

WADESBOROUGH ACADEMIES.

Report of the Committee of Examination, Wadesborough, June 23, 1820.

The Committee appointed to superintend the Examination of the Students in both Departments of the Wadesborough Academies, having impartially performed their duty, beg leave to remark, that from the youth and inexperience of many of the Students, and from their different dispositions, they find a difficult and delicate task in awarding distinctions, particularly where all have made rapid progress, and exhibited such accurate knowledge in the various branches of their studies. And they have no doubt that, from the degree of diffidence manifested by many of the students, they have been unable to notice some of those who deserved distinctions in their different Classes.

James M. Slaughter, George W. Dismukes, Clement Marshall, Wm. P. Johnson, John P. S. Bat, James Mendenhall, Giles W. The "Taylor in high life," and the humorous farce of "My Aunt," were performed in a style that is not often surpassed by students.

The committee feel highly gratified with the progress of the students in both departments of this Seminary, which redounds to the credit of themselves, and to the honor of their Preceptors. Indeed, when we reflect that a majority of the students have never before entered a regular Academy, we are agreeably surprised at their rapid progress and acquirements in so short a period. We are happy in attributing to Mrs. Edmonds that merit of praise which is so justly due her, for the able and assiduous discharge of the arduous and important trust committed to her care. The improvement made by the students under her direction is a high evidence of her superior talents as a tutress.—Mr. Edmonds has realized the expectations we had formed of him, from his high character as a teacher; and we trust that by his zeal and industry, our Academy will rank equal, if not superior, to any in the State.

By order of the committee, W. F. SMITH, Sec'y.

*The exercises of the Wadesboro' Academies will recommence on Monday, 10th July, under the management of the same Teachers, assisted by Mr. T. Mason

\$25 REWARD.

RAN AWAY from the subscriber living in Caswell county, N. C. in the month of June, 1818, a Negro Boy named CHARLES. He is black complexioned, about 20 years of age, 5 feet 4 or 5 inches high, well made, and inclined to be slim, and has an open, prepossessing countenance. The last time I heard of him was his having broken jail in Martin county, N. C. in April last, where he was apprehended.—He had a free pass, and had been passing as a free man for some time—there was another fellow in company with him, who also had a free pass. It is more than probable they will continue together and obtain a new set of passes. Charles was purchased of Mrs. Little of Sussex county, Virginia, where it is probable he may be—or he may remain lurking about in the lower part of this state near Newbern and Edenton, where he has been for some time.

Any person who will secure said fellow Charles so that I get him again, shall have the above reward, and all reasonable expenses paid. Any letters addressed to me at Leasburg, Caswell, N. C. on the above, will be received and attended to by
