**BRIEF MENTIONS.**

**Picked up and Put in Shape from the Town and County.**  
—Mr. J. J. Medford, who has been confined at home several days on account of sickness is out again.  
—Hello! The Oxford telephone line is now in good working order and is proving quite a great convenience.  
—The Atlanta Exposition will dispel the effects of some lying that has been indulged in as to conditions at the south.  
—The farmers are in better spirits this week than for a month past. The bright, hot weather is having a happy effect on crops.  
—The Democratic party passed the income tax law, the Supreme Court ordered it up, the poor man gets left and the rich man rakes in the pot.  
—The County Commissioners have ordered the building of bridges at Gregory's old mill near Oxford, and over Tar River at Crews (Minors) mill.  
—It is said that Maryann Butler is discomfited because he says the Democrats have stolen his party's only weapon in declaring for free silver in this State.  
—The Granville Republicans will deplore the day when they allowed Dr. Dalby to proclaim himself leader of their party. He sowed the wind and reaped the spoils.  
—The Christian Advocate takes a hand editorially in the silver battle, by advising its readers to ascertain how the bankers will vote and then vote just the other way.  
—We have the home made Grain Cradles, also 14 Finger Grain Cradles with warranted blades. New lot of new style Buggies just in. See them, at Edwards and Winston.  
—A Denver clergyman says "there are 10,000 men going to hell on bicycles." If his figures are correct there must be several hundred thousand men wheeling their way to heaven.  
—The Concord Times is satisfied that more than one-half of the Democratic voters of Cabarrus county are opposed to the free and unlimited coinage of silver at the ratio of 16 to 1.  
—A Denver clergyman says "there are 10,000 men going to hell on bicycles." If his figures are correct there must be several hundred thousand men wheeling their way to heaven.

**New woman, in her hours of ease, Despite her scorn of men, When chased by snakes or bugs or bees, Screams on the same old plan.**  
New York Recorder.

**The race at the track of Mr. Louis De LaCroix on Friday afternoon between Mr. Oscar Gregory's Black Bess and Mr. J. C. Horner's fine colt was won by Black Bess. Quite a good crowd witnessed the race.**

**An Alexander county correspondent of the Statesville Masset says that since the introduction of the silver argument into that country the negroes are afraid to go out at night lest they be nabbed and "enslaved by England."**

**The Redville Review says: The few cuckoo editors in the State are having a hard time of it defending the administration's gold bug policies. The zeal they display in return for the administration favor is worthy of a better cause.**

**Mr. W. E. Moss, of Henderson, and Miss Cora Jenkins, daughter of Prof. W. H. P. Jenkins, were married at Grove Hill church on Wednesday afternoon. We trust some kind friend will furnish us an account of the marriage.**

**It is decidedly ugly fact that the clerks of the Douglas Memorial Association passed the mortgage bill. This great reform body put more taxes on the poor down trodden farmer. We wonder if the great statesman from Vance can take this fact in?**

**The Richmond Dispatch says: The venerable though sprightly and progressive University of North Carolina is being generally and very justly complimented on the success of its centennial celebration. Its strength, we trust, will always be as its years.**

**News of another murder comes from Wilmington. John Dixon (colored) walked into a store kept by Lee Jones, his cousin, and fired both barrels of a shot gun at him. One hundred and fifty shot struck Jones, and he died in a few minutes. The men had quarrelled the previous day.**

**We neglected to state last week that the write up of Oxford and our business men was from the pen of Col. Al Baird brother of Durham. The Colonel told the editor that he never met a more clever set of people than he found doing business in our town. That's when he spoke a parable.**  
—Peter Charleston's great race horse has at last succumbed to the starvation that befalls animals who possess owners that will not furnish weather boarding. It is said he has been known to make better time on the ground than any other horse of Oxford, because it took large pieces of wood to move him up.  
—It is said that next autumn the publication of the Daily Caucasian will be resumed. It may be assumed as a certainty that the Populists will be before 1895 ends. Mr. Butler will have charge of their campaign, really, and he well knows the value of such prompt tactics.

**MEETING OF TOWN COMMISSIONERS.**  
This body met on Monday night with Mayor Royster presiding. A large number of bicyclist were present, and through Mr. A. A. Hicks presented a petition asking the honorable Board to rescind the ordinance recently passed prohibiting them riding on any of the side walks of the town, and asking that they restore the old limits—that of not riding on sidewalks of the principle business streets. Rev. J. S. Handa spoke in behalf of the modification and the re-establishment of the old limit.  
The petition was granted with a fine attached of \$1 to \$5 for violation of the old regulations and the boys are happy.  
After transacting routine business and allowing of a number of claims the board adjourned.  
I have two little grand-children who are teething this hot summer weather and are troubled with bowel complaint. I give them Chamberlain's Colic, Cholera and Diarrhoea Remedy and it acts like a charm. I earnestly recommend it to children with bowel troubles. I was myself taken with a severe attack of bloody flux, with cramps and pains in my stomach, one-third of a bottle of this remedy cured me. Within twenty-four hours I was out of bed and doing my house work. Mrs. W. L. Dunagan, Bon-squa, Hickam Co., Tenn. For sale by J. G. Hall, druggist.

