Raleigh Register.

TUESDAY, JUNE 12, 1827.

The semi-annual Examination of the Male and Female Students of our Academy commenced on Monday last, and closed on Friday, on which day the Trustees' Report of the Examination was read in the Presbyterian Church, as usual.

The Exercises of the Academy will be resumed on Monday next.

At a meeting of the Stockholders of the Cape-Fear Navigation Company, at Fayetteville, on the 1st instant, a Dividend of 4 per cent. was declared, payable on the 1st of October next.

On the preceding page will be found the proceedings of a large meeting of the citizens of Baltimore in favour of re-electing JOHN Q. ADAMS to the Presidency.

We have been favored with a copy of the following letter from one of our Commissioners engaged in superintending and laying off the residue of the lands acquired by this State, from the Cherokee Indians:

"Franklin, Haywood County, May 21. The village from which I write you, is situated on a red bluff immediately on the western bank of the Tennessee River, about 15 miles from the Georgia line on the South, and 50 from the State of Tennessee on the North-west.

The advance made by the Spanish troops towards the frontiers of Portugal, is ascribed to the knowledge which the Commander-in-Chief of that army had of the march of the English troops, to draw nearer to the Spanish frontiers.

The armies of the two nations are, as it were, opposite each other, but without shewing any signs of hostility.

The Packet Ship Canada, Capt. Rogers, arrived last night, having sailed on 1st May, bringing Liverpool papers to that date, and London to 26th April.

King George the Fourth, has shown such decision and independence in his late arrangements, and so much judgment in elevating mind over birth, that his reign will descend to posterity as a bright era in the annals of Britain.

We regret to learn, from the Savannah Republican, that a difference had arisen between the Commissioners of the U. S. and the State of Georgia, on running the boundary line between the latter and Florida and that their further progress has been suspended by Governor Troup.

Political Meeting.—We have an account of the late meeting held in Calvert county Maryland, from a friend. It was not called an Administration nor a Jackson meeting, like those in most of the counties, but as a general meeting, of the voters of the county on the subject of the Presidential election.

There were 305 gentlemen present when the question was taken, an unprecedented number for that small but spirited county, of which only 17 voted for Jackson, and all the remainder for the Administration.

LATEST FROM ENGLAND.

New York, June 4. The packet ship Leeds, Capt. Stodard arrived on Saturday night from Liverpool having sailed on the 27th of April, and brought regular advices to that day inclusive.

The new Administration had not yet been formed, and much anxiety continued on the subject. A negotiation was still going on with the Marquis of Lansdowne to bring in the Whig party.

CONSTANTINOPLE, MARCH 26.

The Porte shows himself decidedly averse from accepting the proposals of the English and Russian Ambassadors, in favor of the Greeks, and the Reis Effendi has been dismissed, because he did not protest with sufficient energy against all intervention.

Spain.—Letters from Iron say, that the Marquis de Chaves, and his uncle Siveira were to arrive at Iron on the 18th, to be sent from that place to the French Territory, where they will be placed under the superintendence of the agent of the Police stationed at Behobil.

The advance made by the Spanish troops towards the frontiers of Portugal, is ascribed to the knowledge which the Commander-in-Chief of that army had of the march of the English troops, to draw nearer to the Spanish frontiers.

The armies of the two nations are, as it were, opposite each other, but without shewing any signs of hostility.

The brig of war Constancia, arrived here on the 3d from Rio Janeiro, having on board Counsellors Abrantes and Castro, the deputies to the Emperor, who left here in October. They were well received by the Emperor and bring favorable accounts of his determination to support the Constitution of Portugal.

LIVERPOOL MARKET.

"We are very quiet to-day in our cotton market, and have been for the last three days—the sales in that period amounting only to 3000 bags. A small concession has been necessary to effect sales of Uplands, and in Alabamas and the lower qualities of New-Orleans, a decline of 3d to 1/2 per pound has been submitted to.

The Packet Ship Canada, Capt. Rogers, arrived last night, having sailed on 1st May, bringing Liverpool papers to that date, and London to 26th April.

King George the Fourth, has shown such decision and independence in his late arrangements, and so much judgment in elevating mind over birth, that his reign will descend to posterity as a bright era in the annals of Britain.

William H. Crawford, late Secretary of the Treasury, has been appointed by the Governor of Georgia, Judge of the Northern Circuit, to fill the vacancy of Judge Dudley, who died at his plantation in Lincoln in the course of the last week.

person, which has not been the case since the days of Lord Hawke, that power having been till now wielded by the Lords Commissioners of the Admiralty.

- NEW ADMINISTRATION. Peers. Lord Lyndhurst, Earl of Harrowby, Duke of Portland, Lord Bexley, Viscount Dudley, Viscount Goderich, (late Mr. Robinson.) Commoners. Rt. Hon. Sturges Bourne, Rt. Hon. W. Huskisson, Rt. Hon. C. W. Wynn, Viscount Palmeston, Rt. Hon. G. Canning, His Royal Highness the Duke of Clarence, Marquis of Anglesea, Duke of Devonshire, Duke of Leeds, Hon. W. Lamb, Sir John Leach, Mr. Hart, Mr. Scarlett, Sir N. Tindal.

Lord Granville would return to Paris, and, it is said, has been promised by Mr. Canning the appointment of Governor General of India.

The Whig Members on the re-opening of Parliament, intend, it is said, as a mark of respect to Mr. Canning to take their seats on the right.

The Irish appointments are not yet filled. Of the two Secretaries of the Treasury, Mr. Arbuthnot and Mr. Lushington, who resigned, the place of only one has as yet been filled.

Private letters by the Canada, intimate that there will be more opposition to Mr. Canning's administration than had been anticipated.

The following is an abstract of the Trustees Report of the late Examination of the Students of this Institution:

MALE DEPARTMENT.

Alexander Hardy and Charles Johnson were examined on the New-York Spelling Book, and were approved.

Robert Smith and Wm. Marcellus, on Reading Beauties of the Bible. The first named was best. Fielding Turner, Robert Hardy, Jas. Callum, James Boylan and Charles Williams, on the English Reader.

The same, with the two members of the preceding class, spelled in Waldo's Dictionary. F. Turner was considered the best—the others were approved, and nearly equal.

The same were examined on Arithmetic, Writing and Public Speaking. Robert Smith, James Callum and Robert Hardy were distinguished, in the order named, in Arithmetic.

Wm. Marcellus and Robert Smith, on Historia Sacra. Both were approved—no distinction.
