

HON. R. B. VANCE IN SALISBURY.

Mr. Editor:—It's seldom that the people of old Rowan county have had the pleasure to listen to an address such as was delivered on the 5th of October by that eminent statesman and christian gentleman, Hon. R. B. Vance, of Buncombe county.

He spoke of the importance of the Farmers' Alliance being true to its obligation, thereby saving themselves from being hewers of wood and drawers of water any longer for those vast combines who have been favored by the enactment of laws that gave a few capitalists the power to oppress the masses of this vast country of ours.

Hon. R. B. Vance is one of whom North Carolina can be proud. He has represented his State in the National Congress for twelve years. He has had the manhood and courage at all times whether on the floor of the House or on important committees to stand up for what he believed to be for the best interest of the people of North Carolina.

We, the members of the Farmers' Alliance of Rowan county, are greatly pleased in the selection of Hon. R. B. Vance as a lecturer for the State of North Carolina.

QUICK WAY TO SETTLE IT.

THE FARMER, The Backbone of the Country!

It is a conceded fact in the minds of every business man that the commercial status of every country is greatly dependent on the farmers of that country; in fact, so much so that should ill fortune visit the fields of our never ceasing tillers, then the merchants of our city would be forced to retreat.

Bagwell, having removed his stock of Caskets, Coffins, Burial Robes and everything in the Undertaking line, to the corner of East Martin and South Blount Sts., is fully prepared to accommodate everybody, both in the city and elsewhere, with the necessary equipments to give entire satisfaction.
