

Your Profit

—From Firestone Good-Measure Building

WHEN you invest in Firestone Tires you draw immediate profit from the Firestone standards of good-measure building and the tremendous volume of output required to meet Firestone demand. Firestone has long been the largest exclusive tire and rim builder. Yet the Firestone demand brought us 50% more dealers last year and increased our output 78%.

This volume—and our transcontinental distributing system—make it possible to supply you Firestone Tires with their maximum values at popular prices.

From Firestone Specialized Science you also gain "Most Miles per Dollar"—supreme riding comfort—unusually long service—safety.

Send us the name of your dealer and the name and make of your tires and we will send you one

"Caught P. A. pipe-joy on the first puff!"

Copyright 1915 by R. J. Reynolds Tobacco Co.

That tip-top-clever-taste is right there—jimmy pipe or makin's cigarette—quick as you put a match to Prince Albert tobacco. Just makes you happy because it is so good and so satisfying! The patented process by which Prince Albert is made fixes that—and removes bite and parch! We know the goodness of

PRINCE ALBERT

the national joy smoke

We know it is all there in satisfaction; we know that you will delight in its flavor as you will welcome the absence of any tongue-bother.

We say to you: Lay down a nickel or a dime for a supply of Prince Albert, because it will please you more than any tobacco you ever smoked, it is so cool, and tasteful, and fragrant.

Prince Albert is sold everywhere in tippy red bags, 5c; tidy red tins, 10c; handsome pound and half-pound tin humidors, and in that fine crystal-glass humidor with sponge-moistener top that keeps the tobacco in first-class shape.
