POWDERLY'S CALL TO ARMS.

Let Us Work, Think and Vote with the Farmers.

" They Have Resolved to Stand by Us. Let Us Resolve to Stand by Them and Make Their Cause Our Cause Everywhere and in Everything,"Brothers, Arouse!-Now is the Time for Action!

Grand Master Workman Powderly, of the K. of L., this week issues a call to arms. He proclaims that the cause of the farmer is the cause of the mechanic. He urges unity of action for the cause of reform. He declares that | and discussing the demands. the action of the Alliance at the Indianapolis meeting showed its sympathy and friendship for organized mechanical labor, and pleads for honest and reciprocal work and unity. He says, in speaking of the great agricultural organization:

"In the sense that our cause is the same, our grievances of the same nathe same shield covered all. In that sense they are of us and with us."

"Now let me drop a few hints into the ear of our Knight of Labor who has listened to those who have sneered and scoffed at the "hayseed" in his effort to throw off the yoke that crushes him for you, it is the same for the farmer. compliance with the law. When the railroads-through their agents-oblige the farmers to part with cently passed by Congress, and demand their product for the merest pittance, in lieu thereof the free and unlimited you cannot purchase that product for | coinage of silver. less money because the farmer was "4.
