AN AUTUMNAL ODE.

Yet once more, glorious god of Day While beams thine orb serene! O let me warbling court thy stay, To gild the fading scene. Thy rays invigorate the Spring Bright Summer to perfection bring; The cold inclement days of Winter cheer, And make th" Autumnal months the mildest of the year.

E'er yet the russet foliage fall, I'll climb the mountain's brow, My friend, my Hayman, at thy call, To view the scene below. How sweetly pleasing to behold Porests of vegetable gold! How mixed the many chequer'd shades between

The tawny mellowing bue, and the gay vivid green!

How splendid all the sky! how still! How mild the dying gale! How soft the whispers of the pill, That winds along the dale! So tranquil Nature's works appear, It seems the sabbath of the year; As if, the Summers' labor past, she chose This season's sober calm for blandishing

repose. Such is, of well spent life the time, When busy days are past, Man, verging gradual from his prime, Meets sacred peace at last; His flowry Spring of pleasure o'er, And Summer's full-blown pride no

He vains paoific Autumn, meek & bland And dauntless braves the stroke of Winter's palsied hand.

For yet a while, a little while, Involved in Win'try gloom, And lo! another Spring shall smile-A Spring eternal bloom. Then shall he shine a glorious guest, In the bright mansions of the blest, Where due rewards on virtue are bestow'd.

And reap the golden fruits of what his autumn sowid.

SHOCCO FEMALE ACADEMY,

Within to o miles of the Shocco Springs.

THE Fall Examination of the Students of this Institution will commence on the 15th of next month, and I can with great pleasure inform the public, that I have at the request and entire satisfaction of all the Trus. tees in the neighborhood of the same, emplayed the Rev. Rufus Wiley, his son and daughter, of Newbern, to take charge not only of this, but a Male Academy, (which is within two hundred yards of it,) where young men can be prepared for the University, who will commence the first session on the first day of January next, on the following terms : For tuition \$10 per session, in either department, and \$40 for board for young ladies, or for boys under ten years of age, if boarded with Mr. Wiley, and for thirty dollars board can be obtained within one mile of the Academy, in as respectable houses as any in this part of the State.

The healthiness and respectability of the neighborhood, the uncommon low price for board, together with the superior qualifications of the Teachers, ought to satisfy all those who have children to educate, that these schools are not second to any of the kind in this country.

WM. K. KEARNY. Oct. 26, 1821,

This may certify all whom it may concern, that the bearer. Mr. Philip Wiley, son of the Rev. Rufus Wiley, of Newbern, has been, during several years, under my immediate care, as a pupil in the Newbern Academy .-During the whole of this period, he has been distinguished by the undeviating propriety and correctness of his deportment, as well as by his rapid progress in the various branches of a Classical and English education. As a Latin and Greek scholar, he may deservedly rank among the first of his age-and is probably surpassed by few-he is also well acquainted with English Grammar, Arithmetic, Trigonometry, & the branches usuall taught in Schools and Academies. Indeed, such has been the singular correctness of his deportment, and such his thorough and critical knowledge of the languages, that I should most cheerfully and confidently recommend him as a suitable person to take upon himself the office of an instructor in any School

JNO. O. FREEMAN, Principal of Newbern Academy. Newbern, Feb. 24, 1821.

I have known Mr. Philip Wiley from a child, and cheerfully testify to his uniformly good conduct, and correct habits. As one of the Trustees of the Newbern Academy, I have had frequent opportunities of observing, and of learning from the observation of oth- 5. No other than a free white person ers, his attention to study and progress in learning. I believe him a good scholar and an excellent young man,

WM. GASTON, Pres't of Trustees of the Newbern Academy. March 23, 1821.

We have been for some years Trustees of the Newbern Academy, and so far as our observation has gone, or we have heard from others, we entertain no doubt that the character given of Mr. Philip Wiley by the Principal of the Academy, is deserved by him.

J. R. Donnell, Edward Graham, J. Stanly, John T. Boyd. Francis Hawks. M. C. Stephens, A. Henderson, Thomas Wadsworth, W. C. Stanly,

Rd. S. Mason, can testify to the same during the period he has ARAN AWAY

MY Negro Man HARRY. He is pretfrom Warrenton to Raleigh, having frequently travelled with me, and twice this Spring drove a waggon along it with two grey horses in it. He cludes suspicion, by pretending to be looking for a purchaser. He is about 45 years old, stout and well made, very likely and quite a genteel sensible man for his color; has a slight impediment in his speech. He is hankering about Dr. Verrel's in Franklin. I expect no attention will be paid to any Letters or Pass he may have with him. I will give TWENTY DOLLARS to any person who who may lodge him in Jail and let me know it. All persons are forewarned harboring him-and masters of vessels om taking him away.