**THE PUBLIC LEDGER** may be a "Little one horse goldbug paper" in the estimation of a Douglassite who has wheels in his head, but it gets there just the same, if the noble order did boycott it and appoint committees to wait on its correspondents, and try to persuade them to stop writing for the "old Democratic Rattle Trap." The best of it all is the Douglassites will read it if it is against the edict of the Noble order to subscribe to the paper.  
I have a big stock of general hardware and buggies and wagons. I must sell. Come and get a satisfactory deal. S. H. SMITH, may24.

**CALM BE THY SLEEP.**

**Hargrove mourns the Death of Mr. Roger S. Jones.**  
It is with sincere regret we are called upon to chronicle the death of our esteemed friend, Mr. Roger S. Jones, which sad event occurred at his home at Hargrove Sunday night last at 20 minutes past 3 o'clock.  
He has been a great sufferer for the past 8 years of that dreadful disease, consumption. It can be said of him he bore his sufferings with great fortitude and patience as he was never heard to murmur or complain, but seemed perfectly reconciled to the afflictions which his Master saw fit to send upon him. He was a man that was liked by all. Kind, unselfish and accommodating he was ever ready and willing to do any one a favor when it was in his power.  
In all his business transactions he was just and generous to a fault. He was a pure consecrated christian, having been a member of the Baptist church at Tally Ho for several years. He was the youngest child of Mr. and Mrs. Amos Jones and was 32 years of age. He leaves a devoted wife, one little boy and an aged father and mother, several brothers and sisters, besides a host of relatives and friends.  
May God in His infinite wisdom Help them to bow To the stroke of His providence That falls on them now,  
And may He not leave them comfortless in this their most trying hour, but may His promise be verified unto them that He will be a father to the widow and orphan. Our heart goes out in deepest sympathy to the dear wife in this the bitterest trial of her life and were it in our power to alleviate her sorrow and trouble in any way we would do so gladly as to do so, but alas! we can do nothing but sympathize and pray to Him who has seen fit to send the blow upon her to comfort and bless her in this dark and trying hour.  
It was our pleasure to know Mr. Jones and we have never seen any one more cheerful all the while, notwithstanding his condition of health than was he. He was our postmaster at this place and how much we shall miss him! His words are inadequate to express. He arose last Saturday morning as well as usual and was taken with hemorrhage of the lungs about eleven o'clock from which he rallied in the afternoon and seemed that he was going to get over it as heretofore, but on Sunday morning he grew worse and gradually declined until he peacefully fell asleep in death at the hour stated above.  
The funeral services were conducted by Dr. R. H. Marsh and were very impressive. The remains were interred in the old family burying ground in the presence of a large crowd of sorrowing relatives and friends. L. M. J.

**A Sensible Dog.**  
The 4-year-old boy of Mr. and Mrs. D. A. Moore has as his pet a Shepherd dog who is his constant companion. A few days ago a passer noticed that the boy and the dog were under a low cherry tree, and the little fellow wanted some cherries but could not reach the limbs, so he had the dog jumping up to the limb and pulling them off with his mouth and dropping them on the ground and he would pick them up and eat them. This is a sensible dog.

**Grand Picnic at the Oxford Orphan Asylum June 25th**  
Given by Granville county to the Grand Lodge of Masons and visitors on that day. Dinner free. Every family in the county invited to bring a basket. A large number of our citizens, ladies and gentlemen, in different sections of the county have been asked to help about the dinner and entertain our guests.  
Governor Carr, Judge Clark, Judge Faircloth, Judge Shepherd, President Winston, Dr. Melver and other distinguished citizens have accepted an invitation to be present.  
Let old Granville show how hospitably and generously her people can entertain.

**Blind Tom at the Opera House.**  
Blind Tom gave an exhibition of his wonderful musical talent last night at the American Academy of Music before a large and appreciative audience. After a performance displaying his complete control over the instrument he varied the programme by spelling the names of articles held up by persons in the audience. Tom getting his clew from sounds produced on the piano by his attendant, and the spelling of difficult words to a phone system of his own—Philadelphia Ledger.  
He will perform at the Opera House this Friday night, and if you wish to be highly entertained go and hear this wonderful performer on the piano.  
While at Peekskill, N. Y., Mr. J. A. Scriven, a prominent manufacturer of New York City, purchased a bottle of Chamberlain's Cough Remedy. Such good results were obtained from its use that he sent back to the druggist from whom he had obtained it for two more bottles of the same remedy. When you have a cough or cold give this preparation a trial and like Mr. Scriven you will want it when again in need of such a medicine. It is a remedy of great worth and merit. 25 and 50 cent bottles for sale by J. G. Hall, druggist.

Winston, of Bertie, will give you pleasure and the consciousness of having done your best to make a happy and joyful day for all will be sufficient reward.  
**In Death's Embrace.**  
A shadow rests on a household in our town since a little life went out on Tuesday morning at 5 o'clock, the time when the bright spirit of the infant daughter of Capt. and Mrs. R. H. Powell was no longer on earth. Words were weak in grief and in sympathy. But Faith is strong. Through tear-dimmed eyes it sees the little one safe with Him who long ago showed Himself wont to take such tenderly in His arms and bless them. The remains were taken to Warrenton on Wednesday for interment.  
Pimples, blackheads, freckles, tan and sunburn removed. That oily and rough skin cured and the face and hands beautified by Johnson's Oriental Soap.
