This body met Monday night in regular session with his Honor Mayor J. C. Biggs presiding, with Clerk E. T. Crews and Commissioners S. W. Cooper, W. D. Currin, J. Y. Paris, W. L. Mitchell, Dr. S. H. Cannady and J. F. Edwards present.

The first question that came up was that of continuing to allow bicycles to be rode on any of the streets of the town, and was fully discussed. The matter was postponed on motion of Commissioner Edwards until next meeting. But the fine was placed at \$2 instead of \$1, so look out boys. We take it, if it was not for a few reckless riders there would be no complaint lodged against the cyclists of the town, and we hope the Bicycle Ordinance will in future be strictly enforced, and it is to the interest of the Cycle Club to see that it is done. The following parties were granted license to retail liquor for six months: E. A. Roberts, R. Broughton, J. T. Wiley, R. L. Pool, I. H. Steagall. -Messrs. E. N. and Norfleet The application of A. D.
