"Most Every One in Our Neighborhood Is Taking The Progressive Farmer!"

"Most every one in our neighborhood is taking The Progressive Farmer so it's hard to get very many new subscribers. If you would count renewals it wouldn't take me so long to get up my club and earn the Sewing Machine I so need."

We received many such letters last season, so many in fact, that we have changed our policy and now will give reward credits to our club raisers for renewals the same as for new subscribers.

Renewals Count Now

So the more subscribers we already have in your neighborhood the easier it will be for you to get up your club and earn the rewards you want. You know that when one has The Progressive Farmer for a year or more that they have learned to appreciate its timely, helpful visits and wouldn't think of being without it, so it's no trouble to get renewals from them and they will boost the paper to others for you so you will be able to get a large club and earn some valuable rewards. (Your own renewal will not count. We reward you for sending in other subscriptions, both new and renewal, but not for sending in your own.)

Send for a copy of our NEW REWARD LIST and helpful suggestions for Club Raisers. A postal request will bring both. Send for it today and start your club quick before someone in your neighborhood gets ahead of you.

"The early bird catches the worm."
