Ayer's Pills

May always be relied upon as a certain cure for liver troubles, constipation, sick headache, biliousness, dyspepsia, jaundice, and rheumatism. Unlike most cathartics, Ayer's Pills strengthen the stomach, liver, and bowels, and restore to these organs their normal and regular action. Taken in season, they check the progress of colds, fevers, and malaria. Being purely vegetable and sugar-coated, Ayer's Pills are

The Favorite

family medicine, while travelers, both by sea and land, find them to be indispensable. "We sell more of Ayer's Pills than of all other kinds put together, and they give perfect satisfaction."—Christensen & Haarlow, Druggists, Baldwin, Wis.

Family Medicine

I know of no better remedy for liver troubles and dyspepsia."—James Quinn, Hartford, Ct. Capt. Chas. Mueller, of the steamship "Felicia," says: "For several years I have relied more upon Ayer's Pills than anything else in the medicine chest, to regulate my bowels, and those of the ship's crew. These Pills are not severe in their action, but do their work thoroughly. I have used them, and with good effect, for the cure of rheumatism, kidney troubles, and dyspepsia."

LOCAL HAPPENINGS.

THE PASSING LOCAL EVENTS OF THE DAY.

What is Transpiring Around and About Us, in Town and County--The Movements and Doings of People You Know, Etc.

—We thank Mr. Will Brooks for some choice apples.

—Work of macadamizing the streets has been suspended for this week.

—There are rumors of steps being taken to secure important industrial enterprises for Oxford.

—Curing tobacco is now the order of the day in Granville. Several barns have already been cured.

—Some new primings were sold at the Farmers' Alliance and Banner warehouses Friday and fetched good prices.

—It is hoped that Hon. Thos. W. Mason will speak at Oxford later in the campaign. Our people are anxious to hear him.

—B. H. Cozart will take charge of the Banner Warehouse, of Durham, on October 1. He will soon remove his family to that city.

—We ask the back bone of this county what will they gain if they allow the Republicans to get possession of county affairs again?

—The Granville Grays have invited B. Smith to go to Wrightsville with them as their guest. Mr. Smith is a Confederate veteran.

—We trust our farmer friends will consider well the fate of our grand old State in case we split up and allow the Republicans to return to power.

—A very large fish in Cheatham's pond is reported, and a party from Oxford armed with harpoons and other weapons are going to try to capture it.

—A protracted meeting will commence at Salem church on Sunday. Rev. J. T. Gibbs, Presiding Elder, of Fayetteville, will occupy the pulpit that day.

—It is learned from Henderson that the report of Referee R. O. Burton in the Burgwyn-Jenkins case was filed Tuesday, and gives Col. Burgwyn judgment for \$13,000.

—We are authorized by Mr. B. F. Hobgood to say that he is not a candidate for the nomination of Register of Deeds and most respectfully ask his friends not to put his name before the convention.

—The Board of Supervisors of Public Roads for Salem township will meet at Salem, the 1st Saturday in August, at 3 o'clock. Overseers are requested to make their reports.

J. B. PARHAM, Chairman.

—Granville Superior court will probably adjourn this week, as the dockets are about cleaned. Judge Connor has ordered Sheriff Crews to notify jurors drawn for next week that their attendance will not be required.

—Quite an interesting meeting was held at Hermon church last week by the worthy pastor, Rev. J. H. Hall. Great good was accomplished for the church. Ten conversions and three reclaimed was the result of the meeting.

—There is in Walnut Grove township, on the land of Frank M. Dixon, a white oak tree, the limbs of which average 36 1/2 yards from the trunk. The body of the tree at its largest point measures 22 feet and 11 inches around. Who says this is not a boss tree for this part of the country?

—J. H. Morris downs everybody thus far on raising Irish potatoes. He had one a few days ago that weighed 1 1/2 pounds and measured 13 inches round. He dug his patch Monday and found 12 that weighed 1 1/2 pounds. Dr. R. W. Hobgood says he raised one in the shape of a doll baby and the little daughter of W. J. Badgett has it dressed up.

Picnic Saturday.

The crowd at the Odd Fellows' picnic on Bowling Mountain Saturday was not nearly as large as was expected. Being Saturday few of the business men of Oxford and Durham could attend. Quite a number of farmers were there.

The day was very pleasantly spent and the sights from the tower elicited warm expressions of admiration.

Mr. Graham Declines.

MR. EDITOR—To the kind friends who have mentioned my name in such complimentary terms in connection with the Senatorship from the counties of Granville and Person, I wish to express my sincere acknowledgments; but my private and professional engagements are such as to prevent my acceptance of any official position.

No one is more anxious for the success of Democratic principles than myself, nor will I do more in his humble way to promote the same, but could not assume further obligations at this time even should the nomination be tendered unanimously.

A. W. GRAHAM.

A bald headed woman is unusual before she is 40, but gray hair is common with them earlier. Baldness and grayness may be prevented by using Hall's Hair Renewer.

N. B. Cannady for the Senate.

MR. EDITOR.—I see that some correspondent advocates in your issue of the 23 the nomination of N. B. Cannady to the Senate from this district. It seems to me this would be a most fortunate selection. Mr. Cannady is well known and deservedly popular in both counties.

We need a man in this campaign well versed in the history of the State and the action of the two parties, and well equipped to explain and maintain the position of the Democratic party in all the issues now under discussion before the people. We need a leader in whom the people have confidence, firm in his convictions, positive in his action, still with the power of argument and persuasion about him, and withal honorable and fair in all his dealings. Such a man we have in N. B. Cannady. Put him at the head of the ticket and you will make no mistake.

GRANVILLE DEMOCRAT.

The phenomenal success of Ayer's Sarsaparilla started into existence a host of competitors. This, of course, was to be expected; but the effect has been to demonstrate the superior merits of Dr. Ayer's preparation by a constantly increasing demand for it.