JOHN R. LUCAS. Brunswick C. H. Virg. Oct. 4.

HYCO ACADEMY.

FITHE Trustees take pleasure in inform-I ing the Public, that they have employed Mr. Malhon Kenyon, A. M. to take charge of this Academy for the ensuing year. From his judicious management upright conduct, close attention to the duties of the institution and the consequent improvement of the Students, and the general satisfaction given the present year, we feel a confidence in asserting, that under its present Principal it at least equals its former character, and is in reality one of the most eligible institutions in the State for preparingtStudents to enter the University. We therefore again solicit, patrouage of our friends and the public in general. Mr. Dabney Rainey is employed as assistant. His capability for governing and instructing has been manifested both in the Academy and elsewhere.-Every branch, of English and Classical Fducation usually taught in Academies, will be taught in this; and no applicant for admission who bears a good moral character, will be rejected for want of preparatory study to enter the class .-Prices of Tuition on our usual moderate terms Board and Washing can be had in the neighborhood in respectable families at thirty-five dellars per Session .-Strict attention will be paid to the behavior & moral deportment of the Students.

The Exercises of the Academy will commence on Monday the 21st January. GEO. W. JEFFREYS, Sec'y. Red House, Caswell c unity. 358 8t November 22, 1821.

N. B. The almost invariable good health of the Students in Hyco Academy and it vicinity during the last summer when sickness prevailed in most other parts of the country, we think, is no small recommendation of the place.

SHOCCO FEMALE ACADEMY.

DOCTOR THOMAS COTTRELL returns thanks to the Public, for that liberal share of patronage which he has hitherto received; witnessing an increase every successive Session. The Institution at the commeacement of the ensuing year will be permanently established at the well known, highly respectable & healthy place, Shady Grove, about four miles from where it now is. The School is in a flourishing situation at this times and from the general satisfaction which has beed given by his Lady and Son, the governess and instructor of the Students; their unremirted attention, good government and success in the advancement of their pupils in the Literary and Ornamental branches of education he flatters himself that he will continue to merit the attention and enjoy the interest of his friends.

There are some advantages attendant on this institution not common in the countrythe opportunity of regularly attending public and divine service under the superintendance both of an itinerant and local ministry. Medical aid in the family without cost. Every important branch of female education is taught, except music. While times continue as they are, the price of Board and Tuition will be one hundred dollars per annum, or fifts dollars per Session-payable in advance,

OXFORD ACADEMY.

The Trustees have much pleasure in announcing the employment of Teachers, of the first character and talents. They have at great expense and pains procured Mr. JAMES D. JOHNSON, of Morristown, New-Jersey, as Principal of the Male De-

The Female Department will be under the immediate care of Miss Susan MITCHELL, who will be aided by the Rev. SAMUEL L. GRAHAM.

Mr. Johnson has been constantly employed in teaching for the fast ten or twelve years, and the Trustees believe there is no man whose natural disposition, education, and experience, more eminently qualify him for that station. The following extract of a letter we trust will be a sufficient evidence of the truth of our

"We the subscribers, composing the Board of Directors of the Morris' Academy, in Morristo n, New-Jersey, cheerfully give our united testimony to the excellency of Mr. James D. Johnson as a Teacher of Youth. Mr. Johnson is a graduate of Yale College, a man of good morals, and a professor of R ligion. He is a native of this town, and well known by its inhabitants. For several years he has superintended the Academy in this place, and has proved himself well qualified to manage a Seminary, and to instruct in any departmen in cience. His plan of discipline we consider excellent, and his qualifications to instruct not exceeded by any man of our acquaintance. We do therefore most cheerfully recommend him as in all respects an excellent Teacher.

WM. A. McDowel, Pres't. SYLVESTER D. RUSSELL, LEWIS CONDIT, STEVENS J. LEWIS,

Directors. Morristown, Nov. 14, 1821.

Mr. Johnson intends settling himself permanently with us as a Teacher. Miss Mitchell is a lady who has been connect ed with the Institution for the last two years, and is well qualified to teach the ornamental and other branches, which will come under her more immediate care. Mr. Graham is a graduate of Washington College, Virginia, and by education, habit and disposition, is every way qualified for an Instructor.

Board can be had in almost all the respectable families in the place, at \$35 per session.

If talents and experience in the Teachers, a high and healthy situation in a pleasant village, cheapness of Board and I ni tion, form any inducements, and have any claims upon the public, the I rustees flatter themselves that this Institution will receive a liberal share of its generous patrollage.

By order of the Board. WM. M. SNEED, Sec'y. Oxford, Nov. 24, 1821.
