

LABOR-SAVING SPECIAL.

THE PROGRESSIVE FARMER

AND SOUTHERN FARM GAZETTE

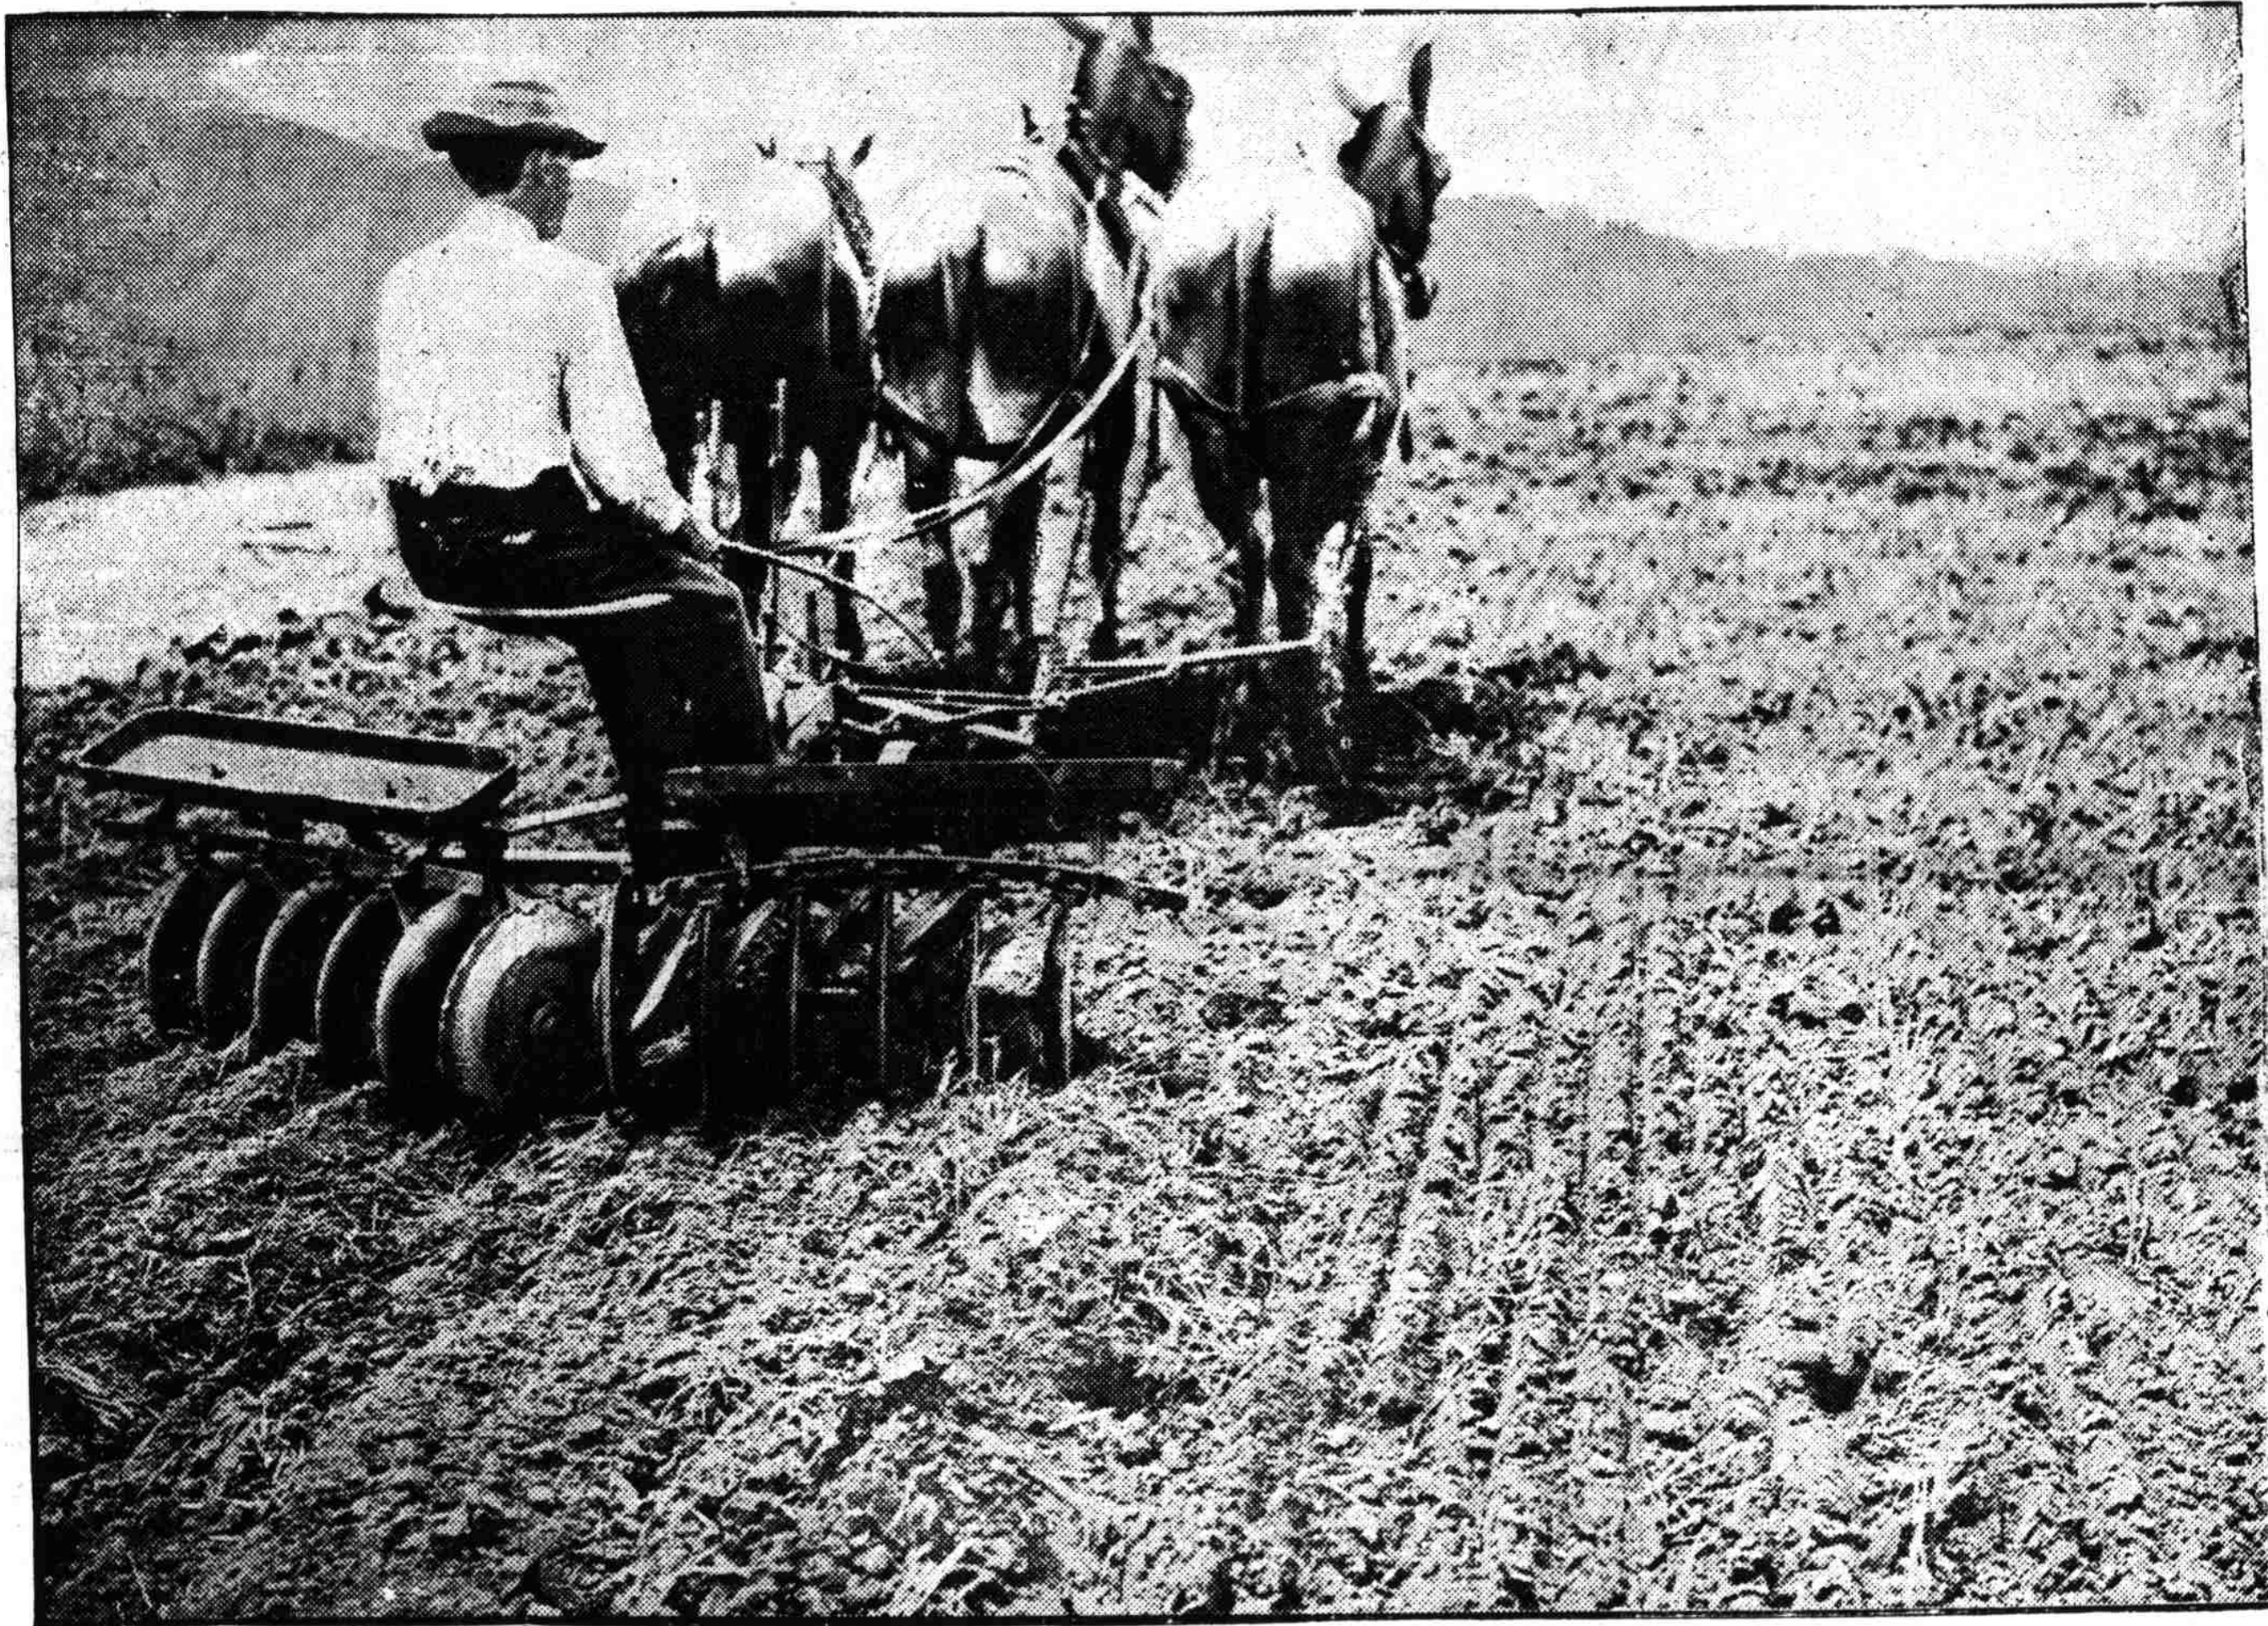

A Farm and Home Weekly for the Carolinas, Virginia, Georgia and Tennessee.

FOUNDED, 1886, AT RALEIGH, N. C.

Vol. XXVII. No. 6.

SATURDAY, FEBRUARY 10, 1912.

Weekly: \$1 a Year.

The Disk Harrow is Almost Essential to Economical Cultivation.

A FARMER WHO HAS PLENTY OF HORSE-POWER AND GOOD TOOLS, AS THIS MAN HAS, CAN DO BETTER WORK, DO IT IN LESS TIME, AT LESS EXPENSE, WITH MORE EASE, AND TO GREATER PROFIT THAN CAN THE FARMER WHO "ECONOMIZES" ON WORK STOCK AND MACHINERY BY DEPENDING MORE LARGELY UPON HUMAN LABOR.

FEATURES OF THIS ISSUE.

ARE YOU UP WITH YOUR WORK?—A Vital Question Just Now	19	HOW TO HANDLE THE INCUBATOR—Plain Directions for the Beginner	24
BETTER WORK STOCK THE FIRST ESSENTIAL—We Must Have Larger Horses and More of Them	4	LABOR-SAVING GARDEN TOOLS—The Hand-Hoe an Expensive Implement	26
