S. OTHO WILSON, Chm'n P. P. State Ex. Com.

The undersigned, with several years' experience offers a new and valuable oat for sale. It was originated by W. Norwood in the western part of Chatham Co., N. C., and is called "the early rust proof beardless yellow oat," just what its name implies. It ripens commonly the last days of May, which is a guarantee against rust and cheats, and grows about six inches taller than the red oat and is perfectly clear of any beard, so objectionable to the red oat, It is as hardy in every respect and as prolific as any other oat; should be sown in fall for best results. Price, 80 cents per bushel, well sacked and de livered on cars to any address. Correspondence solicited. For further particulars, address J. I. Goldston, (903) Goldston, Chatham Co., N. C.

STATE AGENCY DEPARTMENT. Under this Head Will be Found Every-

thing Relating to the Agency. This page will hereafter be devoted the Business Agency and co-operauve trade. Communications from all interested will be accepted. No longwinded, theoretical papers wanted, but DEAS solicited. We want your best shoughts and can't publish, as a rule, more than about one quarter column articles.

TO THE ALLIANCE OF WAKE CO. AND SURROUNDING COUNTRY.

When you come to Raleigh to buy goods, come in to see me. I think I can be of service to you and also to the State Alliance. I have arrangements that will be beneficial to all bands. W. H. WORTH, S. B. A.

SEED WHEAT AND WHEAT FER-TILIZER.

I am now prepared to furnish seed wheat from the farmers of North Carolina who have sent in samples and prices, or order from seedmen when so desired. I can supply you with ammoniated guano or phosphate for the wheat crop. Can ship at once. Place your orders at once.

W. H. WORTH, S. B A. BEST GOODS FOR COTTON

SHEETS. I have on hand a few hundred yards of the cotton bagging that we broke the Bagging Trust with. I will sell for 5 cents per yard. It is 44 inches wide and very strong, and Mr. P. A. Dunn says it is the best goods for making cotton sheets for handling seed cotton he ever saw. Can send you 50 or 100

W. H. WORTH, S. B. A.

FALL AND WINTER ARRANGE-MENT FOR SHOES.

yard rolls.

I have made arrangements with a Boston, Mass., manufacturer of shoes to supply those who order through this office, direct from the manufacturer, at first cost. In every case the cash must accompany the order. I have a few catalogues that I will send out on application. The shoes are delivered at your railroad station for post-office. I also have made arrangements with W. H. & R. S. Tucker & Co., of this place. I will send out price list from them to all who wish. Shoe bills are heavy expenses and we should save all we can on the cost of them by buying at first cost.

W. H. WORTH, S. B. A.

MARKETS.

From the paragraph helow you will see that sugar is advancing and is now the highest it has been in two years, counting the two cents per pound given by the government as a protection to manufacturers. The hog product has also advanced in price very much.

PRICE OF SUAR RAISED.

NEW YORK, Sept. 2.—President Harrison's circular regarding the quarantining of vessels for 20 days had a pronounced effect on the sugar market. Yesterday's latest quotations showed an increase in granulated sugar of one eighth of a cent a pound and this mornthere was another advance of one-sixteenth of a cent, the highest the market has reached in two years.
