SWAN TAVERN.

HAVING purchased the well known and long established Stand in the Town of Louisburg formerly owned and occupied by WENN & PATTERSON, respectfully informs his friends and the public at large, that he continues keeping Tavern, and hopes by assiduity in the discharge of his duty and moderation in his prices, to secure a liberal portion of patronage.

His bed rooms are numerous and airy and well provided with every article of furniture necessary to afford comfort. His Bar will always be supplied with ice and the choicest liquors, and his Table with the best the country will afford.

His Stable is large, and he pledges himself it shall at all times be well supplied with forage. Connected to his stable is a large Carriage House newly built. His own exertions, together with those attached to the Establishment, will, he hopes, insure that encouragement which he will always endeavor to merit. P. HAWKINS, 85-9w Louisburg, N. C. June 1.

Paper Mill, Saw and Grist Mill and Crushing Machine.

ON CRABTREE, NEAR RALEIGH.

THE above Mills being now in complete operation, the Proprietor requests good Housekeepers throughout the State, to buy a side for the use of his Paper Mill every piece of u-less rag, & send them, as they accumulate, to Merchants who will receive them, (of which there are a number in different parts of the State) or hand them to some poor person who makes a living by collecting materials for the Mill, or send them to his book-store in Raleigh; as, from the improved and enlarged construction of his present establishment, a greater quantity of this essential article will be required than formerly.

Persons wanting Plank and Lumber of any description, will be furnished immediately, or on short notice, by leaving their orders at J. Gales's Bookstore; and the neighbouring Farmers who have Lumber, which they wish to have sawed on Shares, will be accommodated.

The Grist Mill being in fine order (with a good Bolting Cloth) and a careful Miller provided, Families who may send their Grist to this Mill may rely on its being well and expeditiously ground. And having erected an excellent Rock Dam, it is presumed there will be no want of water in the driest times.

The crushing of the Cob with the Corn having been found to be not only a great saving, but to furnish a more wholesome food for Horses than feeding them with Corn alone, it is presumed the Crushing Machine will be considered an acceptable addition to this Establishment. Such as may wish it, may have their crushed Corn and Cobs put through the Grist Mill also.

A good Road having been opened to the Mills on the South side of the Creek, the Waggon Road from town is thereby shortened and greatly improved. J. GALES, 85 June 5.

THE MUCH ADMIRER AND HIGHLY CELEBRATED MALTESE JACK, SANCHO;

FOURTEEN hands high—Will stand the ensuing season at my Plantation adjoining the town of Tarborough, at Ten Dollars the season, Five Dollars the single leap and Fifteen Dollars to insure a mare to be in foal. The Season will commence the 1st March and end the 1st August. I will not be liable for either accidents or escapes.

Sancho can be seen at Joseph Bell's plantation from this time until the 1st of March next, where he will be shewn with much pleasure.

At the Agricultural Show and Fair, held in the State of Maryland on the 7th and 8th days of June last, at the Maryland Tavern, 4 miles from the City of Baltimore, the committee appointed by the Agricultural Society to view the Asses and Mules, reported as follows:

The uncommonly large and valuable Maltese Jack, Sancho, shewn by John S. Skinner, Esq. attracted and deserved our particular attention, but being an imported animal, he was not considered a candidate for the premium.

Extract from a letter written by J. S. Skinner, Esq. "BALTIMORE, 22d Nov. 1821. "DEAR SIR—The Maltese Jack, Sancho, was selected at Malta, by the late Capt. Gordon, of the United States Navy. He was 8 years old last Spring, and is the largest and best covering Jack in America, as well as the finest figure I have ever seen. The Mules from this race of Jacks are more docile and much more spirited and active than those from Spanish Jacks. Mr. Nab, of the Council of Maryland, will vouch for the character here given of Sancho. He says he has mules by common Mares fifteen hands high by him, and that he will cover ten mares a day. I have seen many, I have never yet seen any equal to him for size and vigour. Yours, "JOHN S. SKINNER."

I deem it unnecessary for me to say anything more in favor of Sancho, only, that a fair opportunity is now offered to the farmers of this section of the country to improve their stock, by obtaining mules of a superior size and quality. THEOPHILUS PARKER, Tarboro', 15th Dec. 1821. 61-6m

SHARON FOR SALE.

THE place on which Sharon may be had on reasonable terms, for negotiable paper with Bank accommodation. It contains about 49 acres of Land, of good quality, bordering on the City of Raleigh, and on a public road leading from the City. Sixteen or eighteen acres are cleared and under cultivation, the rest is covered with a heavy forest growth, abounding with fire-wood and timber. The land contains an excellent rock quarry; is well watered by branches, and has two rock springs near the house, equal probably to any in the county. My dwelling is about 300 yards from the town line. The situation, therefore, has the advantages of town and country united, and is, in my estimation, the most desirable spot for a residence that I know in the State.—Apply soon. H. POTTER, 81- Sharon, 8th May, 1832.

VALUABLE PROPERTY FOR SALE.

THE UNION TAVERN.

As a Stand for a Public House, it is believed to be equal if not superior to any in the City, being situated immediately at the Courthouse and in the centre of the city. The House is large and convenient. There is a large Stable convenient to the Tavern, with a Well of excellent water in the lot. A person disposed to enter into a business of this kind, will find it a situation can be recommended as a healthy and profitable stand. The payments will be made easy to any person disposed to purchase. For terms, apply to the Subscriber, or Mrs. Jeter on the lot, who will continue to keep up the House as heretofore. She begs leave to tender her gratitude to her Friends, and solicits a continuation of their custom; and assures them that every attention shall be paid to the comfortable accommodation of those who may call on her.
