the Gold-bugs.

"Well, I see by your skillful action at Durham yesterday you are carrying out the bargain made with the Republican," said a reporter to Commissioner S. Otho Wilson yesterday. Mr. Wilson is chairman of his precinct, township, county, Senatorial, judicial and Congressional Populist committees, is a member of the Populist State Central committee

and a middle-of the-roader. "Yes, when they make a bargain the Populists always carry it out to the letter. It will be carried out as we always carry out our promises," he said. "The thing that hurts you Democrats is that you don't like the contract."

Now the contract or agreement entered into by the Republican and Populist committees regarding fusion on Congressmen was this: The Populists candidates are to receive visiting her sister, Mrs. J. B. Hurley. the vote of the Republicans in the First. Third, Fourth, Sixth and Seventh districts; the Populists are to support Linney in the 8th. In the 2nd, 5th and 9th the Populists are to support the Republican nominees. And in case it is found that the gold bug Republican nominee cannot be -Our old friend Mr. J. F. Usry, elected, except by a division of the these three last named districts put up a nominee to divide the silver vote. In the Fifth district the only way on earth to re-elect Tom Settle is to divide the silver vote. Mr. Otho Wilson was on hand at Durham to see that the contract with the gold bugs was carried out. Mr. Wilson is endeavoring to carry out the terms of the sell out to the gold bugs .-News & Observer.

FOR CHILDREN TEETHING Panacea Water is splendid. Give the ittle sufferers a chance by intelligent doctors.

Creedmoor Contents.

As we are making our home in Creedmoor for the present, we will by request send in a few items from here occasionally.

Mrs. Stem, of Hester, has made quite an addition to our town by moving in with her family, including her atfractive daughter, Miss Lillie.

Ye invalids of Granville! come to our town and be cured for here we have recently discovered a splendid mineral water. It has been analyzed and is said to stand at the head of

Mr. I. W. Mangum, of Horner School, was in Creedmoor Sunday, and rode back to Oxford after 9:30 p. m. We think there must be a magnetic force here to lraw him so far for so short a while.

Miss Mary Taylor is in Creedmoor again and can be seen quite frequently riding around town on her wheel. Miss Taylor is a very graceful 'cyclist as well as an excellent teacher. We wish her a most pleasant term in Creedmoor.

Quite a number of our people went to Durham last week to see and hear our President-elect, Hon. William J. Bryan. Ever so many of the school boys got left by the train and had to stay over in Durham all night, and we hear one got to crying for his

The school at Creedmoor Academy s being taught by Prof. L. T. Bus chanan and his assistants. A large Oxford returned to Portsmouth, Va., and new ones are coming in each week.
