STATE CANVASSERS.

Gov. Holt Appoints the Two State Senators on the Board.

Gov. Holt today appointed James H. Pou (Democrat), of Johnston county, and W. B. Henderson (Republican), from Vance county, as the two Senators on the State Board of Canvassers, who will meet here December 1st to canvass the election returns.

Congressman A. H. A. Williams, of the Fifth District. He says he will contest Settle's election to Congress. The returns from Stokes county will be contested. They came to the State Canvassing Board in Settle's favor, but there is also a protest against their being received. It is alleged that there was bulldozing in Stokes; that there were 150 armed men, and that undue influences were used. It will all make up a very interesting case for the canvassing board and for Congress. Williams' majority, leaving out Stokes, is 52.

Mr. W. K. White, a strong Third-party man, who has been a member of the Kehukee Primitive Baptist church Halifax county, for many years, Saturday withdrew from the church without any charges against him. His Church will not receive or keep in fellowship any member of any secret order, and Mr. White has been conspicuous as a Third-party man and has rather favored in his position the work of Gideon's Band. He withdrew from the church on his own accord. Members of the church think that he rather hoped some one would prefer charges against him and then he would withdraw on the plea of persecution for his political opinions, but the church kept still and let him do his own kicking.

Secretary and Treasurer W. C. Stronach, of the Confederate Soldiers' Home says, the number of inmates now amounts to fifty-six. Since the opening of the home, a little more than two years ago, there have been eighty-five, six of whom have died. There will have to be provision for more at once, as there are ten applications now on file. There are some veterans in poor-houses.

Messrs. J. H. Parham, of Carlton; Henry A. Hart, L. W. Parham, and J. T. Blackwell, of Oak Hill, honored us with a visit on Thursday.

We learn that W. J. Downey, of Buchanan, a Thirdite of the Dalby type, was hung in effigy at that place Saturday night. Keep cool boys, as the election is over and we routed both Rads and Thirdites by a big majority. Be quiet now as they got Peace and put two negroes in the Legislature. The Thirdites are of course happy because they beat the Democrats and sent two American citizens of African decent to Legislature to make laws to govern them.

Itch on human and horses and all animals cured in 30 minutes by Woolford's Sautary Lotion. This never fails. Sold by J. G. Hall Druggist, Oxford, N. C.

MRS. J. T. BRITT HAS REMOVED HER JEWELRY STORE Next Door to LYNCH'S JEWELRY STORE.

S. V. Ellis and R. J. Daniel want to step into the shoes of J. F. Woody, Deputy Collector of this division.

The old man of the Gastonia Gazette Marshal-ed his forces and old Gaston swung into the Democratic line.

If you don't see anything in the shape of an office you want, why just ask for it when old Grover steps in the White House.

The political axe will not begin to run till after the 4th of March, so don't be in a hurry about getting in your application.

The man who sits on the fence during the contest is invariably the loudest shouter when the engagement is over and victory is won.

Rev. Jesse Cuninggim will hold his last quarterly conference at the Methodist church this, Friday night. He will also preach on Sunday.

Oddly enough the calamity howlers will only begin to weigh the advantages of genuine reform properly when the scales fall from their eyes.

The seed law passed by the last Legislature has been decided unconstitutional by Judge Goff, of the U. S. Supreme Court, at Wilmington, N. C.

Royster, on Wednesday, in the presence of a large number of admiring friends. Rev. R. H. Marsh officiated. Mr. and Mrs. Frazier are on a visit to the northern cities.

Since the great political struggle is over, and terminated with such glorious results, the tobacco sales have been increasing daily at our warehouses. We are reliably informed that tobacco is bringing \$2 more per hundred than it did last week this time, and there is a great demand for it. What better inducement can the Oxford market offer planter?

It is rumored that the Republicans and Thirdites will combine and give the bond of Mr. A. S. Poace for treasurer. He will no doubt serve the public faithfully, and in all our political criticisms of Mr. Peace have never said he would not make a good officer, provided he could get it. He was fairly elected by the Republicans, and it is their duty to stand by him in giving his bond.

We appeal to every reader of the PUBLIC LEDGER to aid us in making it an acceptable and profitable medium of news to our citizens. Let the public know what is going on in Granville. Report to us all items of news--the arrival and departure of friends, social events, deaths, serious illness, accidents, new building, new enterprises and improvements of every kind, change in business--any thing and everything that would be of interest to our people.

Suggestion to the New Board of Commissioners.

As Capt. A. S. Peace has been elected Treasurer of Granville county he will not be able to hold his place as a member of the new board of commissioners. Some one will have to be chosen in his stead and the PUBLIC LEDGER respectfully suggests Mr. Thomas D. Waller.

While we have had occasion in the past to criticize Mr. Waller for some of his official acts, we have the manhood to come forward and give him the credit he deserves. He certainly has made Granville a faithful and valuable officer and we do not know of another man who can do better work or prove more serviceable to the county. He has ever been zealous in the discharge of his duties and did everything in his power for what he conceived to be for the public good.

This suggestion is made without consultation with Mr. Waller. If he will accept it, he should be re-elected a county commissioner.
