COMMUNICATIONS REGARDING ADVERTISING OR SUBSCRIPTIONS MAY BE ADDRESSED TO EITHER OFFICE. ENTERED AS SECOND-CLASS MATTER AT THE POSTOFFICE AT BIRMINGHAM, ALA., UNDER THE ACT OF CONGRESS OF MARCH, 3, 1879.

**Each Advertiser's Reliability Guaranteed.**

WE will positively make good the loss sustained by any subscriber as a result of fraudulent misrepresentations made in The Progressive Farmer on the part of any advertiser who proves to be a deliberate swindler. This does not mean that we will try to adjust trifling disputes between reliable business houses and their patrons, but in any case of actually fraudulent dealings, we will make good to the subscriber as we have just indicated. The conditions of this guarantee are, that the claim for loss shall be reported to us within one month after the advertisement appears in our paper and after the transaction complained of, that our liability shall not exceed \$1,000 on any one advertiser, and that the subscriber must say when writing each advertiser: "I am writing you as an advertiser in The Progressive Farmer which guarantees the reliability of all advertising it carries."

**OUR PRETTY HOME SPECIAL.**

We had intended making our next issue, August 10, our Pretty Home Special, but frankly, we have had so few letters and pictures for this number that we have decided to put it off until August 24, and give our friends one more chance. If you have a pretty home—and as a Progressive Farmer reader you ought to have—won't you send us a picture of it just as quickly as you can?

We have for this Special a notable article by Mr. Poe on the beauty of English country life and the first of Mr. Niven's series of articles on attractive home grounds; but we need more good pictures of pretty homes right here in the South—of the places where our own folks live. Have a picture of yours made, will you not? A good kodak picture will do. One thing to remember, however, is this: we don't care for the picture of the house only. Fine houses do not always make pretty homes. Have the photographer stand far enough away to take in the grounds. The fewer people in the picture, too, the better.

Whether you help us or not, it's going to be a great number, but we need your help.
