Manure-Spreader Prices Now Based on 30,000 a Year Capacity

I BAFLE all competition combined to equal my new 1910 Proposition. Get it today. I will crack the whip to the full extent of the law on infringers and imitators. They haven't got the spreader nor the patents, and they know it. I have 11 patents on the Galloway and will protect them. Nobody can get around them.

Get \$5.00 Cash Off the Price at Once, Freight Prepaid (E. of Rockies) to You Anywhere Direct from Factory ON 90 DAYS' FREE TRIAL Money Back at 6% Interest After 300 Days, if My Spreader Does Not Prove a Paying Proposition to You. Quick, Prompt Delivery Now.

That is my selling plan. Nobody can beat it. Nobody can touch it. It has them all on the run. Galloway is a whole race-track ahead of all competition in spreader proposition and price. Remember, I pay freight. When I added to my factories the Kemp Manure Spreader Factory, conceded to be the largest in the world, formerly owned by the International Harvester Company, now owned and equipped by me with the very latest automatic machinery throughout, I did this: I called in my factory superintendent and I said to him—"How many Galloway Manure Spreaders can we make a day now?" He said: "We can make 100 a day—30,000 a year." I said, "All right—get out your pencil. The first thing you do, figure how much we can save farmers on price, based on 30,000 capacity." He figured it out mighty quick. He says to me: "If you can sell them, we can make them. We can save \$5.00 apiece in cash to the farmers if you can sell 30,000." I said, "That is the idea. That's the stuff. We will do it. They will buy them. They know me and they know my spreader."

I'LL SAVE THE FARMERS \$150,000 THIS YEAR IN CASH MONEY. Are you one of them? Try me. Get my new Clincher 1910 Proposition and my Catalog today.

Quality in Tools

Tools for the workshop, farm or home must be tools of quality. A plane, for instance, to smooth a board properly, must have a keen blade, carefully adjusted—its surface must be true and it must fit the hand.

KEEN KUTTER Tools and Cutlery

are carefully inspected, adjusted and tested before leaving the factory.

Look for the Keen Kutter trademark on every tool you buy—it guarantees the tool to be satisfactory or money refunded.

The name Keen Kutter covers a full line of tools for shop, garden and farm, as well as scissors, shears, pocket knives, razors and table cutlery.

FARM DRAIN TILE

(Made of Clay)

Proper use of drain tile will solve half your farm troubles. Tens of thousands of acres of good land are unproductive for want of proper tile drainage. The cost is small as compared to results obtained in increased crops. Tile prevents souring, and damage by stagnant water. It lets the air in, warms the soil, makes the roots go deeper, and the crops grow. WRITE FOR FREE PAMPHLET, and prices. Tells why and how to drain. We make a superior clay tile at reasonable prices.
