

POETRY.

THE HUSBANDMAN'S PRAYER.

BY E. S. BLENWOOD

O THOU! whose wisdom, power and love, This world and all its creatures prove; The fertile field and fruitful trees, Thrive or decay as thou shalt please; And human art and toil are vain, If thou withhold thy sun and rain! Still may thy bounteous Providence, All wish'd—all needful—good dispense.

When brumal storms have spent their power, And Spring expandeth many a flower, May ne'er the frosts that fall at night, The seeds of future harvest blight; May ne'er the blushing blossoms yield To storms that devastate the field; From such, and from too-piercing air, The new-born lamb—and nestling—spare!

In Summer, when thy solar ray Is felt thro' all th' encircling day; Mild be his genial beams—without Contagion's force, or parching drought; And frequent may the full-fraught cloud The azure arch of Heaven enshroud, That gentle moisture, temp'rate heat, A plenteous harvest may complete.

When Autumn's treasures spread around, And garners teem, and fruits abound, Then shall the Husbandman upraise To Thee his grateful Hymn of Praise; To Thee, who gavest, not in vain, The early and the latter rain; To Thee, whose promise doth avail— "Seed time and harvest ne'er shall fail."

GOD OF THE SEASONS! let thy care Preside o'er each revolving year! May Health, fair queen of blessings! crown Each city—and each rural town— While sweet content, and heart-felt joy, This Land of Freedom shall employ— Till Time—and Seasons—change no more!

THE MUCH ADMIRER AND HIGHLY CELEBRATED MALTESE JACK, SANCHO;

FOURTEEN hands high—Will stand the ensuing season at my Plantation adjoining the town of Tarborough, at Ten Dollars the season, Five Dollars the single leap and Fifteen Dollars to insure a mare to be in foal The Season will commence the 1st March and end the 1st August. I will not be liable for either accidents or escapes. Sancho can be seen at Joseph Bell's plantation from this time until the 1st of March next, where he will be shewn with much pleasure.

At the Agricultural Show and Fair, held in the State of Maryland on the 7th and 8th days of June last, at the Maryland Tavern, 4 miles from the City of Baltimore, the committee appointed by the Agricultural Society to view the Asses and Mules, reported as follows: The uncommonly large and valuable Maltese Jack, Sancho, shewn by John S. Skinner, Esq. attracted and deserved our particular attention, but being an imported animal, he was not considered a candidate for the premium.

Extract from a letter written by J. S. Skinner, Esq. "BALTIMORE, 22d Nov 1821

"DEAR SIR—The Maltese Jack, Sancho, was selected at Malta, by the late Capt. Gordon, of the United States Navy. He was 8 years old last Spring, and is the largest and best covering Jack in America, as well as the finest figure I have ever seen. The Mules from this race of Jacks are more docile and much more spirited and active than those from Spanish Jacks. Mr. Nabbs, of the Council of Maryland, will vouch for the character here given of Sancho. He says he has mules by common Mares fifteen hands high by him, and that he will cover ten mares a day. I have seen many, I have never yet seen any equal to him for size and vigour. Yours, "JOHN S. SKINNER"

I deem it unnecessary for me to say any thing more in favor of Sancho, only, that a fair opportunity is now offered to the farmers of this section of the country to improve their stock, by obtaining mules of a superior size and quality. THEOPHILUS PARKER. Tarboro', 15th Dec. 1821. 61-6m

He has rooms neatly and comfortably furnished for the accommodation of private messes; has provided himself with a first rate French Cook, and pledges himself that neither expense nor trouble shall be spared to render the entertainment of those who may favor him with their custom, equal, at least, to that of any other establishment in the District.

A Post Coach and four horses will be kept for the conveyance of the Members of Congress to and from the Capitol.

The price of board, &c. &c. shall be commensurate with the times; and every exertion to give satisfaction and render the Franklin House both a pleasant and desirable residence, will be made by the public's obedient servant, WM. O'NEALE. 8-71

RAN AWAY.

MY Negro Man HARRY. He is prettily well known on the Stage Road from Warrenton to Raleigh, having frequently travelled with me, and twice this Spring drove a wagon along it with two grey horses in it. He eludes suspicion, by pretending to be looking for a purchaser. He is about 45 years old, stout and well made, very likely and quite a genteel sensible man for his color; has a slight impediment in his speech. He is hankering about Dr. Verrel's in Franklin. I expect no attention will be paid to any Letters or Pass he may have with him. I will give TWENTY DOLLARS to any person who may lodge him in Jail and let me know it. All persons are forewarned harboring him—and masters of vessels from taking him away. JOHN R. LUCAS. Brunswick C. H. Virg. Oct. 4.

HYCO ACADEMY.

