A NEW SWINDLE

which the people of the South are resorting to, is the efforts of some to sell them imitations of the real Simmons Liver Regulator, because they make more money by the imitation; and they care little that they swindle the people in selling them an inferior article. It's the money they are after, and the people can look out for themselves. Now this is just what the people are doing, and merchants are having a hard time trying to get people to take the stuff they offer them in place of Simmons Liver Regulator—which is the "King of Liver Medicines," because it never fails to give relief in all liver troubles. Be sure that you get Simmons Liver Regulator. You know it by the same old stamp of the Red Z on the package, never failed you, and people who have been persuaded to take something else have always come back again to The Old Friend. Better not take anything else but that made by J. H. ZETTLIN & Co., Philadelphia.

HARDWARE.

HAVE YOU HEARD THE LATEST?

It is reported that when Mother Hubbard found that there was no bone in the cupboard for her dog, she immediately got a

VICTOR BICYCLE

And she went over to her neighbor's house, who was using a

"FARMER GIRL" COOK STOVE

And got one. After she saw how nicely the meat was roasted and how little trouble it was to keep everything baked up nicely, she resolved then and there to use nothing else but the "Farmer Girl" Cook Stove.

We cannot vouch for the truthfulness of this report, but if she did she showed good judgment.

—Mr. Gowan Dusenbury has 6 hens and a rooster. A few days ago he gathered 7 eggs, and cannot account for the seventh, unless it on account of some hen food he purchased a few weeks ago, as the merchant who sold it said it was so good it would even make roosters lay.

—Messrs. D. A. Moore, of Oxford, Jack Shelburn and J. W. Jones, of Durham, cut up a 60-gallon still some three miles from Green's station Saturday night. They found 5 stands of beer at the place, but the still had been moved, but after considerable search they found it and cut it into pieces.

—Those who want to raise their own mules now have a fine opportunity to do so, as Mr. Thomas White owns a first-class thoroughbred Kentucky Jack. He will give the people of the Southern part of county the chance of his services, and we invite you to read his advertisement in another column.

Cure for Headache.

As a remedy for all forms of headache Electric Bitters has proved to be the very best. It effects a permanent cure and the most dreaded habitual sick headaches yield to its influence. We urge all who are afflicted to procure a bottle and give this remedy a fair trial. In cases of habitual constipation Electric Bitters cures by giving the needed tone to the bowels, and few cases long resist the use of this medicine. Try it once. Large bottles only fifty cents at J. G. Hall's drug store.

The Scheme Foiled.

We are proud to say that the trap set by Starvation Bill Royster, chief mogul of the Douglasites in Granville, that he might oust Rev. R. Shephard and become superintendent himself, miscarried to a large extent. It is charged that Bill Crews was to have a bill passed changing the board of directors so as to get Starvation in, but the Democrats knocked the scheme in the head and were largely instrumental in increasing the appropriation to \$3,000 a year to this institution that is prospering under the skillful management of Rev. R. Shephard.

We say again we are very proud our Colored Asylum was not so unfortunate as to fall into the hands of Starvation Royster—a Douglasite preacher politician—as he is known to have no feeling for his race, if he had he would not have been guilty of starving poor prisoners in jail in order put money in his own pocket. We know he is a pet of the leaders of the Douglas Apostles in Granville and they will say it is a "Democratic Lie," but it is on record. It is a blessing that the Asylum is not afflicted with such a man as superintendent.

The reputation of another the book of especial value. Mail one wrapper from a package of Horsford Bread Preparation, to the Rumford Chemical Works, Providence, R. I. A copy will be sent free.

NEW MAGISTRATES.

The Truly Faithful Along With Eight Negroes are Rewarded.

It will be seen from the following that many of the truly faithful along with eight negroes have been appointed magistrates in the different townships. Even W. P. Lyon, who withdrew as candidate for Superior Court Clerk on the Pop ticket, expenses paid, in order that Mr. J. M. Sikes might beat Col. W. A. Bobbitt, really deserved something better for the great sacrifice he made, and there is Philo White and W. D. Blackley, who were dropped by the Democrats because they had gone over to the enemy, were, of course, brought to light by Dalby:

Fishing Creek—S. J. H. Mayes, col., L. P. Wortham, col., and Alex Baker.

Brassfield—G. L. Allen, J. M. Davis and W. H. Sikes.

Dutchville—L. A. Williams, J. M. Taylor, col., and R. B. Beasley.

Tally Ho—Durrell Johnson, G. T. Walters and H. G. Tilley, col.

Walnut Grove—J. T. Murray, N. T. Woodlief and T. M. Cash.

Oak Hill—J. W. Downey, Rev. S. S. Henderson, col., and Wm. Raker.

Sassafras Fork—Alfred Bullock, Sam'l L. Daniel, col., and J. R. Callahan.

Salem—H. C. Gill, W. N. Hicks and Ratus Puckett.

Oxford—B. F. Taylor, H. T. Hughes, col., C. M. Rogers and L. C. Taylor.

