From the Rev. Dr. Tyng, Rector of the Church of the Epiphany, Philadelphia.

The information which I have received, that that the Rev. Dr. EATON, of Boston, and his lady, are to be the uni'ed head of the household in St. Mary's Hall, your new school for the education of young ladies, has induced me to offer you, for any purpose it may serve, in promoting the interests of the Institution, this spontaneous of said Firm, at Cost, for Cash; or any amount expression of my feelings. In Boston and its vicinity, there would be far more propriety in my asking commendation from Dr. Eaton than in my offering it to him. In this section of the country, perhaps, my residence here may give me some advantages which he does not possess. Allow me, therefore to say, wherever I am known, and he is a stranger, that I have known him intimately from my childhood, and have reverenced him as many beside have done, as an important light for the Episcopal Church in the time of its desolation, and as the friend & guide to many of our young men in their preparation for the ministry, as he was in many respects to myself. Parents may confide in the certainty, Daily Northern and Southern that whatever long tried piety, and moderate, benefit of their daughters, they will find in entrusting them to the care of Dr. Eaton.
