### LOCAL HAPPENINGS.

THE PASSING LOCAL EVENTS OF THE DAY.

What is Transpiring Around and About Us, in Town and County--The Movements and Doings of People You Know, Etc.

—This is a bad time of the year to be short.

—Try to get along without a mortgage this year.

—The doctors and druggists are reaping a harvest.

—Let us look to the future with renewed courage.

—First it was called fever and ague, then malaria, now it's the grip.

—The first twelve days of January are said to indicate what kind of weather each of the twelve months will bring.

—Almanacs for 1892 are flowing in upon us in abundance, but they don't seem to have any effect on the weather.

—The members of the Methodist and Baptist Churches pounded their pastors. Rev's. R. F. Bumpass and J. S. Hardaway last week.

—Owing to the decision of the Supreme court the merchants will this year have to list and pay the tax on purchases, which they consider so odious.

—In view of the fact that thirty seven million babies are born every year it must make the heart of a mother glad and proud that her's is the prettiest and best of them all.

—Grip has become much more fashionable than the influenza was in its most sneezing days, but, all things considered, the old complaint could knock a man into state of muggy misery and sniveling just as effectually as can the new one.

Returning from their wedding trip,

Said Fundle to his wife, "What duties of our partnership will you conduct, my life?"

Her loving eyes she on him bent And whispered softly, "Dear,

You take the business management And I will be cashier."

—In this country most of us have a fair showing. The chances of the average mortal to make a success of life here are at least better than they are in any other part of this vale of tears. Let us be grateful for that and try to show that the pearls of providence have not in this case been cast before swine.

—Hon. Baldy Williams was placed on the Committee on Public Building and Grounds, and Manufacture by Speaker Crisp. He spent the holidays at home suffering with a severe case of gripe, but we are pleased to state that he has so far recovered as to be able to return to Washington and was present at the re-assembling of Congress.

—The painful intelligence has reached Raleigh that Dr. Eugene Grissom, late of this city, but now of Denver Colorado, is an inmate under treatment in the Insane Asylum in the latter city. This indeed sad news to the many friends of Dr. Grissom in North Carolina, who most sincerely hope that his affliction may be of a temporary character.—Visitor.

—The men who build up towns are the men who have sense enough to know that advertising pays, and public spirit enough to amply support the paper which is advancing their interest and promoting the prosperity of their town. Those who kill a town are the mossbacks, who don't think advertising pays, but who are willing to let a paper work for them as long as somebody else will support it.

—At the recent election of officers of Oxford Lodge, No. 103, I. O. O. F., held in their hall on December 29, 1891, the following officers were elected: Capt. J. A. White, N. G.; Dr. J. M. Hays, V. G.; R. J. Daniel, Recording Secretary; J. A. Renn, Financial Secretary; J. F. Edwards, Treasurer. The new officers for Allen Encampment, No. 21, are: J. A. Renn, C. P.; C. J. Gregory, H. P.; Mayor A. A. Hicks, S. W.; W. G. Griffin, J. W.; W. T. Clement, Scribe; R. W. Day, Financial Scribe; S. W. Cooper, Treasurer.

—Grand Lodge of Masons meet in Raleigh on the evening of the 12th inst.

—Rev. Jesse Cunningham held Quarterly Meeting in the M. E. Church Saturday and Sunday.

—Messrs. Brown & Jones now occupy the store vacated by B. G. Medford in the Odd Fellow building.

—Mr. Ike Stegall has opened a nice stock of groceries in the store formerly occupied by Couch & Co.

—Mrs. T. H. Christie died at her home near the Orphan Asylum on Wednesday December 30th, after a short sickness of the gripe.

—The furniture man, Mr. J. A. Webb, has rented from Mr. J. T. Cozart the store room lately occupied by Ben. Overton and will move about the 1st of February.

—The Eastern District Public School opened on Monday with Miss Nellie Faison in charge. She is a niece of Mrs. T. L. Hargrove and is well equipped for her duties.

—On Monday December 21st, Mr. George Tilley, died near Hampton, in the 71st year. He raised a family of 10 children and live to see them all grown. His wife survives him.

—Through the generosity of a number of citizens lead by the clever Mr. Alf Hobgood, the inmates of the poor house were made to enjoy a most sumptuous dinner on the 30th of December.

—Miss Sallie Harris, aged 68 years, died suddenly last week with apoplexy at the residence of Mr. E. C. Harris, in Fishing Creek township. She was a good woman and has gone to her reward.

—We ask our business men to remember whenever they need any job printing of any kind to give us a share of their work as we will execute it as neatly and as cheap as any other house. We guarantee satisfaction.

—The dear children of the Baptist Sunday school enjoyed themselves in a happy manner on Thursday evening, as they were tendered a supper at the Oxford Female Seminary by the members of that beloved denomination.

—John Littlejohn, a most worthy and industrious colored man, who is employed by Messrs. Bullock & Mitchell, had a cannon cracker to explode in his hand Christmas which lacerated it in a dreadful manner blowing off a middle finger.

—Mr. Geo. Pittard, agent for Messrs. Rife and Logan, of Pennsylvania, has obtained leases and option on about 1000 acres of land near Knap of Reeds and will commence operations in a few days getting out iron ore, and other minerals.

—It is a source of great pleasure to us to learn that the Alliance Plug Tobacco Factory under the management of Dr. A. J. Dalby, Secretary of the Company, is selling daily large quantities of their superior bands of chewing and smoking tobacco.

—We would be glad to receive a share of your job printing as we are prepared to do all kinds as cheap as any one and trust you will remember us when you need any cards, bill heads, letter heads, tags, posters, statements, bills &c. Give us a trial.

—Mr. and Mrs. W. L. Mitchell are now occupying their handsome and commodious residence on Broad street. The contractors were Messrs. Hundley Bros., and they have given Mr. Mitchell entire satisfaction in the construction of his residence.

—We happened to be at the postoffice a few days ago in company with Mr. Devernish, the Secretary of the Modern Tobacco Barn and saw him open a letter from Florida which contained an order for 5 barns and to send an expert curer with them.

—The Young Men's Christian Association has rented one of the store rooms on Main street belonging to Dr. E. T. White which is now being nicely papered and other wise improved. It will be ready for occupancy in a few days. The Association has a large membership and we trust it will continue to increase until every young man in town is brought into its fold.