TO FILL VACANCIES.

Fishing Creek—W. D. Blackley and R. M. Hight.

Brassfield—W. P. White and W. P. Lyon.

Tally Ho—D. C. Farrabow and Radford Gooch.

Walnut Grove—J. N. Hobgood and J. F. Cole.

Oak Hill—J. S. Pool and M. S. Daniel.

Sassafras Fork—R. A. Gill and William Davis.

Salem—J. R. Wilson and Josh W. Wilson.

Oxford—J. W. Brown, A. J. Dalby, A. S. Peace, B. W. Hicks and N. B. Hobgood. This makes thirteen magistrates in this township.

The old moss-back Rep-Pops E. E. Lyon, Duncan Farrabow, J. S. Pool, B. W. Hicks, J. T. Murray and H. C. Gill were appointed magistrates for their warm advocacy of fusion. Then notice if you please that Dalby had himself appointed along with S. J. H. Mayes, both members of the Legislature. They of course recommended themselves. Then there was Billy Brown, enrolling clerk, A. S. Peace, advisory to Dr. Dalby, and Tazwell Taylor, laborer in the Legislature, who they also had appointed. We cannot see why Bill Crews was overlooked if he was at home quite sick with the gripp, but Jud thought it wise not to let him have the grip as a magistrate. It strikes us that they have one too many for Oxford township. We are real glad our old friend Ben Hicks has at last something in the way of an office for his great service in the way of "refawn."

It is somewhat surprising that the great brains of the Douglasites in Granville should be left out in the cold, but no doubt Starvation Bill is reserved as Chairman of the Board of Commissioners, two years from now, along with Dave Spencer and Gran Hunt as members, only three composing the Board under the new law.

The question has been asked will our friend Billy Brown continue as Coroner, Enrolling Clerk to the Legislature, Magistrate and Deputy Sheriff, and at the same time become an advisory member of the Board of Agriculture at Raleigh telling them what he knows about farming and the use of fertilizer on different lands in the State. Go it Billy, we are betting on you getting more offices than any other man of your same faith and order in Granville, but it is a great pity that you should get all while our friend John A. Waller is left out shivering in the cold after he sacrificed so much for the "noble order" and Dr. Dalby by withdrawing from the Senatorial campaign.

We forgot to say why was Sumac Gregory, of Sassafras Fork, and Uncle Ruffin Buchanan, of Fishing Creek, left out and negroes put in their places.

Don't allow yourself to be told that there are other wagons sold that equal the "Old Hickory." I have sold \$10,000.00 worth of them here and every user says they are the best. I have not had to say \$10.00 repairs on all I have sold. I have a fresh car load for sale and sell but very little higher than others that have to spend a good portion of their time at repair shops. Get my prices before you buy. mch15. S. H. SMITH.

COLORED ODD FELLOWS.

Immense Gathering--Rev. Political Leake Preaches the Sermon.

The colored Odd Fellows had a big celebration in the Opera House here on Sunday afternoon, and the attendance upon the occasion was very large, crowding the house to its full capacity.

The notorious politician, Reverend Leake, the colored preacher from Raleigh, who was in Oxford during the late campaign and in one of his speeches championing the cause of fusion advocated marriage between the races, preached the sermon. He is a fluent talker and is said to have preached a good sermon. He is the same man that entered the joint Pop-Rep caucus in Raleigh during the late Douglas Legislature and gave the Pops such a lamponing that it broke up the joint caucuses, as the Pops afterwards refused to go in one. We do not see why they should have refused as the Rev. Leake was a great man before the election in the eyes of the Pops as he advocated miscegenation. He must have administered to them an awful dose to make them kick.

Rev. Leake after his sermon proved himself to be a good collector, raising \$35 for the Colored Orphan Asylum, for which our colored friends deserve credit. We are gratified to say "my partner," Rev. Starvation Royster will not have the pleasure of handling it as Superintendent of this splendid institution now so ably conducted by Rev. R. Shephard, assisted by competent and efficient corps.

May the Colored Odd Fellows continue in well doing, and continue to follow the teachings inculcated by the order to protect and care for the orphans and widows.

A LIVELY RUN.

The Wilkinson's Warehouse High Averages.

It will be seen by the following that W. I. Wilkinson is making a splendid record as a winner on high averages on all grades of tobacco placed on his floor, being a tireless worker in the interest of all who patronize him.

Ralph Currin, of Northside, dropped in some of his crop on the floor at Wilkinson's Tuesday, and pocketed \$64, \$61, \$25, \$311, \$141, \$36, \$53, \$151, \$42, \$261, \$371 and \$151. He struck the Cooper Bank for the sum \$887.00 for one load, and left for home to prepare to bring another. Everybody that sell at the Wilkinson Warehouse seem to go home happy while W. I. Wilkinson and his able assistants, Col. Henry Wilkinson, along with Jumbo Williams and W. W. Brammitt, smile because they take such a great pleasure in pleasing their patrons.

To Close Out at Once.

One number one, good, strong extension top, full leather trimmed Carriage at about half original price.

