what the Electropoise will do.

It will completely exterminate the germs of disease, and effect a permanent cure where drugs and stimulants are powerless. The following letter, from Judge Davis, of North Carolina Supreme Court, will be of interest to sufferers:

LOUISBURG, N. C., January 15, 1892. Dear Miss Tillinghast:-Yours of the 12th is received, and I cheerfully answer by saying that I have been much benefited by the use of the Electropoise. I suffered from a severe and long-continued attack of the Grippe, followed by rheumatism in the neck and shoulders. I commenced using the Electropoise in October last, and my rheumatic pains ceased immediately, and I think my health and feelings have been much improved by its use. Very truly yours, Consultation and advice by mail, or in person, without charge.
