CATARRH

Is a most loathsome, dangerous, and prevalent malady. It is a blood disease, usually of Scrofulous origin, and for which local treatment is useless. Before health is possible, the poison must be eradicated from the system, and to do this

SUCCESSFULLY

the disease must be treated through the blood. For this purpose no remedy is so effective as Ayer's Sarsaparilla.

"For the past eight years, I have been severely afflicted with Catarrh, none of the many remedies I tried affording me any relief. My digestion was considerably impaired, and my sleep disturbed by phlegm dropping into my throat. In September last I resolved to try Ayer's Sarsaparilla, began to use it at once, and am glad to testify to a great improvement in my health."
—Frank Teson, Jr., engineer, 271 West Fourth street, New York City.

"My daughter, 16 years old, was afflicted with Catarrh from her fifth year. Last August she was

TREATED WITH

Ayer's Sarsaparilla, and after three months of this treatment she was completely cured. It was a most extraordinary case, as any druggist here can testify."—Mrs. D. W. Barnes, Valparaiso, Neb.

Ayer's Sarsaparilla

No bones broken with the Kabo corset. It can't be done. They're made of Kabo—and Kabo CAN'T break.

They're warranted for a year. Then there's another point—the eyelets. They're loops of corset lace, soft, but tough, that won't rust or cut the laces.

If the Kabo corset doesn't suit, after a week or two's wear, just return it and get your money.

LOCAL HAPPENINGS.

THE PASSING LOCAL EVENTS OF THE DAY.

What is Transpiring Around and About Us, in Town and County--The Movements and Doings of People You Know, Etc.

—The Hicks' mill dam is broken about midway.

—A large protracted meeting at Bullock began Sunday.

—Two political conventions in Oxford the first week in August.

—Squire Wm. Daniel lost on the streets Friday a pocketbook containing \$20.

—The tallest hustling in town now is being done by the principals of the schools.

—The board of directors of the Farmers' Alliance Warehouse met here Tuesday.

—The People's Party will nominate a ticket from township constable up to Governor. A great mistake!

—W. A. Slaughter, of Berea, has gone to Greenville to superintend curing of the tobacco crop of G. T. Tyson.

—When you say there are no flies on the tobacco crop you are not using slang, but if you would say worms you would get there.

—Rev. Jos. Rennie, the able and popular pastor of the Presbyterian Church, has received a call to the pulpit of a church at Louisville, Ky.

We are gratified that the good people of the Meadows neighborhood have now a postoffice by the name of Culbreth established at Jones' store. We extend congratulations.

—It is claimed by competent farmers that J. M. Currin has the most perfect crop of tobacco ever seen on the hill. He uses the highest grades of fertilizers, which he says are the cheapest in the end.

—Dr. Nash has removed from the Herbert residence on Raleigh Street and is now living on High Street nearly opposite the residence of J. K. Wood where he may be found when not professionally engaged.

—Why not tear down that old, unsightly fence in front of the court house? The steps would be missed by the loungers, but a few of old benches from the courtroom could be put outside for their accommodation.

—It is learned that Col. "Buck" Boyd, one of the most prominent and popular citizens of Vance county, died at his home near Townsville Sunday night. He was seventy-two years of age. He was well-known in Granville.

—W. H. Cheek, Jr., a young tobaccoist of Rocky Mount, N. C., died at that place Saturday. He was formerly of Henderson and was a brother of our townsman, F. A. Cheek, who has the sympathy of the community in his sorrow.

—Young ladies who intend going off to school should bear in mind that they can obtain a complete outfit of wearing apparels at A. Landis & Sons. This wide-awake and go-ahead firm has received new goods special for this trade.

—The colored people celebrated the anniversary of the Colored Orphan Asylum Wednesday. Congressman Cheatham, who was to be the orator of the day at the celebration, telegraphed from Washington that he could not leave his seat just now as Congress was about to adjourn. Rev. W. A. Patillo was the orator of the day.

—Col. R. J. Mitchell has reopened the Oxford Steam Flouring Mills, and has facilities for turning out the best of flour and meal. He has a first-class miller in charge, and consignments of grain receive prompt and satisfactory attention.

—Mr. Robt Steagall, brother of our townsman, Mr. I. H. Steagall died in Richmond Tuesday night. He was 40 or 45 years old and was well known in North Carolina. Mr. J. H. Steagall was summoned by telegraph and reached Richmond before he died.

—The Durham papers tell of the death of John Word a policeman of that place, who died at Norfolk, Va., Sunday afternoon. He fell from the excursion train going from Durham to Norfolk last Thursday. He was formerly a freight conductor on the O. & C. railroad.

—The People's Party of Granville county will meet in convention in Oxford on Friday, August 5, to elect delegates to the State convention at Raleigh "and for such other purposes as the convention may deem proper." Township meetings will be held Saturday, July 30.

—As the courthouse has been enlarged and comfortable quarters are provided for witnesses and jurors in waiting, Sheriff Crews announces that he will discontinue the old practise of calling names from the windows. Those interested had better make a note of this.

—Our former young townsman, Walter P. Stradley, has been employed by the Democratic central executive committee of California to stump that State for Cleveland and Stevenson. He is a brilliant young lawyer, and is rapidly pushing to the front on the Pacific slope.

—Mr. B. P. Thorp, of Walnut Grove township, emphatically denies the statement that he is in any way tainted with Third Partyism. He says he has been "accused of great many mean things, but could not have been accused of a worse thing—that of being a third party man."

A Pat Answer.

A farmer called on his brother-in-law in Oxford the other day, and the Third party was discussed.

"Why is it," asked the Oxonian, "the Third party people are always abusing the Democrats and never say anything against the Republicans."

"I can answer that, said his wife, before the farmer had a chance to reply: "You never hear a child abuse its mother."