One canopy top, one or two horse (little better) Surry and Harness at about half original price.

Fifteen of the prettiest buggies in N. C. to close out to make room and reduce stock. Got too many.

Three good 2nd hand 2 horse wagons at a bargain.

Full line Farming Implements of the best makes.

Call early and secure bargains. These goods must go.

Respectfully, &c.,
mch22. EDWARDS & WINSTON.

Read and Ponder.

Ladies and gentlemen are always on the alert to buy the latest style as well as the best quality of goods and hence we call their attention to the advertisement of that gentlemanly firm, Paris Bros., who are always anxious to give their customers their money's worth. Call and see them, and along with the urbane proprietors the handsome Josh King and polite Harry Williams we promise will give you every attention and sell you goods at rock bottom prices. This firm is strictly in the swim for trade and are offering good bargains to the people, commensurate with the quality of goods.

The experience of Geo. A. Appgar, of German Valley, N. J., is well worth remembering. He was troubled with chronic diarrhoea and doctored for five months and was treated by four different doctors without benefit. He then began using Chamberlain's Colic, Cholera and Diarrhoea Remedy, of which one small bottle effected a complete cure. It is for sale by J. G. Hall, Druggist.

Cotton Seed for Sale.

I have a lot of Cotton Seed for sale at a reasonable price.

—Wrappers on the Oxford market Tuesday at the different Warehouses ranged from \$30 to \$64. Booth and Hunt and Wilkinson both reached the \$64 notch. Hurrah for our Warehousemen and buyers. Why is it the PUBLIC LEDGER has only one Warehouse advertisement in its columns as it is always trying to make the Oxford market second to none?

Seventeenth Buggy.

—The highly esteemed Dr. S. D. Booth has been practicing medicine in Oxford 15 years and is now riding in the 17th buggy purchased during that time. We wish we knew the number of miles of ground he has travel over in administering to the wants of those afflicted with disease during that time.

Now is your opportunity to raise a good mule, as day & Powell's Spanish Jack is the finest and largest ever brought to this section. See advertisement in another column.

IT'S HORRIBLE.

A Schedule That Breaks The Camels Back.

The great Southern Railroad that said that they were going to do so much for the interest of the people, is doing just the opposite so far as this territory is concerned.

The schedule has been changed as follows:

O. & C. RAILROAD.

Northbound, No. 16, arrives in Oxford at 12:55, p. m.

Southbound, arrives at 6:15, p. m.

O. & H. RAILROAD.

Leave Oxford 7:00 a. m., 1:05 p. m., 6:15, p. m.

Arrives at Oxford 11:55, a. m., 3:30, p. m., 8:33, p. m.

By this new schedule the train stops running through to Raleigh and stops at Durham as formerly. The only connection Oxford has is to Richmond. No connection at Durham for Raleigh, nor at Henderson for Weldon, and only at Raleigh when the O. & H. is promptly on time.

Well, what is Oxford coming to anyhow, after giving this road \$60,000, under the management of a road that has gobbled up this amount? She seems to be strictly in the Railroad soup.

Owing to not having force enough at the depot our business men cannot get their freight promptly when it arrives, and now to cap the climax cannot make any connection except for Richmond.

We say it is a shame for our people to be treated in any such manner. Well, there is one way out of the difficulty, and that is let us put our heads together and complete the Oxford & Coast Line Road from Oxford to Dickerson's and then we can have through connection with the S. A. L. system.

Got a Hump on Them.

—Our merchants are kicking like "bay miles" because the force at the depot is insufficient, and they cannot get their freight promptly. The over worked officials do all they can to accommodate the people, but the business of the road is more than two men can attend too. We believe the Southern Road instead of being better is much worse than the old Richmond and Danville system.

Wants them to Sober Up.

The great Thiridite paper, Progressive Farmer, says: "If the two members of the Arrington legislative investigative committee who have been on protracted spree, one a Populist and the other a Republican, have any respect for themselves or one iota of pride left, they will sober up, reform and get to work. If they do not we advise their friends to send after the remains. This is no "Democrat Lie" Mr. Pop.

The Right Man.

—The genial and clever Caleb Osborn is now a "Knight of Furniture," having accepted a position with the "Home Furniture Co.," of High Point. We congratulate the company upon securing the valuable services of friend Osborn, as he ranks A. 1, is very popular, and will serve the company faithfully. He will travel Virginia, North and South Carolina, and Georgia.

Cut Himself.

—On Monday night Mr. A. Hobgood bought him a new axe and helve. He did not put the axe on the helve good and threw it across his shoulder and when he did the axe came off and the blade struck him on the left hip and cut quite a cash. He went to Halls Drug Store and had some court plaster put on it, and was as happy as ever.

Lion of the Hour.

—We regret to learn of the serious illness of the "Lion of the Hour," Wm. Crews, at his home in Oxford. He is the man that accomplished so much good in the Legislature for the Democratic party in the State by introducing the Douglas resolution. We wish him a speedy recovery.
