbsition. As to the second, th first proposition. involves sets set forth in the Report, of the
the fact Committe. It is stated in thacilitpor hat the General Government; in
time of our dificulty, arising from lato invaion. leTt the State to her own effives. This expression in the Reof being unfounded in truth. Mr. St said he would underfake to enqquire into a few facts in order to see whether they are founded in truth or not; for if no true, he should be as willing to set his face against them as any man. The gentleman from Edgecomb said, becsuse the $\mathrm{U}, \mathrm{S}$ - have had a certain number of troops at Fts. Johnson and Hamp. ton. Y(will be recollected that this $e x$ pression in the Repons has reference to the period at which our State was inv
ded ; and he mast say, with the com mittee, that the Slate was at that time left to seek protection from her own ef forts, the declaration of the gentieman he would call the altention of th teem lastep to prove this position He has told the Senave, that on the lan
Ifing of the Enemy, he was called up to go to N wbern $;$ and thyt Capt. Bryan had about that tirne received marchin oriers, and on hearing that Admital
Cockburn was in our waters, he avail al bimse:f of his orders, and left th
State. He alluded to Fon Hampion he was not so well acqueinted with For Johtstan. But about the same time, w k.oow that Cup. Copeland marched his
troops from Fort Johoston; and that sta. tion was not only left without troop but withoub any officer to suppiy
D achmentot M htia, which was afi
wards sems there with provisions. W wards sent there with provisions. W s urces-? Independent of these two
forts, nothing like protection tras afford Car. lina then, saide sea-coast. Is Ner of so ittle cans his opinion it was a very vuinerabl of the Union; and it was high time
the people should raise their voice to the general Government and compe them to give us that protec
which we are justly entilled. Is appear
mentioned mentioned in the Reporl, we wer
left in an unprotected state. But sup
pose there bad been, for a faw days of ter the invasion, 100 men in Fioris Jchn-
sion and Hampton. Is North-Carutina son and Hampton. 15 North-Carulina
to be sa:isfied with 100 men on a coast
of 300 mites? 1 this such a protection as ber interest requires? Is it right,
as had been askea by his friend fiom Orange, when thousands and tens of
tbousands of dollais are expended in the defence of our sister States, that Scarcely a cent whe not, spid he, pay
Carolina? Do we
our prupurion of rever, our pripurioa of rever.ue, ane peiform
all our relative dut,es, to the eieneral
Government? It could not be said we Bu though the gentlemsn from Edgnot been pad ob our d fint nee by he Ge-
neral Goveroment, yet be aitempts an a;ology for them. He says, that bein
engaged in a War, the prusecution which ca is for all their vigiience, they pe enion, so as to defnd every ex
posed point on the sea-coast. This ob-ervation might have weigbt, if other
Sates were equally neglected. But, it Sates were equally neglected. Bur, it
gentlemen look upon the States fro.n gentlemen look upon the States frem If, said he, we took at Georgia, do. not find a very considerable number of
roops on the St. Mary's, both befor troops on the St. Mary's, both before
and since the declaration of War ; an South-Carolina, not to be compared his State, as to her relative weight of thousands expended in the defence Charleston ; yet since the decioration of War, troops raised in this State, He knew this was the case, as to Capt Blount's Company, which is now sia besides protected by gun-boats and cu ters. As to States nerth of this, $V$ irg Sta $e$, and her coast much exposed.-
But have you pot seen the Generil $G$ vernment exiend every. possible
tection to that State? You may, ind look at every other norinern Sia them all The question is asked, what kind protection do you want? Are stips he ine, or frigates or gun-boats win
d? $\mathbf{I}$ reply Mr. S . would say, ha
or waters weuld neither admit
bot frigneof but they will tumit o gup-bed if cun boais are catculated or the protection of , ony part of the coast
