155 3t WARRENTON MALE ACA-DEMY

THE Ex miniation of the Students of I this Institution closed on the evening of the 13th inst. The different classes according to their respective studies, were examined on Spelling, Reading, Writing, Anithmetic, on the different parts of English Grammar, viz. Orthograthy, Etymology, Syntax and Prosody, with Etymological and Syntactical parsing; of Geography, Logarithms, Genmetry & Trigonometry; on Mensuration of heights and distances of Areas and Solids; on Land Surveying and Navigation; and on Rhetoric. The classes in Latin were the Grammar, Fables, Casar, Vir gil and Cicero; in Greek, the Testament and Græca Minora.

Arthe close of the Examination a number of young Gentlemen delivered select single speeches-many of them exhibiting a high degree of proficiency and perfection in this useful and ornamental part of Education.

The whole of the Examination was highly satisfactory to the Trustees.

The exercises of the Academy will be resumed on the first Monday in January next, under the Superintendance of the present Principal, the Rev. C. A Hill, A. M. who has presided over this Acadenry for nearly four years. The first Session will terminate on Wednesday the 7th of June, a d the second Session will close on 25th November. Board, \$50 per Session Tuition from \$11 to 15 per Session. Mr. Hill, the Principal, and several other respectable families in Warrenton are prepared to accommodate GEO. ANDERSON, Sec'y.

GREENSBORO' ACADEMY. THE Exercises of this Pestitution will commence on the first Monday in January next, under the care of the Rev. William Paisley, late of Orange County, N. C. From the well known qualifications and experience of Mr. Paisley, the Trustees flatter themselves that this in stitution will be emmently useful to the State. This Academy is situated in a pleasant and floorishing village, where much attention is bestowed on the good order and morals of the citizens. Boarding may be obtained in the best houses both in the village and its vicinity, for 70 or 80 dollars per annum, or 35 or 40 dollars per Session. From the acknowledged qualifications of the principal of this Academy, the healthiness of the village and surrounding country, and the moderate price of Boarding, the Trustees hope lic patronage. The Trustees have also the pleasure of announcing to the public that a Female Academy will be opened in Greensboro' on the 1st of Jan'y next, by Miss Polly Paisley, daughter of the Rev. Wm. Paisley. Miss Paisley is well qualified to teach all the useful and ornamental branches of Science usually taught in Female Academies in this State, Music excepted. The Trustees flatter themselves that parents will avail themselves of this apportunity of educating their daughters, and that more attenion in future will be bestowed on the cultivation of the Female mind, hitherto so much neglected in the western part of

this State. By order of the Board, A. GEREN, Sec'y. Greensbore', Guilford County, Dec. 5.

CHANCE.

Will stand the ensu-

ing sesson at my Stable near Terhorough, at \$25 the season, with \$1 to the groom, (not

liable for accidents, &c) CHANCE is of fine size, uncummonly great-share of bone and sinew, and otherwise of great uniformity of racing power He is a lineal descendant of (that miraculous Horse) Col O'Kelly's Eclipse; and an immediate descendant of the celebrated Old King Herod; and, in oblique channels, largely partakes of the Herod blood, with that of the Godolphin Arabian, (said to be the father of the Turf!) Flying Childers; the noted old Crab (by the Alcock Arabian) Crab got the noted birl Black and all Black, who was a hold runner, winning a /30 Plate in his covering sesson. Change's Pedigree is equal to any to be found in the whole annals of rac ing blood. Chance beat the celebrated &c. Solomon and Cockfighter, rach, at 2 and 4 miles. Those celebrated runners, run their great match race when 5 years old, carrying 1. 9lbs over the Doncaster Course, in 7 minutes and between 10 and 11 seconds. This course wants 403 vards to be 4 miles, allowing half a Stone (7lbs.) to be equal to sixty varils in the mile, it is authentically proven, that their united speed and bottom, with 110 the fiheir proper weight in this country) w uld enable them to run 4 miles within 7 minutes and 20 seconds Thus, upon a retrospective view, the united speed and bottom of Chance, may be compared to that of Flying Childers, 6 years old, 128lbs, running 4 miles 358 vards in 7 minutes 30 seconds Eclipse carrying 168lbs on his back, running 4 miles 350 yards in 8 minutes, Matchem & Trojan, 7 years old, 119lbs 4 miles 358 yards in 7 minutes 20 seconds, Huby, Overton and Restless, 5 years old, 119 bs over York Course, 4 miles 350 yards in 7 minutes SO4 seconds, and Hamiltonian 115, Diamond 112. both 6 years old run 4 miles 358 yards in 7 min. 15 seconds. Chance has gotten some of the best runners in England; he is Sire of Grimalkin, who proved himself to be the best S years old runner in all that Kingdom, and was bought by the Emperor Alexander at 1700 Guidens! Chance's cliest stock in this country, is, it believe A years old, or if any older, not trained; all that has been trained have proven to be good winners. One of his get (his name, I am not advised of by letter) won all the e days at Portabacco, Maryland. Mr Jenefer's Coli when 3 years old, won over the Washington Course 2 mile heats, beating two other Colts with ease This Spring, 4 years old, he won a Sweep Stakes over Port Tobacco Course, 3 mile heats, beating three very fine Colts. Mr. Stonestreet's Colt, by Chance, won his day 2 mile heats (I suppose those 2 Colts to be Multum in Parvo, and Vanguard; they, at the time of running not being named, and one of them, probably, the property of some one, not the present owner.) Mr. Boyd's Colt, by Chance, last year; 3 years old, won the Jockey Club Purse at Marlborough, 2 mile heats, since, he has received an injury and not trained this year- Multum in Parvo and Vanguard, run the past fall at Washing-At Marlborough, Multum in Parvo won the first heat, run 2d to an aged Archigive, are, the high character they brought | bald gelding after winning the first 4 mile heats beating 4 others. Vanguard walked over for 2 mile heats (no rpposition) After which, they went to Portobacco, and wen both days; they were then taken to Leonard Town-Multum in Parvo was there sold, and

he, with Vanguard, (both by Chance) and others, started for the first day ; was won by Vanguard, but a hard race between the two brothers ; their opnonents no where (distanced.) At Washington 4 mile heats, Multum in Parvo run 2d to Maria by Sir Archy, aged. beating 4 others, and was drawn after the first heat, 2 days thereafter, he ran, and won, 2 miles heats; beating a Florizel of the same age -Vanguard beat 3 mile heats with ease, Sambo and Quick by Sir Archy, [both

5 years old] a great besting race. I have let ters from Gentlemen of the highest standing that the young stock of Chance, premises to vie with those of any other Stallion on the Continent, and regrets that of Chance's leaving Maryland, where his stock is most known. Breeders would do well to keep Chance in

their view. HENRY COTTEN.
