Necessary to a choice, 223. It will be seen that there is no chance for Weaver to get out to the Republicans and put in Harrison as Grand Old Grover beats both of them. How does that strike our Third Party friends? Hurrah for genuine reform and Cleveland!

**Marriage of Mr. George Ferrell.** Married, Wednesday, November 9, at the residence of the bride's father near Oxford, Mr. George Ferrell, of Hargrove, and Mrs. Lizzie Land, daughter of H. T. Knott. Rev. R. H. Marsh performed the ceremony. To the happy and popular couple we offer our warmest congratulations and best wishes.

**SHILOH'S CATARRH REMEDY.** A marvelous cure for Catarrh, Diphtheria, Canker Mouth and Headache. With each bottle there is an ingenious nasal injector for the more successful treatment of these complaints without extra charge. Price 50c. Sold by J. P. Stedman.

**LOST HORSE.** My mare escaped a few nights ago, and is now at large. She is a dark bay, black mane and tail; medium size, has a recent scar on her breast from a snag. The finder will please return her to me at Oxford, and a reward of ten dollars will be given.

### LOCAL HAPPENINGS.

THE PASSING LOCAL EVENTS OF THE DAY.

**What is Transpiring Around and About Us, in Town and County--The Movements and Doings of People You Know, Etc.**

—All the boys came home to vote.  
 —More than ten election tickets are printed to every one voted.  
 —When Cleveland was elected eight years ago it was a rainy day.  
 —An improvement to the Osborn House is the removal of the front fence.  
 —Fifty or sixty colored people were baptized in the foundry branch Sunday.  
 —The Oxford Democrats are in fine spirits and shouting "Hurrah for Cleveland!"  
 —The county commissioners have bought a nice new desk for the Superior court clerk's office.  
 —The workhouse force—now composed of nine convicts—are fixing up the public road near H. Dorsey's place.  
 —The election passed off quietly here, and throughout the county so far as heard from. There were no disturbances.  
 —Our sportsmen seem to be meeting with good luck shooting partridges. They come in with long strings of birds.

—A game of football at Durham between the University of North Carolina and Trinity College is being advertised here.

—Mrs. W. L. Meadows has taken charge of the Irwin Place. S. P. Couch and family have removed back to their residence on Raleigh street.

—Luther, the little son of Mr. and Mrs. J. F. White, while playing on the bed Monday, accidentally fell off and broke his right arm above the wrist.

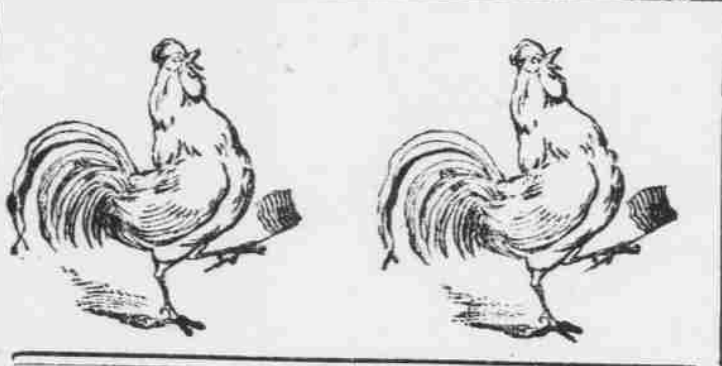

—There are only nineteen persons at the county pothouse at present. Of this number seven are white women and one white man; five colored women and six colored men. All of them are able to walk about except one. Superintendent Allen says he raised a good crop of corn this year—a larger crop than last year. He has not bought any corn to feed his charges or an ounce of rough food for his stock in three years.

**Done in Effigy.**  
A crowd of enthusiastic boys were out on the streets last night, making an awful noise with drums, tin horns, etc., and by yelling for all their lungs were worth. They had healthy lungs. They paraded the town and banished sleep.

After making a circuit of Oxford they hung an effigy of Dr. A. J. Dalby, chairman of the Third party county executive committee, across the street at the intersection of Main street and Commercial avenue.

Then they went over in the southern portion of the town, and burned another effigy of Dr. Dalby.

### HEARING THE RETURNS.

A Jubilant Crowd in Armory Hall Last Night.

The Democrats of Oxford subscribed for the national and State election returns, which were furnished by the Western Union Telegraph Co.

The bulletins were sent to Armory Hall, several messengers being kept busy carrying them, and there was a large, excited and jubilant crowd in the Hall to hear them read.

Capt. B. S. Royster was the reader. The telegrams began coming in about eight o'clock, the first news received being from New York City. It soon became evident that Tammany had kept its promise and carried Gotham by 70,000 majority, and the cheering was tremendous. Then the good news from New York State, Connecticut, New Jersey and the Southern States set the Democrats wild with joy.

"Hurrah for Cleveland," was shouted in grand choruses. The scene was one to make the pulse of Democrats beat high and had a very depressing effect upon the few Republicans and Thirdists lounging around.

The crowd dispersed after twelve o'clock. This morning they returned to the Hall, and the still better news increased the enthusiasm.

The Democracy of Granville is feeling pretty good today, thank you!

### Granville County Vote.

The board of election canvassers for Granville county met in the courthouse here at noon yesterday, and organized by electing G. H. Faucette chairman and B. S. Royster and W. C. Reed secretaries.

At a late hour in the afternoon they had disposed of only four precincts, and of these one—Dement—was thrown out on account of irregularities. The board then adjourned to this morning.

It is in session again today, and it will probably not complete its work before tomorrow. Therefore we are unable in this issue to give our readers any idea of Granville county's vote, as the polls at several other precincts, it is said, were illegally conducted.

**Lost.**  
A small white setter bitch strayed away last Friday. The finder will be liberally rewarded by returning her to  
Nov. 4. H. H. MCGUIRE.

### WHITE-HOUSE PLANS.

The President Will Return to Indianapolis--Baby McKee Goes to Boston.

WASHINGTON, Nov. 10.—From tonight's Star: Plans for next spring are already being discussed by President Harrison and his family, looking forward to vacating the Executive Mansion March 4th. There will probably be a general breaking up and separation of the family. The President will return to Indianapolis and make his home there for the future. It is probable that Mr. Russell Harrison and his wife will reside in Indianapolis also, making their home with General Harrison. Mrs. McKee, with little Benjamin and little Mary, will go to Boston after March 4th. Mr. McKee has established himself in business there, and has built a house. General Harrison may make them a visit in the spring. Dr. Scott, Mrs. Harrison's father, will live with the President. Mrs. Dinnick will remain in Washington with Lieutenant and Mrs. Parker.

### Chairman Carter to Harrison.

NEW YORK, Nov. 10.—Chairman Carter, of the Republican national committee, sent the following telegram to President Harrison this afternoon:

"The returns show that we have been defeated by a pronounced majority. The defeat can only be attributed to a reaction against the progressive policies of the Republican party."
