POBIERY

From the Philadelphia Advertiser. THY WILL BE DONE.

When sorrow casts its shades around And pleasure seems our course to shun; When nought but grief and care is found, How sweet to say "Thy will be done."

When sickness lends its pallid hue, And every dream of bliss has flown; When quickly from the fading view, Recede the joys that once were known:

The soul resigned will still rejoice, Though life's last sand is nearly run; With humble faith and trembling voice, at whispers soft, "Thy will be done." When call'd to mourn the early doom,

Of one affection held most dear, While o'er the closing silent tomb, The bleeding heart distils the tear : Though love its tribute sad will pay,

And early streams of solace shun; Still, still the numble soul will say, In lowly dust, "Thy will be done." Whate'er O Lord, thou hast designed,

To bring my soul to thee in trust; If mercies, or afflictions, kind, For all thy dealings, Lord, are just.

Take all-but grant in goodness free, That love which ne'er thy stroke would Support this heart, and strengthen me

To say, in faith, "Thy will be done."

NORTH-CAROLINA,

Treasury Office, 15th October, 1822 THE Purchasers of Lands, commonly L called "the Cherokee Lands," sold in 1820 & 1821 by this State, who have failed to pay off and take up their Bonds given in that behalf, agreeably in Law; are hereby reminded that, by the Members of the ensuing General Assembly who will now shortly meet here, they may have safe opportunities of remitting the monies necessary to the discharge of such of their respective obligations which now are and will then be on demand. It is unpleasant and it is hoped it is unnecessary here to add, that should any of the public debtors, on this account, prove unmindful of their engagements until after the period above mentioned-say until after the meeting of our next Assembly-they and every of them will thereupon, and without further notice, be called on according to law.

Treasury Office, 2d Sept. 1822. MHE Public Treasurer, reflecting with state pride and self complacency, on the punctual and praiseworthy manner in which the Sheriffs and the other Revenue Officers of North-Carolina have, for many years past, acquitted themtelves of the trusts and duties enjoined on them by law, with respect to the collecting and accounting for the public dues; holds it unnecessary here to call on them or any of them, in regard to the Taxes of the current year; and will therefore consider that enough is said when they are reminded, that the time fixed by law for settling their Accounts and making. Payment at the Treasury, is now at hand; and that it, of course, remains for those concerned to continue so to conduct themselves, as effectually to support and sustain that reputation and high standing which have been hitherto so generally and deservedly accorded to them, as Revenue Officers

SHARON FOR SALE.

THE place on which I reside, may be had on reasonable terms, for negotiable paper with Bank accommodation. It contains about 49 acres of Land, of good quality, bordering on the City of Raleigh, and on a public road leading from the City. Sixteen or eighteen acres are cleared and under cultivation, the rest is covered with a heavy forest growth abounding with fire-wood and timber. The land contains an excellent rock quarry; is well watered by branches, and has two rock springs near the house, equal probably to any in the county. My dwelling is about 300 yards from the town line. The situation, therefore, has the advantages of town and country united, and is, in my estimation, the most desirable spot for a residence that I know in the State.-Apply soon.

H. POTTER. Sharon, 8th May, 1832.

Tract of Land in the county of Warren, containing, by an old survey, 700 acres, and lying near the Stage road leading from Warrenton to Petersburg, about ten miles from the former place, and five from Robinson's Ferry, over the Roanoke. The above Land is well calculated for the production of Wheat, Corn, Cotton or Tobacco. There is on it a comfortable dwelling-house for a small family, and most out-houses usually found on a farm in this country. There is open land enough to work eight or ten hands to advantage, on the three-shift system; at this time well inclosed, and in a state of improvement. I will sell on a credit or make an exchange for young Negroes.
