NOTES.

The reported profits of the Methodist Book Concern last year were \$140,000. The Baptist strength in Philadelphia, Pa., is seventy-two churches, twenty missions, 22,750 members, and 31,227 in the Sunday-schools.

There are now over 15 000 local societies of Christian Endeavor in thirtytwo Evangelical denominations. The Presbyterians lead, the Congregationalists next, then the Baptists and the Methedists are fourth. Each of these four denominations have over 2,000, the Dr. D. Bild Parker and E. V. Excell Presbyteians having 3,500.

The Methodist Year Book for 1891 gives the total membership of the Methodist Episcopal Church as 2,283,-154, an increase of 46,691 over last vear. Its Sunday-schools number 2,-264,852 members, a gain over last year of 42 124. The Several branches of Methodism in the United States include 4,980,200 cammunicants, with 31,765 ministers and 54,711 churches.

The late Dr. Howard Crosby once found a burglar in his house. He seized the man and dragged him to a police station. Later he visited the man in prison, talked with him in such a manly, Christian way that the man was converted, and is now an exemplary church member in the West. That is a type of muscular Christianity worth coveting. First satisfy justice, then display love -Congregationalist.

The Gethumane Baptist Church was converted in New York, returned to Cuba, and as the fruits of his labors the membership of his church is now 1917. Five other churches have been organized with 21 preaching matrons with 4 ordained ministers and 17 missionaries. All the services in the churches and Sabbath-schools are conducted in the Spanish language.

The Rev. T. De Witt Talmage's new tabernacle at the corner of Green and Clinton avenues, was opened to his congregation and the public for the first time Sunday last. The tabernacle's dimensions are 200 feet long by 118 wide, and it is Romanesque in its style of architecture. It is built of brick and stone. The interior of the church has two galleries and will seat 5500 persons. The big organ cost \$30,000. Up to date the total cost of the church is \$410,000, and it will require \$40,000 more to complete it.

Every court in Philadelphia is epened with the following proclamation, pronounced by the Clerk: "Ovez, Ovez, Oyez, all persons who stand bound by recognizance, or who have otherwise to do before the Honorable the Judge of the Court of Common Pleas for the county of Philadelphia, may at present appear and they shall be heard. And may God save the Commonwealth and the honorable Court." This is a distinct recognition of Almighty God, and an invocation of His blessing-a prayer, therefor, albeit a brief one.—Standard of the Cross.

The Wesleyans and Congregation alists of London, are relieving the outcast poor of the metropolist by thousands. In one week the London Congregational Union gave shelter to 3.447 homeless beings, most of them from the rural districts, for "over a third of the population were not born within its bounds." The "shelter" halls give "a little coffee and a few buns to the most needy "on Sunday, and then the gospel is preached to these people, who never enter churches in the fame hall-where sleep and food have been afforded. —Iowa State Register.

Preaching a trial sermon in presence of an audience of only two persons, must in any case be a trial to one's nerves, but especially so when the two happen to be the Archbishop of Canterbury, Dr. Tait, and Dean Stanley. We read of such an unfortunate young | Shade Trees, Green House Plants, etc. "candidate for priest's orders" so preaching in that rather awful presence. In his confusion he stampered out, as he began, "I will divide my congregation into two-the converted | Trees, Vines, etc., and catalogue No. 2 and the unconverted." Dr. Tait interrupted him with: "I think, sir, as there are only two of us, you had better say which is which."-Chicago Standard.

The American Baytist Year Book for 1891 gives the number of regular Baptists as 3,164,227, a net gain for the year of 94,180, or three per cent. The aggregate of contributions is \$11,215, 579.76, a gain of \$1,016,320.15. New York leading the States with \$1,557. 786.55. Georgia ranks first in number of members, 319,621; then comes Virginia, North Carolina, Kentucky. Texas, South Carolina, Mississippi, Alabama, Tennessee, Missouri, New York, Louisiana, Illinois, etc., while Nevada is at the foot of the list with only forty.
