POLAND-CHINA

## BIG TYPE Poland-China BRED SOW SALE

Wed., February 18th, 1920  
AT LEXINGTON, KY.

In connection with Wright and Thornburg, Greensburg, Ind., I will sell at public auction 40 head of sows and gilts, bred to four of the best boars in the breed. This offering is Northern bred and Northern fed. These Indiana men have raised over six individuals that were made champions and grand champions at various State Fairs since 1916, and have been breeders of BIG TYPES for 15 years. This sale contains some that will be prize winners. These are the same kinds that make sale toppers in Northern circuits and offer an exceptional opportunity for you to get a fine Northern bred sow at Southern prices. EVERYTHING CHOLERA IMMUNE. Write me for catalogue. Among other things it tells how all mail bids are handled free of charge. E. H. Cathey, American Swineherd, Fieldman.
