protection from the government if the ton this week much to the regret of the government will not shield others against us. All we ask is a free country and a Mr. Wm Carrington, of Halifax Co., Va., spent Saturday and Sunday with his fair fight.

The great American Tobacco Company has commenced to break up our local markets. What does the moving of Mess. Davis & Gregory to Richmond mean? Who is Mr. Cayce, who was instrumental in that change, but one of the great American Tobacco Company's managers? This s the second act-others will be forced to follow as the great American Tobacco Company continues to increase its strength and finally controll all grades of bacco, will not buy only at markets they establish-one at Durham, one at Rich mond and warehouses only at large cen-

tres, thereby compelling the poor farmer to go hundreds of miles to sell his tobacco. We fail to see wherein the W. Duke, Sons & Co. branch of the great American Tobacco Company are such benefactors to their country as to be lauded and praised for buying up colleges and endowing others, unless they intend to give free board and tuition to every poor boy Anna and Susie Morton and Mary Easley and girl in the State. We poor tobacco farmers can hardly spare our children from the farm to attend the public school and by this monopoly they have crushed out the fond hope that we once had of

free from grass. Watermelons will be being able to send them to college, to very scarce this year as it is a general prepare them for useful citizenship. Oh complaint that the bugs will not allow a what a hard time we farmers have-crabgrass, horn-worms and monopolies against Farmers are still low-spirited about the LEO.
