RELIEVING THAT AT THIS TIME it would be greatly against the interests of the farmers' to have a big special opening sale, and looking specially after our customers' interests, as we will do at all times, we concluded to take charge of the Meadows on October 1st, 1890, without the O. & C. railroad depot. any special sale.

We do not propose to have any drummers, but to do the work ourselves, so i we have any money to throw away to pay it out for tobacco on our floor.

We respectfully solicit a share this week, and has preached some splenof your trade.

Dyspepsia

Makes the lives of many people miserable, and often leads to self-destruction. We know of no remedy for dyspepsia more successful than Hood's Sarsaparilla. It acts gently, yet surely and efficiently, tones the stomach and other organs, removes the faint feeling, creates a good appetite, cures headache, and refreshes the burdened mind. Give Hood's Sarsaparilla a fair trial. It will do you good.
