## EOPLE'S PARTY STATE PLAT-FORM.

We demand of our General Assembly it its next session the passage of a ecret ballot law, with a provision in aid law that will secure to voters who annot read an opportunity to vote. We deplore the corrupting use of money in elections as tending to degrade manhood and to corrupt the ballot box, and we do denounce all attempts to subvert the rights of the people at the ballot box and an effort to deprive them of a fair and honest count when the votes have been cast.

taxation; no w, therefore, 9 now taxed.

amended or extended charters or other- this agency and let nothing disturb ou bout twenty years ago, or before wise be granted any corporation claim- business department. I am glad to Sherman had hoodooed the money ing exemption of taxation, until such say that our August, 1892, orders wer the country, a farmer from the north corporation or corporations make a greater than they were the same mont of Bourbon county came to Fort complete and unqualified surrender of in 1891. Taking in consideration th

mong his purchases was a cook stove there will be an effort to repeal the we have much to be thankful for an br his wife. The price he had paid Railroad Commission bill or cripple it take courage and press forward for

sembly of North Carolina that it shall A few months ago another man, from he same part of the county, needed a sook stove. He went to the nearest own and purchased one for \$18. He eckoned the price very cheap because would have cost him \$50 twenty may or will increase the efficiency of pars ago, but he had to sell three loads | the Commission and perfect the ma chinery and details of the same, shall

heaper stove, the one that cost \$50 dorse the platform adopted by the Nawenty years ago or the one that cost | tional People's party at Omaha, July

#### JUST ONE MORE WORD.

About a m nth ago we announced that owing to the pressure on us for settlement of the L. L. Polk estate, and the needs we have for cash with When you catch a fellow ridiculing which to meet obligations arising from that source, that we would be compelled The Mexican dollar weighs 416 gains, after this issue to drop all delinquents

We intended keeping that notice merican silver weigh just 308 grains. standing until this issue, but by some Put it to him this way: Weight of unexplainable oversight or accident it xican dollar, 416 grains; weight of has been left out since its first insertion they cents in American silver, 308 and has only appeared one time. We difference, 108 grains. Or get a Mexi- have received many responses to that, an dollar, and every time you buy but thinking it more than probable nything from such a chap, put down that the notice was not seen by many four greaser, and mark if the follow- of our true friends who are always ready to respond to any reasonable Merchant: That's a Mexican dollar. | call, but who have not done so in this can't only allow you eighty cents instance; we have decided to extend the time until Oct. 11th. Remember Greenbacker: Why how is this? that gives you two weeks longer. If t weighs 416 grains, while eighty you owe us anything on Oct. 11th you ents in American silver weighs only need not blame us if you do not receive the next issue of this paper. We must Merchant: Well, that is all I can settle up the accounts against the paper and against the estate, and we must insist now that we have shown every Merchant: I don't know, probably reasonable readiness to accommodate ecause it is not money in this country. you, and hold ourselves ready to con-Greenbacker: Not money in this tinue to do so, and we hope we may ountry. Why I thought the precious be made to rejoice at our receipts durnetals were money everywhere, have | ing the next two weeks. Now it may ou not told me time and again that be that there are some among you who hey were the money of the world? cannot conveniently send the amount hen what's the trouble with this you owe in cash. If so we will make this proposition to you: Send us a club Merchant: Why because the law of five one year subscribers with \$5 oes not make them money in this cush, and we will credit your subscription one year.

dmit that law, that is that the flat of you will owe this paper on the 11th day of October, 1892, you will just run Try your intrinsic value friends that | your eye down the column of dates in ray, and you may rest assured that at the table below, until you find the date east twenty per cent. of their hard of or nearest to the date on your label, noney ideas will be knocked out of and the amount you owe appears in the other column opposite this date. Now, dear friend, we do not desire to drop your name. If you owe more than \$1 send \$2 and we mark you up two years. If you owe less than \$1 send \$1 and we credit you up one year. At least send enough to run you beyond

See what you owe us and send in at
