

MADE IN
Lee
UNION ALLS

TRADE MARK REG. U. S. PAT. OFF.

The two dominating reasons why Lee Union-Alls have become the most popular work garment for farmers are these: *more efficiency, maximum economy.* Greater ease and comfort for the body result in better work and more work. Triple stitched seams, reinforced strain points, riveted buttons and the highest grade material mean greater service and longer wear. It is good business judgment to insist on Lee Union-Alls. Send for descriptive booklet.