THE Trustees take pleasure in informing the Public, that they have employed Mr. Mabson Kenvon, A. M. to take charge of this Academy for the ensuing year. From his judicious management, upright conduct, close attention to the duties of the institution and the consequent improvement of the Students, and the general satisfaction given the present year, we feel a confidence in asserting, that under its present Principal it at least equals its former character, and is in reality one of the most eligible institutions in the State for preparing Students to enter the University. We therefore again solicit patronage of our friends and the public in general. Mr. Dabney Rainey is employed as assistant. His capability for governing and instructing has been manifested both in the Academy and elsewhere. Every branch of English and Classical Education usually taught in Academies, will be taught in this; and no applicant for admission who bears a good moral character, will be rejected for want of preparatory study to enter the class. Prices of Tuition on our usual moderate terms. Board and Washing can be had in the neighborhood in respectable families at thirty-five dollars per Session. Strict attention will be paid to the behavior & moral deportment of the Students. The Exercises of the Academy will commence on Monday the 21st January. GEO. W. JEFFREYS, Sec'y. Red House, Caswell county, 58 & November 22, 1821.

N. B. The almost invariable good health of the Students in Hyco Academy and its vicinity during the last summer when sickness prevailed in most other parts of the country, we think, is no small recommendation of the place.

INFORMATION WANTED.

ABOUT 30 or 40 years ago, a man by the name of DAY (perhaps Thomas, who married MARY WARREN) removed from Southampton or some adjacent county in Virginia, to some of the Western or Southern States or Territories, carrying with him his wife, and, as is supposed, two daughters. By the last will and testament of Michael Warren (brother of the said Mary Day) the children and grand-children of said Mary, are entitled to a legacy. As it is supposed the legatees aforesaid are in indigent circumstances, it is desirable that they should have a knowledge of their interest in the estate of said Warren. As we are ignorant of their place of residence, we have to request those Editors of Southern and Western Newspapers, who are disposed to serve the cause of humanity, to give this a place in their respective papers for three months; and if they will not do so without a charge, then the Editors of the State Gazette in Tennessee and Georgia alone, are requested to publish it, and forward their accounts to Murfreesboro', N. C. for payment. COLLIN W. BARNES, WM. H. HARDIE, Executors of M. Warren. Northampton county, N. C. \$58 6m. November 10.

SHOCCO FEMALE ACADEMY.

DOCTOR THOMAS COTTRELL returns thanks to the Public, for that liberal share of patronage which he has hitherto received; witnessing an increase every successive Session. The Institution at the commencement of the ensuing year will be permanently established at the well known, highly respectable & healthy place, Shady Grove, about four miles from where it now is. The School is in a flourishing situation at this time; and from the general satisfaction which has been given by his Lady and Son, the governess and instructor of the Students; their unremitting attention, good government and success in the advancement of their pupils in the Literary and Ornamental branches of education, he flatters himself that he will continue to merit the attention and enjoy the interest of his friends.

There are some advantages attendant on this institution not common in the country—the opportunity of regularly attending public and divine service under the superintendance both of an itinerant and local ministry. Medical aid in the family without cost. Every important branch of female education is taught, except music. While times continue as they are, the price of Board and Tuition will be one hundred dollars per annum, or fifty dollars per Session—payable in advance.

N. B. There will also be a Private Academy for Males at the same place, taught and accommodated entirely separate from the Female Institution. June 28. 36 Jan'ja

OXFORD ACADEMY.

THE Exercises of this Institution will re-commence on the 6th day of January next.

The Trustees have much pleasure in announcing the employment of Teachers, of the first character and talents. They have at great expense and pains procured Mr. JAMES D. JOHNSON, of Morristown, New-Jersey, as Principal of the Male Department.

The Female Department will be under the immediate care of Miss SUSAN MITCHELL, who will be aided by the Rev. SAMUEL L. GRAHAM.

Mr. Johnson has been constantly employed in teaching for the last ten or twelve years, and the Trustees believe there is no man whose natural disposition, education, and experience, more eminently qualify him for that station. The following extract of a letter we trust will be a sufficient evidence of the truth of our remarks.

"We the subscribers, composing the Board of Directors of the Morris Academy, in Morristown, New-Jersey, cheerfully give our united testimony to the excellency of Mr. James D. Johnson as a Teacher of Youth. Mr. Johnson is a graduate of Yale College, a man of good morals, and a professor of Religion. He is a native of this town, and well known by its inhabitants. For several years he has superintended the Academy in this place, and has proved himself well qualified to manage a Seminary, and to instruct in any department in science. His plan of discipline we consider excellent, and his qualifications to instruct not exceeded by any man of our acquaintance. We do therefore most cheerfully recommend him as in all respects an excellent Teacher.

WM. A. McDOWEL, Pres't. SYLVESTER D. RUSSELL, LEWIS CONdit, STEVENS J. LEWIS, Directors.

Morristown, Nov. 14, 1821.

Mr. Johnson intends settling himself permanently with us as a Teacher. Miss Mitchell is a lady who has been connected with the Institution for the last two years, and is well qualified to teach the ornamental and other branches which will come under her more immediate care. Mr. Graham is a graduate of Washington College, Virginia, and by education, habit and disposition, is every way qualified for an Instructor.

Board can be had in almost all the respectable families in the place, at \$35 per session.

If talents and experience in the Teachers, a high and healthy situation in a pleasant village, cheapness of Board and Tuition, form any inducements, and have any claims upon the public, the Trustees flatter themselves that this Institution will receive a liberal share of its generous patronage.

By order of the Board, WM. M. SNEED, Sec'y, Oxford, Nov. 24, 1821. 58
