NOTES.

(a) The whole of the form prescribed in the first section, to verify the amount of property of the applicant, the oath of the party, and the certificate of the clerk, excepted must be done while the court is in session.

(b) All are courts of record, within the contemplation of the act of Congress.

1st. Which are expressly made courts of record by the laws of the state which create them:

2d. Which have been solemnly adjudged, by the tribunals of the several states, to be courts of record:

3d. Which proceed according to the course of the common law, with a jurisdiction unlimited in point of amount, keeping a record of their proceedings.

4th. Which have the power of fine and imprisonment:

And courts which proceed according to the course of the civil and canon law, having neither of those attributes, are not courts of record, although they may keep a registry of their proceedings, and possess a seal. The court should, in every instance, state on the face of the proceedings, that it is a court of record, and state why it is such. [Opinion of the Attorney General of the United States.] \* If the declarant shall have served under more engagements than one, he should set forth the company, regiment, and line, or ship, vessel, or corps, in which he may have served, as also the time of entering, and the time and manner of leaving each service.

(c) Here set forth the regiment, company and line, or ship, vessel, or corps, and the date of the original declaration; and, if he has received a pension, the number of the pension certificate should be inserted.

(d) Here enumerate each article of real and personal estate, necessary clothing and bedding excepted, and subscribe the same. The declarant must also mention his occupation, his ability to pursue it, the number and names of his family residing with him, their ages, and their capacity to contribute to their support, in order that the department may be enabled to decide whether the applicant is in such indigent circumstances as to be entitled to the pension. It is the opinion of the Attorney General, that the words of the 3rd section of the act of the 1st of May, 1820, "in such indigent circumstances as to be unable to support himself without the assistance of his country," comprehend those only who are incapable of supporting themselves without the aid of the government, except by private or public charity.
