

"The Thinkers of the Country Are the Tobacco Chewers"

said one of the greatest thinkers this country ever produced.

Says the Pilot:

"Nosing a big stern wheeler along a muddy river with sandbars reaching up to grab her—that's when you need real steadiness. When there's nothing but your judgment between your boat and a shoal, take

a chew of PICNIC TWIST."

In every convenient twist of PICNIC you'll find the true tobacco uplift without the letdown that comes from dark, heavy, rank tobacco. PICNIC TWIST is a light colored, soft twist of the mild, mellow parts of the leaf.

Lindley's Peach Trees Produce Results

L. L. Winder, Elizabeth City, N. C., says: "Some of my three-year-old Peach trees produced \$3 to \$4 a tree, and all my fruit sold for \$2 a crate." We know how to grow Peach trees—been at it a good many years. We know the good varieties for home planting, and the kinds to place in a big orchard. Our list includes only the kinds we know are right—Mayflower, Carman, Hiley, Belle of Georgia, Elberta, and other profit-making sorts.

Special Discounts to Tree Buyers

Send for our discount list of Peach, Apple, Pear, Cherry and other fruits, as well as Ornamental trees, Shrubs and Roses. You can save money if you order from Lindley.

Our Helpful Books—Free

Lindley's illustrated catalogue gives instructions for planting and caring for fruit and ornamental trees. "Simple Plantings for Southern Homes" shows pictures of effective home plantings at little cost. Either book free.

Take a Bull-Dog Grip.

If there is one enterprise on earth that a quitter should leave alone it is advertising. To make a success one must be ready to take a Bull-Dog Grip.

No one can expect to reap results commensurate with his expenditure early in the game. Advertising doesn't jerk—it PULLS. It begins very gently at first, but the pull is steady! It increases day by day until it exerts an irresistible power. **Get the Idea?**

Let Us Help You Earn Your Premium

Of course you have noticed the magnificent List of Premiums *The Progressive Farmer* offers subscription workers. And remember, we not only want you to get one of these premiums, but we will help you get it. Here is the plan in brief:

1. Send us, on the blank below, the names of five people who should subscribe for *The Progressive Farmer*.
2. To each of these people we will send sample copies of the paper with descriptive circulars, and will tell them that these are sent at the request of a neighbor.
3. When you call on these people after they have received the papers, mention that the samples were sent at your request. This will immediately bring up a discussion of *The Progressive Farmer*, and give you an opportunity to request that they join your club.
4. On receipt of the blank containing the five addresses, we will send you order blanks, return envelopes, and an outfit containing helpful information and suggestions how to get new subscriptions.

It Is Very Important

1. That you send in the list of names at once.
2. That you call on these people before they send subscriptions by someone else.
3. We want you to earn the premium rewards you are after—Christmas is getting near.
