## COL. L. L. POLK,

PRESIDENT OF THE FARMERS' ALLI ANCE,

Sentiment to the Farmers' Financial Distress. The opinion of Col. L. L. Polk, of Ral-

" It is what might be termed a political volcano eruption, is it not?" he said with an expressive smile. "There are two principal reasons, which I think will embody the primary root of this great revulsion of feeling. The first is the fact that the people of Kansas are awakening to the importance and absolute necessity of a pronounced position on the part of the Sold by R. W. Jones, Oxford, N. C. a pronounced position on the part of the The hogs are dying in this section with and eloquent style he addressed his many people of the North against sectionalism. But it was left to John J. Ingalls, in a honor. He made some happy hits and speech in the Senate characterized by political malice and sectional party hate, to Dr. E. T. White, the chairman of the touch the match to the magazine, the ex-Democratic Executive Committee, who plosion of which has culminated in the election just held. Several prominent propriate style, and was followed by B. 8 condemning Ingalls' course. They had Royster, a staunch Democrat, who deliv- been his life-long friends, both in a personal and a political sense, but they even a large number of drugs—we have tried to lay in everything called for by Cooper, the invincible, was loudly called would never countenance political dema- our trode.

"A meeting was finally held in March, Our prices are the lowest.

"Sectional agitation has served the pur poses of political demagogues in the stores of all that's good to cheer the inner cent up the ladder of fame. He will make determined effort was going to be made to throw sectionalism into oblivion.

"The second reason lies in the wofully depressed financial condition of the farm ers of the State. They believe that the chief cause of all this depression is the discriminating legislation of the past twenty-five years, and they are going to work at the source of trouble-the Na tional Legislature.

"I am informed upon good authority that there are in the State of Kansas to day 10,000 sober, industrious, hard-work ing farmers, who are unable even to pay the interest on the mortgages with which their land and property are covered They are hopelessly in debt and can only get relief in financial reform. I was pre pared to hear very good news from the election, but I must say that the resulhas surpassed all my previous anticipa

Cupid Again at Work. Mr. Geo. W. Knott, of the large leaf firm of Knott & Brown, one of our most worthy and progressive young, and Miss Sallie, daughter of Mr. & Mrs. Alf. Hobgood, were married on Wednesday morning at the home of the bride. A lovely floral arch adorned the parlor and as the happy couple stood beneath it Rev. J. S. Hardaway bound them together as one in
