THE TWENTY-SIXTH CONGRESS. lists shall be delivered to him before five o'clock | their authority is in express terms limited | of these there is no dispute, as, at all events, | certain contingencies, to send express to | New Jersey Members.

then proceed in a public manner to make one gene-The laws of New Jersey for regulating ral list of all the candidates voted for as aforesaid elections, which were in force when the sen, distinctly point out the precise form, ing the Government, within seven days thereafter, manner, and time, in which returns from having first caused a duplicate thereof to be filed in tive, and they as distinctly point out and ships."

upon a commission, under the great seal of the State, was issued to the six persons together with the number of votes received for each members of the present Congress were cho-of them, and shall transmit the same, at the expense of the State, to the Governor, or person administer-Thus far then all is clear-and, prima facie, there would seem no shadow of precounty clerks shall be made to the Execu- his office, together with the lists from the said town- text for objecting to the members thus com-

in the afternoon of said day; which said clerk shall

missioned. But it seems the clerks of two

to that merely ministerial office, and there-

But it must be obvious to every one that, these eveluded votes in Middleson and by law for the casting up the votes, making a list the Governor to send for any additional define, and therefore limit, the authority of Now, it is NOT DISPUTED that the clerks counties, Middlesex and Cumberland, did the Executive and his Privy Council in of the several counties did make up and for reasons either of irregularity as to time, making up from these separate returns the transmit to the Governor, within the time form, or original right, omit to include, in aggregate majorities, and require that to the specified, the general lists above required. The general lists which they transmitted, cersix persons having the highest number of So far then as official forms could sanction tain votes in certain towns. How far they Council could have no official knowledge duty of the Governor forthwith to send express to the clerks of the county or counties from which all the votes legally returned to the Execu- such return, they were, to all appearance, were justifiable in such a course, or cognizance. Their duty is fulfilled such certified lists of votes have not been received, tive a commission to represent the State in regular and proper. The next section pre- is a question wholly for the House of Rep- and exhausted when they cast up the votes and to procure the same at the expense of the the House of Representatives shall be given scribes the duties of the Governor, as fol- resentatives of the United States, when du- on the general lists transmitted by the State." ly organized, and concerning which it is clerks of counties-and they can recognise under the great seal of the State. lows :--Under this provision, it is contended, "Sec. V. The Governor, or person administering immaterial to the matter we have in hand no other source of information as to the It is best, perhaps-for the case MAY bethe Government, shall, within five days after receiv. to inquire. The Governor and Privy votes given in any part of the State. The come of deep interest-to quote the very ing the list, lay the same before a Privy Council, | Council, it is clear from the language of Governor has no shadow of right to go beto be by him summaned for that purpose, and, after the law defining their duties in the premis- hind the county clerk's list, nor to inquire casting up the whole number of votes from the seve- es, had no right to go behind the general into, nor decide upon, disputed questions which explains the duties of the inspectors ral counties for each candidate, the said Governor lists sent to them, and which were made arising at the polls. This, as we have beof elections. and Privy Council shall determine the ix persons "Sec. IV. After the poll is closed, the judge and who have the greatest number of votes from the in the form and within the time required fore said, is exclusively the province of the inspectors shall, together with the clerk of the elec- whole State for Representatives in Congress from by the law. Their sole business was to House of Representatives. tion, proceed without delay to take an account of this State, which six persons the Governor shall cast up the whole number of votes on the How, then, it may be asked, can the Adand cast up the votes given in for each candidate as forthwith commission, under the great seal of the general lists transmitted to them, and, ac- ministration party make even a plausible representative from this State, and shall make sepa- State, to represent this State in the House of Rcp- cording to the greater number of these, to case against the decision of the Governor rate lists of the same, which lists they shall sign resentatives of the United States." commission six persons. This office was and Council? Mainly, it would seem, upcertify, seal up, direct, and transmit to the clerk of number of votes.
