## Live Subjects This Week and Next

**CANNING Food Products at a Profit.**—“Now, my husband is a good man, but he was a little spoilt in the raising.” Why take a shot at us like that? Boys, it looks like it's up to us to prove up. There is no better way than by helping in the canning of fruits, vegetables, and meats ..... Page 6

**What Cooperation Means.**—“Coöperation in its largest sense is something more than a way of doing business. It's a way of living a life. It means breaking away from the selfishness of the ancient policy of ‘every man for himself and the devil take the hindmost’.” ..... Page 10

**Livestock and Dairy Problems.**—For years Dr. Tait Butler has been urging farmers of the South to make a better use of livestock as a source of extra cash. Now that the boll weevil is with us in all its destructiveness, the adoption of such a practice is all the more imperative..... Page 3

**From Twelve to Twenty.**—“The Deacon's wings haven't sprouted. Things go wrong and he ‘rares’ around every once in a while. He is particular about his eating. He won't always clean up to go to town. Sometimes he doesn't shave for a week. He snores awfully. And it's real hard to get him to

do things toward repairing the house or furniture.” I wonder if we couldn't get the Deacon to write a little article about the Irish ..... Page 13

**Denmark: A Country That Has Tried Coöperation.**—This “little land full of happy people has made farming a fine art.” Coöperation, making it possible for men to buy cheaply and sell advantageously, has contributed in no small measure to the content of the Danish people ..... Page 11

**Growers Control Majority of Tobacco Warehouses.**—“If every signer who can win a signer will make the earnest effort to add another member to the Association now, the success of the Virginia-Carolina growers should equal that of those Kentuckians who have sold 75,000,000 pounds of their tobacco and are on the road to permanent prosperity” ..... **Good Things Coming Next Week.**—The editorial staff and the contributors of The Progressive Farmer are striving in every way to make the best better. You can rely on next week's paper being full of short, concise, “meaty” articles covering the topics that will be uppermost in your mind during the next two or three weeks. .... Page 5
