

POETRY.

TO THE MEMORY OF A FRIEND.

Did ever Friendship shed a tear,
More just, more tender, and sincere,
Than that which flows without disguise,
From aching hearts and streaming eyes,
Upon thy bier?

The following beautiful and descriptive Extract is taken from Sermons published under the title of the Scotch Preacher.

"Twice had the sun gone down upon the earth, and all as yet was quiet at the sepulchre; death held his sceptre over the Son of God; still and silent the hours passed on; the guards stood by their posts, the rays of the midnight moon gleamed on their helmets, and on their spears; the enemies of Christ exulted in their success; the hearts of his friends were sunk in despondency and in sorrow; the spirits of glory waited in anxious suspense to behold the event, and wondered at the depth of the ways of God. At length the morning star, arising in the east, announced the approach of light; the third day began to dawn upon the world, when on a sudden the earth trembled to its centre, and the powers of heaven were shaken; an angel of God descended, the guards shrunk back from the terror of his presence and fell prostrate on the ground; his countenance was like lightning, and his raiment was as white as snow; he rolled away the stone from the door of the sepulchre, and sat upon it. But who is this that cometh forth from the tomb, with dyed garments from the bed of death? He that is glorious in his appearance, walking in the greatness of his strength! It is your Prince, O Zion! Christian, it is your Lord. He hath trodden the wine-press alone; he hath stained his raiment with blood; but now, as the first born from the womb of nature, he meets the morning of his resurrection. He arises a conqueror from the grave; he brings salvation to the sons of men. Never did the returning sun usher in a day so glorious! It was the jubilee of the universe. The morning stars sung together, and all the sons of God shouted aloud for joy; the Father of Mercies looked down from his throne in the heavens; with complacency he beheld his world restored; he saw his work that it was good. Then did the desert rejoice; the face of nature was gladdened before him, when the blessings of the Eternal descended as the dew of Heaven for the refreshing of the nations."

BOUNDARIES OF CHRISTENDOM.
Take a map of the world, and encircle with your pencil those countries where woman is not a prisoner or a slave; where life and property are secured by any thing like a well regulated police; where civilized manners have obtained, and general science has burst the fetters of the mind, and you will encircle precisely those regions on which the rays of revelation shine. The boundary of light is the pale of Christendom.

PIETY.
Piety communicates a divine lustre to the female mind—wit and beauty, like the flower of the field, may flourish for a season; but let it be remembered, that like the fragrant blossoms that bloom in the air, these gifts are frail and fading; age will nip the bloom of beauty; sickness and sorrow will stop the current of wit and humour; but in that gloomy time which is appointed for all, piety will support the drooping soul, like a refreshing dew upon the parched earth.

EDUCATION.
It is a companion which no misfortune can depress—no crime can destroy—no enemy can alienate—no despotism enslave. At home a friend—abroad an introduction—in solitude a solace, and in society an ornament. It chastens vice—it guides virtue—it gives at once, grace and government to genius. Without it what is man? A splendid slave! a reasoning savage! vacillating between the dignity of an intelligence derived from God, and the degradation of passion, participated with brutes.

UNIVERSITY OF NORTH-CAROLINA.

THE Annual Meeting of the Board of Trustees of this Institution, will take place in the Executive Office, on Saturday Evening the 30th inst. at early candle lighting. By appointment of the President, CHAS. MANLY, Sec'y. Raleigh, Nov. 20, 1822. 9-2

JAMES LITCHFORD, Tailor. HAVING just arrived from the North and settled himself in Raleigh, next door above Mr. Richard Smith's Store, offers his services in the various branches of his profession, to the citizens of the place and the public in general; and hopes from his attention to business to merit a portion of patronage. He flatters himself, from the great pains he has taken in being instructed to cut on Mathematical principles, a plan superior to any other hitherto invented, and now in general use in most of the northern Cities, that it will be in his power to give ample satisfaction to all those who may favor him with their custom. He has also entered into an arrangement to be at all times furnished with the newest and most approved fashions. Raleigh, 31 October, 1822. 2-tf

SHARON FOR SALE.

THE place on which I reside, may be had on reasonable terms, for negotiable paper with Bank accommodation. It contains about 49 acres of Land, of good quality, bordering on the City of Raleigh, and on a public road leading from the City. Sixteen or eighteen acres are cleared and under cultivation, the rest is covered with a heavy forest growth, abounding with fire-wood and timber. The land contains an excellent rock quarry; is well watered by branches, and has two rock springs near the house, equal probably to any in the county. My dwelling is about 300 yards from the town line. The situation, therefore, has the advantages of town and country united, and is, in my estimation, the most desirable spot for a residence that I know in the State.—Apply soon. H. POTTER. Sharon, 8th May, 1822. 81-

FOR SALE,

A Tract of Land in the county of Warren, containing, by an old survey, 700 acres, and lying near the Stage road leading from Warrenton to Petersburg, about ten miles from the former place, and five from Robinson's Ferry, over the Roanoke. The above Land is well calculated for the production of Wheat, Corn, Cotton or Tobacco. There is on it a comfortable dwelling-house for a small family, and most out-houses usually found on a farm in this country. There is open land enough to work eight or ten hands to advantage, on the three-shift system; at this time well inclosed, and in a state of improvement. I will sell on a credit or make an exchange for young Negroes. WILL. MILLER. Warren co. Aug. 13. 96-tf

SHERIFF SALE.

WILL be sold to the highest bidder, for cash, the first Monday of December next, at Northampton Court-House, a valuable Tract of LAND, belonging to the Estate of Thomas Barrow, dec'd—containing 1150 acres, lying in Northampton county, N. C. on Roanoke River, near Norfolk's Ferry, and about forty miles from the town of Plymouth, and a good Boat Navigation from the said plantation to the aforesaid town. The said tract of land may with propriety be called one of the best plantations on the aforesaid river, having a sufficient quantity of cleared land to work forty or fifty hands to advantage. The soil is well adapted to the culture of Corn, Wheat and Cotton. There is also a fine brick Dwelling House, Cotton Gin and other Out-houses. A more particular representation of the land is deemed unnecessary, as those wishing to purchase would do well to examine for themselves, before the day of sale. Application to be made to Col. Bryan Randolph who lives near the plantation, and will at any time shew the land to persons wishing to examine. The said land is to be sold by virtue of sundry executions returnable to next December Session of Northampton Court. JAMES H. WOOD, Shff. Sept. 26. 8

THE valuable Plantation, late the property of George Nichols, dec'd, containing about 800 acres, lying 5 miles south of the City of Raleigh, adjoining the lands of Hutchins Atkins, Richard King, and others. There is enough cleared land to employ 6 or 8 hands to advantage; the balance is wood land, of superior quality. Part of the tract is superior, and all of it of as good quality as any so near Raleigh. On the premises is a comfortable two story dwelling-house, near an excellent Spring, with necessary out-houses. The vicinity to Raleigh of this Land, where every article of produce will find a ready cash market, its being in a good neighborhood, and withal very healthy, renders it a desirable residence. Those wishing to purchase, will, of course, view the premises. The more it is known, the more valuable it will appear. If not sold before it will be rented on the first of January next for the ensuing year. Also, part of an unimproved Lot in the city of Raleigh, near the Presbyterian Church, and known as the "Church Lot." This is a desirable situation for a family, being in a good and healthy part of the city. FOR RENT, Two dwelling-houses in Raleigh, one now occupied by the Subscriber, which is two stories high, with all the necessary out houses, and a large and excellent garden. TO GAOLERS.

PETER left my Plantation in Lancaster District, S. C. on the 5th inst. He is 22 years old, 6 feet 2 or 3 inches high, of slender make and thin visage; speaks with much consequence, and common with his head thrown a little back. He has a cancerous affection on the bottom of his right foot. Thore at present is small, but the surrounding scar larger than a dollar; his toes on that foot are useless, and he always wears a shoe on it. I bought him last May of Mr. John R Vincent. Mr. V. said that he brought him from Orange County, N. C. near the Caswell line if taken up I expect he denies his name and owner. Any Gaoler who may have him in custody will please direct a line to me at Liberty Hill, S. C. and satisfactory acknowledgments shall be rendered. JOHN GOOCH. Sept. 20 1822 5-6t

WADESBOROUGH ACADEMY.

A Male and Female Teacher are at present wanted in the above Institution. The situation will be a desirable one for a Gentleman and Lady of Talents, as the Trustees are willing to give up the whole proceeds of the School to them, and it has heretofore had from 80 to 110 Students, at from \$20 to \$25, and a like number may be at present expected under properly qualified Instructors. The local advantages of this Institution are equal to any in the State, being considered the first healthy situation above the low country, and receives a handsome support from South-Carolina. Board can be had in respectable families from \$75 to \$100 per annum; and the Village alone furnishes about 30 Students. Applications may be addressed to the Postmaster at Wadesborough. Nov. 15 8-

NUTBUSH LANDS FOR SALE.

THE undersigned will offer for sale, at public auction, on the premises, on Monday the 2d day of December next, if fair, if not, on the next fair day, between 350 & 450 acres of the most valuable Nutbush Land; being part of the tract whereon Dr. John Hare resided at the time of his death. The lands are of the very best quality. They embrace the junctions of Indian Creek and Crooked Run with Nutbush. The low grounds, which are very little inferior, if any, to the best of those of the Roanoke, will produce at least 500 barrels of Indian Corn annually; they produce also Tobacco of the first quality. The greater part of the high lands are inferior to none in the county, it is believed. They are situated about two and a half or three miles from Williamborough, where there is and has been for years a flourishing and well regulated Male Academy, and there is now a fair prospect of having a most excellent Female one. One, two & three years credit will be given to the purchaser, paying interest from the date; or should it be preferred, Bank accommodation can be had for the greater part of the purchase money. The lands will be shown in the mean time by either of the subscribers, or by Mr. Knott, Mrs. Hare's overseer, or by Mr. Leo. Hare. RICHARD BULLOCK, LEO. HENDEKSON, Ex'ors of Dr. Hare.
